OPEN CHALLENGE TO

ANTI-VACCINATIONISTS

Continued from First Page.

All well informed physicians admit that a vaccinated person may contract the disease after the lapse of 15 or 20 years-from date of vaccina-

is more vigorous in some than others, just so is the lasting influence of the established immunity. As time protective power decreases, and revaccination is necessary.

12-What can you say of the numerous cases, where the victim from smallpox possessed a doctor's certifi-

As the re-action from innoculation and physical changes progresses, this 12-I have this to say: Many doc-

fors are in the habit of performing the operation and immediately issuing a certificate of "Successful Vaccination." He probably does not see he patient again. The operation may have been absolutely negative. Later on in life this patient contracts smallpox; maybe dies. The certificate bobs up. Now here is meat for the anti-vaccinationists. Such a doctor is either an anti-vaccinationist or a very careless practictioner.

Since the gallant and heroic enemies of "Cow Pox" will not take his bances to go to jail to prove his faith, we will prove our magnanimity

With the one accepting this challenge, I will enter into a written agreement, properly executed and witnessed. This shall provide that the affirmaive statements that are purely scientific shall be submitted to a committee of experts to be selected one by each of the parties hereto, and the third by these two. All other statements are to be proven or disproven by certified copies of official records under proper seal. The agreement shall provide finally that for each and every statement, the truth of which I fail o sustain, I shall pay to the other party hereto \$10.00, and work one hundred (100) days, without pay, on the sireets of his city,-provided, however, what you have, I can do the work and that for every statement sustained the party accepting this challenge shall by E. M. Fry, the 11 to 5 favorite. He pay me \$10.00 and work one hundred (100) days on the streets of Sayre without pay

FIRST STATEMENT: Bovine virus does not contain the poison of syphilis and cannot transmit syphilis to the human being. SECOND STATEMENT: That Eczema, Erysipelas, Scrofula and Blood

poisoning are not transmitted by bovine virus. THIRD STATEMENT: That since the enactment of the compulsory vaccination law in Germany the death rate per 1000 has decreased tenfold

over that of a like period immediately before the enactment of said law FOURTH STATEMENT: When Germany passed the compulsory vaccination law, her next door neighbor, Austria, refused and remained a noncompulsory country. Within twenty years thereafter Austria had a mortality

from smallpox more than twenty times greater than Germany. FIFTH STATEMENT: The percentage of smallpox mortality in Belgium, a non-compulsory country, is from ten to fifty times greater than that of its next door neighbor compulsory Germany. SIXTH STATEMENT: The death rate per 1000 in Sweeden, a compul-

sory country, is ten times less than that of Russia, a non-compulsory SEVENTH STATEMENT: That the death rate in compulsory Denmark

per one thousand is ten times less than that of non-compulsory Spain. EIGHTH STATEMENT: That the death rate per one thousand in compulsory Norway is tenfold less than that of non-compulsory Hungary.

NINTH STATEMENT: That the entire bulk of printed matter of the anti-vaccinationists consists, in part or in whole, of a jumble of evasions of racing goose in Arkansas is cooked, fact, self-contradictions, statements not substantiated by official records,

TENTH STATEMENT: That the so-called authoritive article in the Enclyclopeadia Brittanica, whitten by the chief apostle of the anti-vaccinationists, consists in part or whole, of evasions of fact, self-contradictions statements not substantiated by official records, mere private opinions,

ies of vaccination do not take kindly to this I know the slippery eller sort of proposition. They would much prefer to keep up an interminable newspaper argument. I draw the issue thus clearly to give to the intelligent people of Pennsylvania and the world a clear chance to decide who is the store from the time the Stevens gir play golf tournament for women Miss fake. If this fails to locate and pin down the "Artful Dodgers," what can't If these statements are true the whole anti-vaccination argument falls Bennett opened the door and found the woman's body on the floor in the C. by 5 up and 3 to play.
