FARMERS INSTITUTE

Excellent Program Provided-Sessions

Are Free and All Are Invited. on Friday and Saturday of next week Waverly is very fortunate in secur- to Faimouth, Va. Mrs. Eunice Pierce of Chemung ing an institute as there is great street, is spending a few days in demand for them all over the state, and only about one fourth of the communities that make application for

them are supplied. The institute will be conducted by institutes are among the best in the ades that were held every afternoon.

A number of well known local agriduring the meetings.

It will be held in the new Masonic Temple on Waverly on Waverly street, and will be free to all.

The discussion will be open, and everybody is invited to take part. A question box will be provided and any pertinent question may be written out and dropped therein. These will all be answered. Those attending should provide themselves with note books, and use them for the purpose of making a record of the proceedings of the institute.

The local committees having the institute in charge is composed of Will H. Swain, Arthur Ellis and F.

LINCOLN RODE WITH HIM

Engineer Jack Wheeler Had the President as a Daily Passenger.

Jack Wheeler is probably the only engineer living who has had the honor of having a President of the United States as an almost daily passenger with him in his engine cab.

It was while the Army of the Potomac was forming that Wheeler had his first meeting with President Linhis first meeting with President Lin-waverly—An excellent program has coln, says the Eric Railroad Employe's call development; but as a fact the cation will be made to the above Court tute that will be held at Waverly Abe" would come to Aquia Creek and take a trip in the old locomotive down

There were no passenger cars on the train that hauled the President back and forth, so Lincoln and his two boys used the seat on the fireman's side during his run to the front. The trip was one of about Frank D. Ward of Batavia. The var- ten miles, and President Lincoln's ous speakers who will address the journeys were to see the dress par- | changed for euphony to "yer" or "ler."

country, having a wide knowledge of Under such circumstances it was their subjects, and they will treat them natural that Mr. Wheeler became W. E. Seacord and Electa Seacord in a manner that is strictly up-to- quite intimately acquainted with the great President, and yet his principal impression of the famous man was culturalists will deliver addresses that he wore a shockingly bad hat that always looked to be a long time out

of date." Wheeler with warm handciasp and a few cheery words regarding the cepting as he chatted to his two sons. With his long frock coat, his tall straight hat and his gaunt figure, Wheeler remembers him as one of the most awkward men he ever saw

Hut once in a while the President's for a short story or a joke of some kind that Lincoln would fire across
