MISS EMMA L. PAGE

Athens—Miss Emma L. Page died this morning at about 6 o'clock after an illness of several years. She was born in Brinton, England, July 23, 1829, and came to America when only 3 years old. Her father, Thomas Page, and his four daughters, landed in Georgetown, D. C., and resided in that city and in Baltimore for a short time when they removed to what is now called the Page farm in Milan, making the journey through the wilderness in a stage. Miss Page lived there until 1876, when she came to Athens to live with her sister, Mrs. J. A. Bristol. For the past two years she has been an invalid and has been under the tender, skilful care of the Misses Hancock, 115 South Main street, Athens, where she died. She was an earnest christian and a devoted member of the Baptist church, attending all its services until her health failed five years ago. She is survived by one sister, Mrs. Raymond M. Welles of Towanda, and three brothers, Fred N. Page of Williamsport, George C. Page of Milan and F. T. Page of Athens. Her funeral will be private from the residence of the Misses Hancock, Friday afternoon at 2:30.

KIPP CARRIES ATHENS

The election although it engaged the active energies of our local politicians was conducted with the utmost good feeling and its results show a decided majority for the fusion ticket. The straight Republican and Democratic tickets were about evenly divided and the fusion element showed its strength mainly in the mixed tickets. The vote for governor and congressman run very nearly together with majorities for Emery for Governor of 179 and for Kipp 176. The following is the vote by wards:

	1st W	2nd	3rd	4th	Total
Stuart R	77	73	92	65	307
Emery F	165	126	113	72	476
Lilley R	89	79	70	60	310
Kipp D	152	133	129	72	486

For the Legislature Stevens R received 759 votes, Moscrip 687. For Jury Commissioner Scott R received 493 votes and Graham D 269. The vote was about two thirds the voting strength of the borough. The Prohibition vote was 43 in the total.

Permanent Dentistry

Our patrons say we have the disposition to please. We keep our promises.

A quarter of a century ago we placed some gold fillings in the teeth of a well known gentleman at present a resident of Sayre. These fillings today are just as bright, firm and useful as the day they were made. We will tell you the name of the party, if you wish to see him yourself.

There are variations in dental workmanship, just as there are differences in the various brands of flour. If you desire the highest degree of proficiency—the skill and knowledge that will make YOUR fillings serviceable twenty-five years from today—come in or phone for an appointment. On the other hand, if you take pleasure in having your teeth filled over and over again every year or two, you should go elsewhere—we do not do that kind of work.

TROOPS IN DISGRACE

President Orders Dismissal of Entire Negro Battalion.

HAD DISHONORED UNIFORM IS RIOT

Colonel W. L. Picher censured by Roosevelt and May Be Brought to Court Martial For Abuse of Colored Soldiers.

WASHINGTON, Nov. 7.—Unprecedented in the history of the army of the United States is the action of the president, just announced, in dismissing in disgrace from that army an entire battalion of colored troops because of their failure to disclose the identity of some of their number who had been guilty of violence and murder.

As an evidence, however, of his intention to be fair to the colored troops the president has accompanied this act by an order which may amount to the court martial of a white army officer of high grade who was charged with having cast slurs upon the colored troops.

The story of both actions is told in the following official correspondence made public by the military secretary:

"The report of an investigation made by Brigadier General E. A. Garlington, inspector general of the army, relative to the riotous disturbance that occurred at Brownsville, Tex., on the night of Aug. 13, 1906, and that resulted in the death of one and the wounding of another citizen of that city has been considered and acted upon by the president.

"The following is the concluding portion of General Garlington's report, which embodies the recommendations that by direction of the president will be carried into effect immediately by the war department:

"I recommend that orders be issued as soon as practicable discharging without honor every man in Companies B, C and D of the Twenty-fifth infantry, serving at Fort Brown, Tex., on the night of Aug. 13, 1906, and forever debarring them from re-enlisting in the army or navy of the United States as well as from employment in any civil capacity under the government.

"In making this recommendation I recognize the fact that a number of men who have no direct knowledge as to the identity of the men of the Twenty-fifth infantry who actually fired the shots on the night of the 13th of August, 1906, will incur this extreme penalty.

"It has been established by careful investigation beyond reasonable doubt that the firing into the houses of the citizens of Brownsville while the inhabitants thereof were pursuing their peaceful vocations of sleeping and by which one citizen was killed and the chief of police so seriously wounded that he lost an arm was done by enlisted men of the Twenty-fifth infantry, belonging to the battalion stationed at Fort Brown. After due opportunity and notice the enlisted men of the Twenty-fifth infantry have failed to tell all that it is reasonable to be-

lieve they know concerning the shooting.

"There has appeared in the public press the following account of a statement alleged to have been made with regard to the matter by Colonel William L. Picher, Twenty-seventh infantry:

"The negro troops would never have been quartered at Fort Sheridan without a protest if I was to remain in command here," said Colonel Picher. "I never liked them, and the farther away from me they are kept the better it pleases me. For the life of me I cannot see why the United States should try to make soldiers out of them. Certainly there are enough fine white young men in this big country to make soldiers of without recruiting from such a source."

"This alleged statement by Colonel Picher having been brought to the attention of the president, the following communication with regard to it was sent to the war department by Secretary Loeb:

"The president directs that an immediate report be called for from Colonel Picher to know whether or not he is correctly quoted in the enclosed clipping, and if he is correctly quoted the president directs that proceedings be taken against him for such punishment as can be inflicted. The president thinks that such conduct is but little better than that of the offending negro troops themselves."

Democratic Challengers Jailed.

BOISE, Ida., Nov. 7.—In Fremont county Democratic challengers, on the advice of the Republican committee, have been arrested at all precincts, thrown in jail and refused bail. In Hancock county the judges refused to administer the oath to those challenged and permitted them to vote. These are so called Mormon counties, where the Democrats sought to shut out Mormon Republicans by challenging them for alleged constitutional disqualification on account of their religious belief.
