### OFFICERS PROMPTLY STOP PUGILISTIC ENCOUNTER.

**Two Young Men Who Were in a Mix-up Last Night on Fulton Street Had to Pay Fines This Morning.**

Waverly—Two young men engaged in a fistie encounter on lower Fulton street at about one o'clock this morning, and as a result spent the balance of the night in the lockup. This morning they were fined by Justice Hoagland. One of them will have to find the sum of \$5 before he will be free from debt for the part that he played while the other got off with a fine of \$3.

It seems that the one who paid the larger fine was the aggressor, and had been looking for a fight for the greater part of the evening.

He had tried to stir up a muss, and when the crowd were turned out of the hotel after midnight he proceeded to carry out his desires in the matter of fighting. Officers Gridley and Corcoran were promptly on the spot, however, and the contestants were stopped before they more than started.

### WILL VOTE ON PROPOSITION FOR BUYING CRUSHER AND ROLLER.

**That Matter Will Come up For the Consideration of the Voters at the Next Town Election.**

Waverly—A very important matter that will come before the voters for their consideration on February 12 when the town election is held will be a proposition to purchase a portable stone crusher with bins and screens, and a traction engine for use on the highways of the town of Barton. The limit of expenditure on the crusher is \$700, and the limit of cost placed on the engine is \$1800. This is a part of the good roads movement agitation, and the possession of such useful implements in road building by the town, would enable the officials to make much better highways than heretofore, and when once a road was repaired in the manner that it could be after this acquisition it would greatly reduce the expense of its subsequent maintenance.

### Funeral This Morning.

Waverly—The funeral of Gersham Pennell, who died last Monday night took place this morning from his late home on Ithaca street. The remains were taken to the Barton cemetery for burial.

**VARIATIONS IN TEMPERATURE NOTED BY DIFFERENT CITIZENS.**

Thermometer Registered All the Way From 12 to 25 Below Zero.

Waverly—That Waverly is a place where varieties of temperature can be found at the same time is evidenced by the variations that were noted in different parts of the village last evening. It was a very cold night, and almost every one who possesses a thermometer was careful to not exactly what it registered this morning.

That they are correct is vouched for in each instance by the owners of the various temperature measurers, so there can be no doubt that they are true.

A man living on Center street said that it was 23 degrees below, another on Clinton avenue claimed that it went as low as 24 below zero.

The thermometers of two men, one living on Park avenue, and the other adjoining him on the rear, and whose house fronts on Chemung street registered 20 above and 22 above zero respectively. Friends are keeping them apart until the weather moderates in hope that any conflict will be averted.

One man on Pine street claims that the mercury in his glass all but solidified, having gone to 28 below zero, while a man living near the center of town claims that it was at least 16 degrees warmer. The low temperature man says that the difference is accounted for by the difference in distance that the places are from the internal heat. What other extremes might have been recorded is not known, as they did not reach the ears of the scribe.

Mrs. Frances Struble.

Waverly—Mrs. Frances Struble died this morning at 10 o'clock at the home of her daughter, Mrs. William Gleason on Clark street, after an illness of several months. She had lived in Lockwood nearly all her life, but last November she came to Waverly and made her home with Mrs. Gleason. She was 67 years of age, and was the widow of John Struble who has been dead for a number of years. She is survived by three sons, George B. Struble of New York city, William Struble of Ovid, N. Y., and Moses Struble who resides at Sayre. Three daughters also survive her, Mrs. Carrie Harron of Scranton, Pa., Mrs. William Gleason of Waverly and Mrs. Eva Harron of Sayre.

The funeral will probably be held on Saturday next and the remains will be taken to Lockwood for burial.

### PRIDE OF WOODSTOCK.

Feature of New Orleans Racing is Taken by 15 to 1 Shot.  
NEW ORLEANS, Jan. 24.—Two jockeys fell during the races at the Fair grounds. In the second race Jockey Schreve, on Doric, was crowded against the fence and thrown over his mount's head, after which he was dragged for about fifty feet. He was not badly injured. Ferris was thrown in the third race when Posing stumbled in the stretch.

The layers started out badly when they allowed the players to scoop up with E. M. Fry in the two-year-old race that opened the day's business. The colt had had luck in his last race and therefore had given no public line on his ability. The reports of his fast private trials caused him to be well backed.

E. M. Fry broke well, and Martin sent him along about his business, with the result that he had his field safely beaten before the first furlong was finished. He was an easy winner, and after a drive down the stretch Hannis got the place from Jennie's Beau. Summary:

First Race—E. M. Fry, first; Hannis, second; Jennie's Beau, third.  
Second Race—Baneful, first; The Thrill, second; Sink Spring, third.  
Third Race—Meadow Breeze, first; Husk, second; Plusticker, third.  
Fourth Race—Pride of Woodstock, first; Heart of Hyacinth, second; Gold Coin, third.  
Fifth Race—Morales, first; Tileing, second; Mortiboy, third.  
Sixth Race—Dry Dollar, first; Billy Vertress, second; Abjure, third.  
Seventh Race—Ternus, first; Marimbe, second; Mahony, third.
