GILLETTE ON TRIAL

Big Moose Lake Murder Case at Herkimer.

DRAMATIC SCENES MARKED OPENING

Prisoner Lost Calmness When Sister of Dead Girl Suddenly Appeared Before Him—Impudent Talesman Says "Guilty."

HERKIMER, N. Y., Nov. 15.—The lawyers in the Gillette murder trial continued the selection of a jury which has been in progress all the week. The prosecution is ready to submit testimony that Chester Gillette had wronged Grace Brown under promise of marriage and that then, when he lured Miss Brown to lonely Big Moose lake, enticed her into a boat and upset it and drowned her.

The defense will be that Grace Brown was accidentally drowned. Nettie Benedict is expected to swear that she and Gillette were not engaged and that there was no love between them. Probably the most powerful link in the chain of purely circumstantial evidence the state will introduce will be the actions of Gillette after the drowning of the girl. Leaving the swamped boat and the dead girl, he did not return to the lodge at the head of the lake, where he had obtained the boat, but cut through the dense woods of the Adirondacks, walking many miles in an effort to reach Gray's Landing.

GRACE BROWN.

On his way he met two guides, to whom he spoke and from whom he asked directions. He did not tell either of the tragedy. It was not until after his arrest that he said Miss Brown had tried to change places with him in the boat, when the craft upset and both were sent into the water. Dramatic scenes marked the proceedings. When the young prisoner walked into court he found himself face to face with the parents of the dead girl. This is the first time they had attended the trial. Young Gillette was visibly affected. He paled, and his feet staggered for a moment. Then he gazed on the floor and walked on.

Mrs. Brown, the mother, clutched her husband's arm while the latter glanced at the prisoner. Gillette lost his calm demeanor, however, when he found himself face to face with Frances Brown, a sister of the Big Moose lake victim. She bears a striking resemblance to the girl that was killed, so much so that the sisters were often taken for twins. Frances took a seat, with her sister Mary, facing the door through which the prisoner entered. When Gillette was brought in and he saw the girl, almost a counterpart of his dead sweetheart, staring at him the young prisoner groaned audibly and covered his face with his hand. The two sisters became the cynosure of all eyes, and they were greatly embarrassed by their position.

A sensation was caused when one of the talesmen being examined as to his fitness to serve replied that he believed Gillette to be guilty. The talesman was Henry J. Smith of German Flats. Smith when asked if he had formed any opinion in the case promptly answered: "Yes. He's guilty."

Instantly District Attorney Ward and the defendant's counsel were on their feet and appealed to the court to punish the talesman. Judge Vandeventer summoned Smith before him. The court said: "If I did not believe that you had not meant to violate the law I should fine you for contempt of court. Let this be a lesson to you never to volunteer any information when being questioned. You are excused from jury duty."

During most of the proceedings Gillette maintained a smiling demeanor and chewed gum nonchalantly.

Sultan Thanks Bandit Hainali. TANGHER, Nov. 15.—A report here says that the foreign band of Morocco has recognized Hainali as pasha of Arzila. A letter Hainali received from the sultan only thanked him for the rapid restoration of order at Arzila. Officials contradict various reports of the growing hatred of the natives against Christians.

Mistaken For a Bear and Killed. MALONE, N. Y., Nov. 15.—H. J. Buell of Constable, while hunting in the woods at Kushnqua, was mistaken for a deer and shot. He died instantly. Buell was thirty-four years old. He had been in the woods for several days with a party of hunters from Constable.

COUNTESS GETS DIVORCE.

Boat de Castellane Now Minus Wife, Fortune and Reputation.

PARIS, Nov. 15.—The tribunal of first instance of the Seine, Judge Dille presiding, granted a divorce to the Countess de Castellane (formerly Anna Gould of New York) and gave her the custody of her children, who, however, will not be allowed to be taken from France without the consent of their father, Count Boni de Castellane. The count is given the right, which was not contested, to see the children at stated periods at the home of their grandmother and keep them a month annually during the holidays. The count's demand for an "alimentary allowance of \$50,000 annually" was pronounced by the court to be without foundation in law and was rejected.

The only point decided in the count's favor was the imposition of an inhibition on the countess to take the children out of France without their father's consent. The three children of the Castellanes are George, Boni and Jay, the last being the youngest and named after the late Jay Gould. The judgment is given with costs against the count.

Stripped of the details of the text, the formal counts upon which the attorney for the Countess de Castellane asked for a divorce were as follows: Soon after the marriage in 1895 Count de Castellane began the purchase of furniture at ridiculously exorbitant prices and immediately resold it. When the plaintiff protested the count abused her in the presence of servants. Upon the slightest pretext Count de Castellane created scenes, going to the extent of striking the plaintiff. In the course of the autumn of 1895 the countess was brutally pinched by her husband, and the next day, while she was still suffering from his violence, she revealed the fact to an American friend who was a guest at the chateau.

Gould Bears of Sister's Victory. DENVER, Nov. 15.—George J. Gould and party and a tour of inspection of the Gould railroad properties here and departed for the east. When informed of the success of his sister's suit at Paris, Mr. Gould said: "The decision is fair and just. It was really the only finding that could have been made by an impartial court in view of the evidence. I am certainly pleased with the outcome, but do not care to discuss the matter further."

BOOKMAKER IS A CRIME.

William Davis, Found Guilty at Bennington, Imprisoned Two Hours. WASHINGTON, Nov. 15.—Bookmaking as it has been carried on at the Bennington race track was declared illegal, and William Davis, who volunteered himself a defendant to test the law, was declared guilty and sentenced to imprisonment for two hours. The case turned on the construction of the law prohibiting "setting up a gaming table" in the District of Columbia. The defense admitted the paraphernalia of a bookmaker consisted of stools and a cash box and that a definite location was assigned to each bookmaker in the betting ring.

Judge Stafford, presiding, charged the jury that if it found the conditions described to be actual facts a verdict of guilty should be brought in. The jury deliberated one hour and twenty minutes, when the verdict of "guilty as charged" was rendered. An appeal was at once taken. The trial has been a matter of great interest to the racing world in view of the fall meeting of the Washington Jockey club to begin Friday. The decision is regarded as far reaching. In pronouncing sentence upon Davis, Judge Stafford commented on the fact that the case was in the nature of a friendly one, that the law might be tested; that the defendant had aided the prosecution in many ways by admitting the contentions of the authorities regarding the evidence, all of which he gave as a reason for his conviction; that future offenders would not be treated so leniently.

Fight in Cheyenne Streets. CHEYENNE, Wyo., Nov. 15.—A desperate fight occurred on the streets of Cheyenne when a detachment of artillerymen from Fort Russell attacked a number of infantry men, all on leave. Each side fought desperately with knives. Five men were cut and slashed, one of whom is expected to die. The wounded were taken to the hospital. The cause of the fight is an old feud existing between the two arms of the service.

Wealthy Newburger Fatally Hurt. KINGSTON, N. Y., Nov. 15.—Thomas Dinnah of Newburgh, a wealthy brick yard owner, is suffering from a fractured skull at the Kingston City hospital as a result of being thrown from his horse when it was frightened at an automobile. The automobile party did not give their names. Dinnah is not expected to recover.

Girl Terrorized to Die. ODESSA, Nov. 15.—Five terrorists, including a girl, were tried by court martial for having thrown a bomb in a cafe and thereby injuring two persons. Two of the men and the girl were sentenced to death. The other two men were given seventeen years' penal servitude.

Entire Train Destroyed by Fire. HOUSTON, Tex., Nov. 15.—An entire freight train, consisting of seventeen cars, fifteen of which were loaded with cotton, was destroyed by fire on the Santa Fe railroad four miles south of Brenham, Tex. The damage is \$300,000.

JOHN D. IS INDICTED

Standard Oil Chief Accused of Violating Antitrust Law.

WARRANT IN SHERIFF'S HANDS.

Head of Giant Monopoly and Four Other Officials Must Answer in Law Courts of Ohio at an Early Date. FINDLAY, O., Nov. 15.—State Prosecutor David has admitted that the grand jury has voted an indictment against John D. Rockefeller on the charge of violating the Valentine anti-trust act. Mr. David stated that no attempt would be made to compel Mr. Rockefeller to come to Ohio at this time because his attorneys had already entered court for him in the probate court in a previous action against the Standard Oil company.

Mr. David added, "Some other indictment of men against whom indictments have been voted will be brought into court within a few hours." The grand jury found indictments against John D. Rockefeller and four other persons in connection with the Standard Oil inquiry, which was reopened here.

JOHN D. ROCKEFELLER.

What the indictments allege or who the four other defendants in addition to Mr. Rockefeller are was not given out by Prosecutor David, who, however, admitted the indictments had been returned. The bench warrants issued upon the indictments were placed in the hands of Sheriff Groves, who took them and went to Cleveland, where it is supposed they are to be served.

The report of the grand jury will be made public either today or Friday, and the indictments returned are at present in possession of the clerk of courts of this county. It is understood the indictments charge the defendants with having continued to contract the oil production and to fix prices on and after July 7, 1906, in violation of the Valentine anti-trust act, a state law under which the recent prosecution of the Standard Oil company in this county was conducted and in which a fine of \$5,000 was imposed by the probate court.

Officials Say Bank Is Sound. NEW BRUNSWICK, N. J., Nov. 15.—During a run on the State bank here several prominent citizens assured suspicious depositors that the bank was sound and warned them that they should not insist on withdrawing their money until six months' interest, payable Jan. 1. Many citizens then forced their way to the teller's window and made large deposits to show their faith in the bank. Congressman Benjamin F. Howell, vice president of the bank, said there was absolutely no reason for distrust in it.

GRAFT IN SAN FRANCISCO.

President Moving Spirit in New Inquiry—Relief Fund Robbed.

SAN FRANCISCO, Nov. 15.—The Chronicle says: A new investigation is progressing in the course of developments in the local graft scandal. It now appears that many sums of money, large and small, that were sent from different states to San Francisco for the relief of the sufferers from the calamity never reached the relief committee. Some of these amounts, which aggregated a large sum, were mailed to the care of Mayor Schmitz. F. J. Heney, Detective William Burns and about a hundred government agents have been making an investigation of the matter. President Roosevelt is the moving spirit behind the inquiry, and he declares that no man guilty of diverting the relief funds shall escape justice.

The cases come within the jurisdiction of the federal authorities because of the interstate character of the postal service, which it is alleged was criminally tampered with. A considerable sum of money was also sent through the express companies, and Wells Fargo, which company is now investigating the disappearance of \$10,500 sent in one package from the citizens of Searchlight, Nev., which the relief committee say they never received and which the company says was delivered to the representative of the committee to whom it was addressed.

The crime of forgery is said to be included in the offenses of the raiders of the relief contributions. It is said that in the aggregate, the stealings will amount to \$1,000,000. Word was received here that Mayor Schmitz sailed from Europe for New York on Nov. 7 on the steamship Patriotic, and that he would arrive in New York probably on Thursday of next week.

LIKE "MELICAN" MAN.

A Chinese Jockey Introduced into American Racing at Aqueduct. NEW YORK, Nov. 15.—Stray, quoted at 15 to 1, won the Oakdale handicap, at six furlongs, at Aqueduct. He took the lead early and won easily. But one favorite was successful. The yellow purl has at last struck the race track. For the first time in the history of the sport in this country a Chinese boy had the mount in a race. James is what the jockey board said his name was, and he had the mount on Roswell, a 100 to 1 shot. He has been galloping horses for the Delta racing stable for some time and made such rapid strides that it was decided to intrust him with a mount in an actual race. It can't be said that his debut was particularly successful, for he was off last and never was heard of thereafter. Summaries: First Race—Beaulieu, first; Judge Davey, second; Reside, third. Second Race—Mintia, first; Varieties, second; Bon Mot, third. Third Race—Stray, first; Zamboni, second; Malachance, third. Fourth Race—A. Minskoday, first; Palette, second; Sir Ralph, third. Fifth Race—Handzerra, first; Gin, second; Dreamer, third. Sixth Race—Transmute, first; Mollie Donohue, second; Cloisterer, third.
