THE ELECTIONS

Republicans Retain Their Grip on Congress.

HUGHES GOVERNOR OF NEW YORK

Leads W. R. Hearst by 40,000 Plurality.

CURTIS GUILD, JR., RE-ELECTED.

Returns From Many Points Indicate a Light Vote Except in States Where Big Battles For Supremacy Were On—New York City, Buffalo, Rochester, Utica, Troy, Elmira, Rome, Little Falls and Johnstown Gave a Plurality to the Democratic and Independence League Candidate, the Republicans Not Gaining a Single City.

NEW YORK, Nov. 7.—According to returns from all over the state received, Charles E. Hughes, the Republican candidate, has been elected governor of New York state over William Randolph Hearst, the nominee of the Democratic party and the Independence league, by approximately a plurality of 40,000 or more.

Two years ago Governor Higgins was elected on the Republican ticket by 80,540. There was some doubt expressed as to the fate of the Democratic and Independence league tickets outside of Mr. Hearst, several of the New York newspapers which have been supporting Mr. Hughes declaring that there was a chance that the subordinate officers of the Democratic and Independence league combination had been elected.

The latest figures seem to indicate that Mr. Hughes' plurality outside of Greater New York will exceed 115,000. To offset this Mr. Hearst's plurality in Greater New York will probably be from 75,000 to 80,000. In Brooklyn, where Senator Patrick H. McCarren made a bitter fight against Hearst, the latter carried the borough by a small plurality, probably 4,000. At one time it seemed that Hughes had been successful in Brooklyn, but the late returns were all strongly in favor of the Democratic candidate.

Mr. Hearst has been given a majority of nearly 70,000 in New York and the Bronx district, Queens county, which includes Long Island City, has gone for Hearst by from 9,000 to 8,000, and Richmond (Staten Island) has also given the Democratic candidate a plurality. As was generally expected, Mr. Hearst showed his greatest strength in the cities throughout the state and took out of the Republican column a number of the more important municipalities which heretofore have been Republican. Among the cities which gave Hearst a plurality were Buffalo, Rochester, Utica, Troy, Elmira, Rome, Little Falls and Johnstown. All of these except Utica and Rome were Republican two years ago. Mr. Hughes did not gain a single city. The Republican ticket was successful, but sustained serious losses in Syracuse, Gloversville, Amsterdam, Ithaca, Schenectady, Watertown and Plattsburgh.

As a result of the scratching and the voting for the same candidates under different party emblems the returns for the subordinate officers on the various state tickets are so complicated as not to be available. Great interest centered here in New York in the campaign waged for the judicial ticket named by a committee of lawyers headed by Joseph H. Choate and former Judge Alton B. Parker. The Tammany and Independence league joint ticket has won over the nonpartisan candidates by big pluralities.

State Senator Thomas F. Grady of Tammany Hall has been re-elected over Thomas Rock, who has been known in the campaign as "Eight Hour" Rock and who claimed he had been "tricked" by the Independence league. Throughout the state there has been a notable falling off in the vote from 1904, which was a presidential year. The Republican ticket showed the greatest loss in this respect, especially in the cities.

In claiming the election of Mr. Hughes by a large plurality Republican State Chairman Woodruff said: "I knew all along we had lost the labor vote. Every possible thing was done to recover it, but I think without avail." Mr. Hughes said: "I am very much gratified if I am elected, as now seems to be the case. Whatever my plurality may be, my feeling is not one of elation, but of responsibility."

Neither Max F. Ihmsen, chairman of the Independence league; W. J. Connors, chairman of the Democratic state committee; nor Mr. Hearst was willing to make a statement. There were many odd turns to the balloting. Here in New York it was Richmond borough that defeated Mr. Hearst for mayor a year ago, and it was Brooklyn, with a big plurality, which helped him to make the race so

close. Mr. Hearst barely carried Brooklyn and ran far ahead in Richmond. In Schenectady, one of the best organized labor cities in the United States, it was expected Mr. Hearst would have a substantial plurality. The Republican ticket was successful by 374 votes as against a Higgins plurality of 1,621 two years ago.

While both the state senate and assembly will be strongly Republican, the Democrats are claiming that they have made gains. The complexion of the New York congressional delegation, it is believed, will undergo but a slight change if any.

After receiving the returns last night Max F. Ihmsen, campaign manager for Mr. Hearst, sent to Independence league leaders throughout the state the following telegram:

"Urges your watchers to utmost vigilance. Returns from Republican strongholds everywhere withheld. Compel immediate declaration of results. Hearst elected by 50,000. Don't permit victory to be snatched away by fraud. Fight for your rights. Get out the Senator Peurose last night claimed the election of Stuart (Rep.) for gov-

ernor by more than 100,000 plurality and the election of Rotan (Rep.) for district attorney of Philadelphia by 40,000.

The returns show Republican gains throughout the state and indicate the election of Stuart (Rep.) for governor by a large plurality over Emery (Fusion). In Philadelphia, Rotan (Rep.) is elected district attorney, defeating Gibboney (Fusion).

Returns for governor of Massachusetts from 240 cities and towns, including Boston, give Guild 124,079 and Moran 110,826. Same in 1905 gave Guild (Rep.) 100,885 and Bartlett (Dem.) 103,903. This shows a Republican gain of 18 per cent and a Democratic gain of 6 1/2 per cent, and upon this basis Guild's plurality in the state is estimated at 57,000.

The state of Boston complete is: Guild (Rep.), 37,233; Moran (Dem.), 50,815; plurality for Moran, 13,582. Last year: Guild, 50,049; Bartlett, 47,878; Bartlett's plurality, 17,229. Reports from 130 towns of Connecticut show that large Republican majorities have been returned for the entire state ticket, the four district congressmen and for congressman-at-large. There is a slight gain by the Democrats in the state senate and house of representatives. For governor Woodruff (Rep.) is given 33,297 votes and Thayer (Dem.) 20,197 in 130 towns. Complete returns from Buffalo as received here were Hughes 31,982, Hughes 32,012.

Utica complete returns give Hughes 7,586, Hearst 6,928. Little Falls complete returns give Hughes 1,119, Hearst 1,482. Syracuse complete returns give Hughes 15,576, Hearst 11,750. In 1904 Higgins received 10,076, Herrick 11,086; Democratic gain, 214. Wayne county has gone for Hughes by 8,800 majority. This is a gain of about 500 over the Higgins plurality two years ago. The city of Albany has gone Republican by about 9,000.

First returns from Orange county, the home of former Governor Odell, show tremendous losses for the Republican state ticket. The city of Amsterdam, one of the industrial centers near the Hudson valley, gives 170 Republican plurality. Two years ago the Republicans had close to 800 plurality there. The city of Utica was carried by the Democratic state ticket by 192 in a total vote of 13,200. President Roosevelt's home, Oyster Bay, gave Hughes a plurality of 105.

The city of Troy (complete) gives Hearst 9,252, Hughes 9,080. In 1904 Herrick 8,311, Higgins 9,761. This shows a Republican loss of 1,616 votes. In 1904 Rensselaer county, of which Troy is the principal voting section, gave Higgins a plurality of 4,000. Erie county (complete) gives Hughes a plurality of 1,500. Rochester, the center of Monroe county, was carried by Hearst by 731 plurality in a total vote of 35,000. The Republicans had figured on carrying Monroe county by 10,000. Elmira, the largest city in Chemung county, was carried by Hearst. The total vote, which was considerably less than in 1904, indicates a net loss in the city of 1,095 votes for the Republican state ticket.

Chemung county, which gave Governor Higgins 1,100 plurality two years ago, was carried by Hearst by 896 in a total of 7,000 votes. Steuben county will probably give Hughes a plurality of 2,700. In 1904 Higgins carried the county by 4,300. Dispatches from Chicago indicate that the Republicans have elected 114 congressmen and the Democrats 81.

The Democratic figures include Alabama 9, Arkansas 7, Louisiana 7, Georgia 11, Mississippi 9, Texas 16, Florida 3, Virginia 9; total, 71. The Democrats have gained one district in Maryland, one in Illinois and one in New Jersey and the Republicans one in Kentucky. The constitution of the new state of Oklahoma will be written by Democrats. Vernon Whiting, secretary of the Oklahoma Republican central committee, concedes the Democrats the three delegates, while Chairman Jesse Dunn of the Democratic committee says there will be at least seventy-eight Democratic delegates on the floor of the convention. Republican managers admit that Oklahoma has proved a great disappointment. The "unknown" quantity of the Indian Territory was a concession to the Democrats, but nine Oklahoma districts, counted out by the Republican leaders, were carried by the opposition. The Osage nation elected two Democrats. The Indians as a general rule voted the Democratic ticket.

In North Carolina the vote was light, but is estimated to have gone Democratic by about 30,000. The Eighth district is doubtful, with two counties showing Democratic gains of 450 over two years ago. The Tenth district is close, with the Democrats slightly in the lead.

Preliminary returns from North Dakota show that Fisk has been elected judge of the state supreme court over Knauf, the Republican nominee. For governor, Saries (Rep.) and the rest of the Republican ticket is elected. Saries had a close call. Burke (Dem.) for governor carried Fargo by a big majority. Eighty-six precincts of Iowa show a Republican loss of 33 per cent per precinct, indicating Governor Cummins (Rep.) elected by safe plurality. One hundred and forty-seven precincts in Indiana give Sims (Rep.) for secretary of state 28,939; Cox, 23,441.

A Milwaukee district attorney (Rep.) is elected district attorney of Milwaukee over McGovern, the Independent Republican La Follette candidate, by at least 3,000 plurality.

Stocksager (Dem.), for governor of Idaho, has carried Ada county against Gooding (Rep.), who is running behind his ticket. The legislative ticket seems to be Republican. Republican managers still claim Gooding's election. Returns from New Mexico give joint statehood a majority of 2,000. Reports so far received indicate that the territory will go for jointure by from 4,000 to 7,000. Early reports indicate the election of Andrews (Rep.) delegate to congress.

A large vote was polled in Delaware, and advice received state that Democratic candidates for representatives were elected in the Fourth, Fifth and Eighth representative districts of Kent county. The Fifth is United States Senator Allee's home district in Dover. This is a Democratic gain. The election in South Carolina was without incident, and a very small vote was polled. For governor, M. F. Ansel (Dem.), and the entire state ticket was elected, the only opposition being J. L. Chandler, who received half a hundred Socialist votes. Seven Democratic congressmen were elected, five without opposition.

Returns from New Jersey indicate that the Republicans will have forty-four members of the house of assembly and the Democrats sixteen. This will give the Republicans a majority on joint ballot of thirty-nine and make certain the re-election of John F. Dryden to the United States senate. Essex county is close, but looks safe for the majority of the Republican assembly candidates. Last night the New York World claimed that Lewis S. Chanler, the Democratic and Independence league candidate for lieutenant governor, has been elected. The entire Republican state ticket have been elected in Michigan.

The effort of Mr. Moran's speeches in the few cities in which he was heard was frequently shown in the cutting down of the Republican lead by the increase in the Democratic vote. The election was one of the most spirited that has been held in this state for a decade and was exceedingly exhausting to the two candidates. Mr. Moran especially being near a state of collapse at the close of each rally. Governor Guild expressed himself as very much gratified at the indorsement of his administration, while Mr. Moran, after learning the result, refused to comment upon the success of his opponent.

SWEEP CONNECTICUT.
The Entire Republican State Ticket Elected.
NEW HAVEN, Conn., Nov. 7.—The Republicans won almost as sweeping a victory in Connecticut as they did two years ago, the pluralities being far greater than in the off year and comparing very favorably with the high tide of votes that swept the state in 1904. The entire state ticket, all the five congressmen and almost as many seats in the senate and house as they held at the session of the general assembly were captured by the Republicans. Mayor Charles F. Thayer of Norwich, an advocate of municipal ownership, fared no better as a candidate for governor than did previous nominees of the Democratic party who have been less radical in their opinions. The great organized labor vote in Connecticut did not materially increase

CURTIS GUILD, JR.

smoothly throughout the state. Comparatively little money was used in the campaign in the way of advertising and placard work, and at the polls the Republicans relied, as did their opponents, on party loyalty as the incentive for the vote to come to the polls. The active campaigning by Governor Guild and other Republican leaders and the disaffection of a large number of Democrats who openly opposed Mr. Moran's candidacy resulted in cutting down the Democratic plurality in Boston from 17,435, given Bartlett last year, to 13,082, given Mr. Moran this election. Mr. Moran ran very well, especially in the mill districts, cutting down Governor Guild's plurality in Fall River from 900 votes last year to six votes. The effort of Mr. Moran's speeches in the few cities in which he was heard was frequently shown in the cutting down of the Republican lead by the increase in the Democratic vote. The election was one of the most spirited that has been held in this state for a decade and was exceedingly exhausting to the two candidates. error Floyd (Rep.) 8,002 and Jameson (Dem.) 6,415. Same in 1902 gave Racheider (Rep.) 8,088 and Hollis (Dem.) 6,580. These returns indicate Floyd's election by 5,000.

GOVERNOR GUILD RE-ELECTED.
Republican Candidate Defeated J. B. Moran in Bay State.
BOSTON, Nov. 7.—The Republicans after a short but very spirited campaign were victors in the state election here. Governor Guild being re-elected by a considerably increased plurality over last year, while his opponent, District Attorney John B. Moran of Boston, the candidate of the Democratic and Prohibition parties and Independence league, received a somewhat larger vote than that given the Democratic leader a year ago. With two-thirds of the state vote tabulated, Mr. Guild's plurality is estimated at about 37,000. The Republicans re-elected their entire state ticket, although Lieutenant Governor Draper fell considerably behind Governor Guild.

The next legislature will be Republican by the usual large majority in both houses, and this will insure the election of United States Senator W. Murray Crane of Dalton, who is at present completing a brief term, having been appointed by Governor Bates upon the death of Senator Hoar.

The Massachusetts delegation to congress will remain practically the same, although spirited contests in the Fifth and Sixth, Tenth and Eleventh districts made the result in those sections doubtful at an early stage of the tabulation. The election passed off without incident, and the voters were favored with a clear, cool fall day.

The outcome of the election was a considerable disappointment to Mr. Moran and his loyal fellow campaigners—E. Gerry Brown of Brockton, candidate for lieutenant governor, and George Fred Williams of Dedham. The Moran campaign was handicapped by lack of organization, a meager campaign fund and opposition from a large number of former leaders. The vote came from the wage earners principally, as was shown by the strong indorsement given the Suffolk county district attorney in nearly all the mill cities and other industrial centers. Governor Guild had the benefit of the regular party organization, which ran

Memphis Police Force Mutiny.
MEMPHIS, Tenn., Nov. 7.—A mutiny of nearly every member of the police force of Memphis, headed by Chief George T. O'Haver, occurred yesterday. As a result this city has two chiefs of police. Early in the day Mayor James H. Malone appeared at police headquarters and informed Chief of Police O'Haver and the patrolmen that he desired to change their election day assignments. The mayor explained that he feared trouble at the polls, and, acting under the recent city charter, which under certain conditions gave him authority to take full charge of the police department, he would expect obedience to his orders. Chief O'Haver said that he would not consent to the reassignment, whereupon Mayor Malone suspended the chief on a charge of insubordination. The mayor then appointed Police Sergeant W. J. Hayes acting chief.

Forced Him to Hoist Irish Flag.
NEW YORK, Nov. 7.—"This is an Irish vessel, and there'll be no shillin' unless you float the green and the harp from the foremast." With those words longshoremen at the Erie basin folded their arms and gazed vacantly at Captain Graham of the Irish Monitor, which was about to sail for Australian ports. In vain the captain pleaded to allow the "Blue Peter" to remain at the masthead, but the Irish longshoremen paid no attention to him. Finally he turned to the crew of the tugboat engaged to pull the vessel in to midstream, but the crew were Irish, too, and they refused to move the ship unless the Irish flag was displayed. The captain had at last yielded.

Mr. Keene also won the Babylon handicap with Zambet. He won in a drive by a head. Expansionist won the Buswick steepchase. Vell scored the third victory of the day for the Keene stable. the vote of Charles J. Donahue, state president of the Federation of Labor, who ran for congressman at large against George L. Lilley, over that given in previous years to lawyers who were nominated for the same office. Local contests, chiefly those for sheriff and probate judgeships, made the results in the city somewhat mixed, but in nearly all of them the Republican losses were offset by the solid party vote polled in all the country districts.

VOTED IN A LAUNDRY.

President Roosevelt, with Secretary Loeb, visited Oyster Bay. WASHINGTON, Nov. 7.—President Roosevelt arrived in Washington from Oyster Bay, where he voted last evening at 8:10 o'clock. He was accompanied from New York by Secretary Root and as far as West Philadelphia by Mrs. Douglas Robinson, the president's sister. Secretary Loeb also returned with the president.

After being accompanied in Oyster Bay wherever he went by enthusiastic crowds and having shaken hands until he was tired President Roosevelt cast his vote there for the Republican candidate.

President Roosevelt left Washington a few minutes after midnight in the private car Signal, attached to the New York express due in Jersey City at 7 o'clock. From Jersey City to Long Island City he journeyed in the tug Lancaster and then embarked in the private car of Ralph M. Peters, president of the Long Island railroad, to Oyster Bay. Postmaster General Cortelyou was with him, as well as Mr. Loeb.

When the train arrived at Oyster Bay, Sheriff Johnson was the first to rush forward and shake Mr. Roosevelt's hand. The crowd then pressed forward, and the president was kept busy for a few minutes grasping hands right and left. He then entered a carriage and was driven to the polling place of the Fifth district in East Main street. The lower part of the building is occupied by a Chinese laundry, and the president had to pass through this and up a short flight of stairs to get to the booth.

The president then shook hands with all the election officers and disappeared inside the booth. He was there for less than a minute, and when he emerged the chairman announced in a loud voice: "Theodore Roosevelt votes ballot No. 94." Secretary Loeb then voted. President Roosevelt talked for a few minutes with local celebrities, and his face lighted up when they all expressed the opinion that Hughes was going to win. After more handshaking the president and Messrs. Loeb and Cortelyou drove to Sagamore Hill with Mrs. J. West Roosevelt in her carriage.

On his trip from Washington, after leaving the train at Jersey City, the president shook hands with Thomas Morse, conductor, and T. A. Sheara, engine driver, and Fireman S. E. Masters. Before the presidential party went on the tug Chief of Police Murphy, speaking to Mr. Roosevelt, said: "Well, I see you got one turkey on your trip." "Yes," replied Mr. Roosevelt, "and it was worth the trip."
