PLEASANTLY SURPRISED

A surprise party was given last night by Mr. and Mrs. A. R. Swartwood at their home on North Elmer avenue in honor of their two daughters Jessie and Jennie. The two young ladies had been induced to go call on some neighbors, and after the crowd had assembled at their home they were induced to return by the statement that there were friends from out of town who wished to see them. Their surprise was complete when they saw the party assembled. The evening was passed very pleasantly with games and music. Excellent refreshments were served and the hour was late when the guests finally departed for their homes.

SPECIAL OFFICER RESIGNS

J. J. Johanson, who has been a member of the Lehigh Valley special officer force for several years, during which time he has rendered efficient service, has tendered his resignation to take effect on the first of December. While connected with the Lehigh he has acquired a host of friends in this place, and has been regarded by his superiors as a painstaking energetic officer. His decision to leave the employ of the company will be regretted by many friends. He is to be succeeded by Mr. Douglass, of Wilkes-Barre, who has been connected with this branch of the Lehigh's service for several years.

PATRIARCHS, ATTENTION!

There will be a regular meeting of Sayre encampment No. 52, I. O. O. F., this evening at which the royal purple degree will be conferred, and business of importance to every patriarch will come before the encampment. All patriarchs are earnestly requested to attend.

ENGINE STRUCK HACK

Lehigh Valley shift engine No. 61 struck a hack at a crossing at Towanda yesterday, and the vehicle was sent to the shop for repairs. The rear axle was badly bent and the conveyance was otherwise damaged. There was no one in the hack and therefore no one was injured.

CITY CLUB HUNT

The Sayre City club has arranged for a club hunt to take place on November 29 and 30. Captains will be chosen and the men divided into two parties. Game will be counted as points. Cows are marked at 120, while a horse will score three points. In the matter of geese and hogs the markings will be liberal. A hog will score 64 while a goose gets 22. Smaller game is marked accordingly and it must be in the club rooms before nine o'clock p. m., on Saturday December 1. A game supper will be served in the club rooms on Saturday evening. In order to participate as a hunter you must enroll your name on or before Wednesday next.

SHE GOT BUSY

It takes a woman to do things that it takes a woman to rush in where a well balanced man would fear to tread. The other day the grand jury at Towanda failed to return an indictment against a certain man, and placed the costs on the prosecutor which in this commonwealth is perfectly legitimate. The prosecutor failed to have the coin wherewith to liquidate and he was consigned to jail. His wife was informed of her husband's incarceration and she got busy. With her six children she besieged the court house and after visiting every office in the edifice succeeded in getting her husband released. She threatened to turn her whole family over to the county for support. As a matter of economy it was thought best to liberate her husband.

DARING BURGLAR ELUDED PURSUIT

Hurled Stone Through Window, Secured Three Dollars and Then Vamoosed.

Just before 12 o'clock last night a man whose identity is as yet unknown hurled a cobble stone through one of the plate glass windows in Bolton Bros' store on Packer avenue, seized three one-dollar bills which lay on the inside of the show window for advertising purposes, and although he was immediately pursued by Officer J. Lewis and the Wilbur house bar tender the thief succeeded in making good his escape. The robbery was probably the most daring that has occurred in Sayre in years. Officer Lewis and the bartender stood on the corner of Packer avenue and Desmond street. They noticed a man standing in front of Bolton's store, which is in the neighborhood of one hundred feet from the corner. They heard a crash of falling glass and upon looking saw the man reach through the window, quickly withdraw his arm, and then dash away. The officer and bartender gave chase at once, but the object of their pursuit eluded them in the alley.

The three one dollar bills which the bold thief secured were attached to a card, on which were printed the following: "Three of a kind take one pair." The inscription referred to a display of shoes in the window, and as the store was lighted on the inside the thief had no difficulty in getting hold of the money after he had once broken the window. The latter is an expensive affair and will cost probably \$75 to replace it. The miscreant is described as a tall man, dressed in dark clothes and wore a long overcoat. The police are working on the case, but as yet have obtained no clue as to the man's identity.

TOGA CHAPTER D. A. R.

Toiga chapter Daughters of the American Revolution was very pleasantly entertained Wednesday afternoon at the home of Mrs. Abbe, who is a member of the Philadelphia chapter. Thirty-one members and their guests were present. Mrs. Maurice, the regent, presided, and used the D. A. R. ritual for the first time. Capt. Albertson of Waverly has presented to the chapter two very valuable books, "General Sullivan's Indian Expedition" and "Centennial Celebration of the State of New York." It was voted to send Capt. Albertson a note of thanks for his gift. Sunday school articles and letters were read. One letter was read from the regent of the chapter at Brunswick, Ga., giving an account of their planting a liberty tree in soil presented by 49 states and territories, and the ceremonies attending their planting. A very interesting paper on "The Meschianzi" was read by Mrs. Strong. Mrs. Maurice gave a fine report of the state conference held in Clearfield last week, and which was largely attended by daughters from all parts of the state. Mrs. Donald McLean, the president-general of the D. A. R., was present and gave a most inspiring address. After the meeting adjourned refreshments were served and the members enjoyed a social hour. The next meeting of the chapter will be held the third Wednesday in January.

John E. Sisson and Miss Clara Stevens were united in marriage last evening at the home of the former's aunt, Mrs. Vernie Bensley, of Waverly, the Rev. J. F. Warner pastor of the Sayre M. E. church, officiating. Orrin Stevens, a brother of the bride, acted as best man, while the bride was attended by Ruby Sisson, a sister of the groom. The groom is the son of Mr. and Mrs. D. J. Sisson of Milltown, while his bride is the highly respected daughter of Mr. and Mrs. Fred Stevens of Cayuta street. Mr. and Mrs. Sisson will leave tomorrow night for Trenton, N. J., where the former has been employed as a tinsmith by the Pennsylvania Railroad Company since February last.
