## SENATE PASSES BILL

Immigration Measure Covers Jap Labor Problem.

TOKYO STILL TO BE HEARD FROM

Root's Amendment Gives President Power to Bar Coolies Even With Passport From United States

Territory. WASHINGTON, Feb. .- The solu tion of the Japanese labor problem promised by the president to the authorities of San Francisco was formally ratified by the senate. The conference report on the immigration bill, containing Secretary Root's amendment giving the president authority to place restrictions-on the recognition of passports, was adopted without a di

The test of strength came on a rese lution offered by Senator Culberson in structing the conference committee to bring in a bill providing for the exclusion of Japanese coolies after Jan. 1 1908. Senator Lodge made a point of order against this proposition and was sustained by the vice president. Senator Carmack appealed from the deci sion of the chair, and Senator Lodge moved to lay his appeal on the table.

The motion to appeal was tabled by a vote of 45 to 24. The vote was on party lines, with two exceptions-Sens tor La Follette (Rep.) voted with the Democrats, and Senator McEnery (Dem.) voted with the Republicans. The Root amendment, which is ac cepted as a solution of the Japanes

question follows: "That whenever the president shall be satisfied that passports issued by any foreign government to its citizens to go to any country other than the United States or to any insular posses. sion of the United States or to the ca. nal zone are being used for the purthe continental territory of the United on short notice. States to the detriment of labor conditions therein, the president may refuse to permit such citizens of the country issuing such passports to enter the conhere during the races on the famous tinental territory of the United States insular possessions or from the canal ing.
