PLANTERS' STAKES.

Sir Toddington Wins in Close Decision at New Orleans.

NEW ORLEANS, Dec. 20.—The race between Sir Toddington and Allowmaise in the Planters' stakes at City park was not finally decided in favor of Sir Toddington until the stewards had conferred.

Jockey Martin, Allowmaise's rider, asserted that Sir Toddington was ridden at the finish so as to shut Allowmaise off. The stewards decided that Allowmaise had not been fouled.

Jockey Johnson was painfully injured against the fence in a crush of horses in the first race. The winners: First Race—Salvage, first; Kilts, second; Wild Irishman, third.

Second Race—Missouri Lad, first; Goutian, second; Ralbert, third.

Third Race—Naran, first; Profitable, second; Arabo, third.

Fourth Race—Sir Toddington, first; Allowmaise, second; Morilloy, third.

Fifth Race—Bostering, first; Enroy, second; James Reddick, third.

Sixth Race—Belle of the Bay, first; Bluefade, second; Western, third.

SAYS METCALFERRED

Secretary of Frisco Board Claims Report Unfair.

ONLY WANTED TO ENFORCE STATE LAW

Leffingwell Indignant at What He Claims as False Statement in Message Sent to Roosevelt on Jap Question.

SAN FRANCISCO, Dec. 20.—Secretary E. C. Leffingwell of the San Francisco board of education stated in an interview here regarding the report that Secretary Metcalf made to the president on the Japanese situation in San Francisco:

"The report made by Secretary Metcalf as exploited before congress contains many assertions and inferences which are surprising, to say the least, since they are in error and are therefore unfair, as they are applied to the members of the board of education.

"When Secretary Metcalf reached this city on his mission for President Roosevelt and the object of his visit was made known the board of education did all in its power to equip him with the facts surrounding the new order made in regard to the schooling of Japanese pupils.

"When Secretary Metcalf asserts that the Japanese and Korean exclusion league directed the board of education to enter the ruling concerning the Japanese pupils he utters that which we say is an error.

"The members of the board of education were specially careful to explain the origin of the matter to Secretary Metcalf. The board acted upon its own initiative and merely proceeded to enforce a state law."

INDICT BOSTON OFFICIALS.

Matthew Cummings and J. P. Timilty Accused of Intimidation and Graft.

BOSTON, Dec. 20.—Seven indictments, two of which were almost immediately followed by the arrest and arraignment of Matthew Cummings, national president of the Ancient Order of Hibernians and superintendent of the Boston street cleaning department, and James P. Timilty, formerly foreman of the city's paving division, were returned by the Suffolk county grand jury in special session. The five remaining indictments will not be made public until after the accused persons are notified and given an opportunity to appear in court.

Cummings is charged with having intimidated and forced voters in the interest of Edward W. Dixon, a candidate for the state senate in the Sixth Suffolk district last month. The alleged offenses were committed in the Democratic primaries and were called to the attention of the district attorney by Daniel J. Kiley, who was defeated by Dixon. The candidacy of Senator Elect Dixon was supported by Mayor John F. Fitzgerald, while Kiley is a lieutenant of Martin M. Lomasney, the west end Democratic leader, who opposes the city administration.

Timilty is charged with violation of the civil service laws in employing William Craven under the name of Patrick Craven in the paving department of the city for three years after Patrick Craven had died.

Bookmakers Hard Hit. LOS ANGELES, Cal., Dec. 20.—The bookmakers were hard hit at Ascot by Dr. Crooke winning the first race. The third race was won by Lady Chiswell at 20 to 1. She had a hard drive in the stretch, but managed to head out Avontellus. The other events went to favorites.

CONTRACTOR DROPPED DEAD.

Dr. Dumesnil Summoned to Explain Documents in Dead Man's Pocket.

ST. LOUIS, Dec. 20.—Warren F. McChesney, aged sixty-nine years, a retired contractor, who was interested in politics, dropped dead in a falling store here. In his pocket were documents purporting to be receipts, dated in November, 1905, one acknowledging receipt of \$1,000 and the other \$500.

McChesney for preliminary expenses incurred in connection with the bill authorizing the construction of the St. Louis Elevated Electric railway, to be introduced in the municipal assembly at the earliest possible moment.

They were signed "A. H. Ohmann Dumesnil." Dr. A. H. Ohmann-Dumesnil is a well known physician in South St. Louis. Within an hour after McChesney's death Circuit Attorney Sages sent Detective Labarge to subpoena Dr. Dumesnil to appear before the grand jury. The detective took the doctor into custody and hurried him to the four courts to go before the grand jury.

Beyond the remark that "these receipts don't represent anything," Dr. Dumesnil declined to make any statement.

A telegram bearing the name of J. D. Harvey, dated Chicago, Dec. 10, 1905, was also found in McChesney's pocket. It read:

"Unlimited capital available for meritorious electric railway. Need more details."

McChesney was declared elected to the house of delegates in April, 1904, but lost his seat on a contest.

M. DE REYLAN A WOMAN.

Invalid of Phoenix Had Wife and Passed For Years as Man.

PHOENIX, Ariz., Dec. 20.—The death of M. de Reyhan, who came here two months ago suffering from consumption, has revealed the astonishing fact that the victim was a woman. She had masqueraded as a man for years, had served in the army, and has left a wife in Chicago.

On his arrival in this city De Reyhan, who was accompanied by a Dr. Rowe stated that he was a Russian noble man and had served with the Americans in the war with Spain.

Slight of figure and wiry, De Reyhan was evidently very much weakened by the disease that ended his career. He dressed neatly, but without ostentation, and was quiet and gentlemanly in his demeanor.

He was very proud of a large collection of medals, which he said had been presented to him for bravery in battle and for meritorious achievements in various branches of endeavor. He also exhibited some letters of commendation from President McKinley and seemed to be very proud of his record.

When the body was examined at the undertaking establishment, the secret of De Reyhan's sex was revealed. Dr. Rowe declares he had no suspicion of this point and was quite innocent of any intent to deceive.
