Sour Stomach
No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Church Disturbers Arrested at Paris.
PARIS, Feb. 11.—Attempts were made again to interrupt the services of the Independent Catholic church at the Church of the Holy Apostles, but they were quickly repressed. A dozen arrests were made. As the congregation was leaving the church some young men belonging to the militant Catholic organization hooted an old veteran, who turned upon them, saying: "I was five years in the cuirassiers, my father was thirty years a soldier, an uncle was decorated on the battlefield and another was killed at Reichshofen. I am a better Frenchman than you."

DON'T CALL HIM THE "OLD MAN."
Boys, when you speak of your father don't call him "the old man." Of course you are older now than when you were taught to call him father. You are much smarter than you were then, you are much more manly looking, your clothes fit you better, your hat has a modern shape and your hair is combed differently, in short "fyer" than you were then. Your father has a last year's coat, a two-year-old hat and a vest of still older pattern. He can't write such an elegant note as you can and all that, but don't call him "the old man." Call him father. For years he has been rustling around to get things together, he has been held to the horny path of uphill industry, and the brightest half of life has gone from him forever. But he loves you, though he goes along without saying much about it, therefore, be not so ungrateful or so inconsiderate. "A wise man maketh a good father."

Don't call your mother "old woman." We often hear that from young men. Stop and think how it sounds. Old lady is bad enough, but the "old woman" applied to her who gave you life and nursed your infancy is rude and unkind. Once it was "Mother, I'm hungry; mother, mend my jacket; mother, put up my dinner," and may such things, and mother would spread the bread and butter and stow away the luncheon with her heart brimming with affection for you. Now is she the old woman?
