The Cradoc-Neville repertoire company which played a week stand at the Loomis some time ago, is billed for a matinee and one night at the Loomis on Wednesday next. The company is a good one and gave excellent satisfaction on the occasion of its first appearance here.

An Italian named Garminio Cuffena was taken to the county house this afternoon by overseer of the poor, George Miller. He had been ill for some time, and was taken to the hospital where it was found that he had consumption. They would not keep him there, and the only alternative was to take him to the poor house.

**SHOW GIRL SLAPPED
GAY YOUNG SPORT**

Throws Out Slurs and Insults, and Has His Face Slapped Good and Plenty.

Waverly—There is one young fellow in Waverly who last evening learned in a very impressive manner that it is not always safe to indulge in slurs and insults at the expense of a young lady who chances to be without the protection of a male escort. Last night after the performance at the Loomis by the "Weary Willie Walker" company, three of the girls, who are members of the company, went into Neaves' lunch room and ordered a lunch. Shortly after their arrival three or four young fellows entered and also ordered lunches. One of the young men proceeded to criticize the show the fling out slurs and insults that were obviously meant for the benefit of the girls. He kept it up for some time until one of the girls, named Donna Morgan, told him that it would be to his advantage to cease the kind of talk that he was indulging in. He failed to heed the warning, however and continued to express himself in the same manner.

He evidently did not take in the dimensions of the girl, who was large, and of a very athletic appearance, and just as he threw out a particularly dirty statement she arose, and handed him a good stiff slap on the side of the face, and followed it up with several more. They weren't love taps either but good solid ones that could be heard for some distance and they turned the insulter's face a beautiful red, although it was not exactly a glow that is characteristic of good health.

She told him a few facts about the kind of a man he was. The result of the encounter pleased the other young men who chanced to be present at the time, and they proceeded to make life a burden for him, and he fled from the place. He admitted later, however, that he had received just what he deserved.

**SAID SAYRE WHISKEY
MADE HIM DRUNK.**

Tried to Button Hat to Collar, but Had a Good Excuse.

Waverly—Yesterday a man wandered into a Waverly barber shop. He appeared to be under the influence of some strange drug. He was shaved, got out of the chair, walked to the rack on which his hat hung, took it down and tried to fasten it to his collar button. After several unsuccessful attempts, his attention was called to the fact that it was his hat and not his collar that he was trying to use in that manner. He admitted being somewhat groggy, but claimed to have a good excuse. He said that he had been down to Sayre, and drank some of that Sayre whiskey and that that was enough knock out any man.

**Report of the Head Physician in
a Leading New York Hospital
on the Cure of Catarrh.**

"A few years ago we considered that we were doing well if we cured ten per cent. of the cases of catarrh brought to us, but since the introduction of "Bloodine" into our hospital we cure more than 90 per cent. of all the cases of Catarrh in its various forms brought to us. Catarrh of the Head, Catarrh of the Eyes, Catarrh of the Bladder and Urethra, Catarrh of the large Intestines, Catarrh of the Larynx, Pelvic Catarrh, Catarrh of the Throat, and Catarrh of the Stomach are quickly cured with "Bloodine." It builds new tissues, gives new energy, new life, new blood and strength to any part of the body attacked by the Catarrhal germs.

Bloodine is a powerful tonic, nourishing food medicine, composed of valuable tonic stimulants obtained from vegetable drugs. "Bloodine" contains no narcotics or other dangerous drugs which merely deaden pain temporarily, but give no permanent relief or cure the cause of your disease. "Bloodine" is a powerful body builder and blood maker; it is the best remedy known to the medical profession to enrich thin, watery blood and supply new, rich red blood to the whole body.

FREE - To prove the wonderful merits of BLOODINE we will mail a large sample bottle for 10 cents in silver or stamps for postage.
