## WILL CONTINUE THE BUSINESS ALONE

Clothing Firm of Murphy & Blish Dissolved Partnership Today—S. A. Blish Retires.

The co-partnership which has existed between Frank P. Murphy and S. A. Blish since October 8, 1901, was today dissolved by mutual consent. The business will be continued by Mr. Murphy under his own name, Mr. Blish retiring on account of ill health.

When the doors of the establishment open on Monday morning next Mr. Murphy will be the sole proprietor.

For the past twenty-five years F. P. Murphy has been in the custom tailoring business. He spent the first ten years in Wilkes-Barre, and the past ten years has been about equally divided between this place and Elmira, N. Y.

On March 5, 1901, Mr. Murphy came to Sayre and with Charles Carroll of Elmira, formed a partnership and opened a store in Sayre under the firm name of Carroll and Murphy. Mr. Carroll's father was in the clothing business in Elmira and Mr. Murphy had charge of the tailoring department. Mr. Murphy did a large amount of work for Sayre parties and it was therefore deemed advisable to open a store in this place. The firm commenced business in the building in which Mr. Murphy will continue alone.

On October 8, 1901, Mr. Carroll retired from the firm and was succeeded by S. A. Blish, who previously had been employed by Maney & Page.

The new firm did a prosperous business and it has grown until it is conceded to be the best clothing establishment in this section.

Mr. Murphy will continue to have entire supervision of the tailoring department, will look after the wants of customers with the same carefulness as heretofore. During the years spent by him in the custom tailoring department he has gained an extensive knowledge of the art of making clothes, a fact which is well known to all who have patronized him.

The furnishing goods department will be maintained at a high standard, a complete stock of ready-to-wear clothing will be found as usual.

In fact Mr. Murphy will conduct a high-class establishment in every respect and will be glad to greet his old customers as well as new ones.

Mr. Blish's plans for the future have not fully matured. He has several desirable positions in view.

## MRS. MILES ELLIS SEVERELY INJURED.

Fell on Sidewalk This Morning, Sustaining a Gash in the Head Which Extended to the Bone.

Mrs. Miles Ellis, wife of Councilman Ellis, met with a painful accident this morning when she fell on the steps in front of her home at the corner of South Wilbur avenue and Hayden street, sustaining a gash in the back of the head which extended through to the skull bone. Mrs. Ellis left the house to get milk from the milk man. She descended the front steps and she stepped on the last one, her feet slipped on the ice and she fell, striking on the back of her head, cutting the gash as above stated. Dr. Theodore Wright was called and took several stitches in order to close the wound.

## "The Beauty Doctor" Tonight.

At the Loomis tonight the newest of the big musical comedy successes will have its initial presentation. Fred E. Wright's production of "The Beauty Doctor," a musical comedy in two acts, is said to be one of the most elaborate of any musical efforts of late seasons. There is a beauty craze and a large number of comedians and comedienne to interpret the hilarious and funny plot, which, hitting as it does all the salient points of the beauty fad offers opportunities well taken advantage of for funny incident and humorous situation. Mr. Wright has been fortunate in casting his plays comprehensively and the dialogue and music in the hands of these competent people goes with a dash and a merry evening. There are a dozen or more songs that will be whistled and sung and the entire music of the piece is far above the average injected into musical comedy and is well sung by a chorus noted as well for its singing ability as for its beauty and agility.

A "Rube" song, "Myron Brown, Farewell," is one of the real big musical hits of the year. "My Flower of the South," with a catchy chorus that will retain it in the public ear. "Angel Voices," a tropical trio, and the many other musical and dancing numbers go to make "The Beauty Doctor" a good show in a musical vein as it is in its comedy.

## JOHN PICKLEY TO SUCCEED O'NEIL

The Former Has Been Appointed Trainmaster of the Pennsylvania Division of the Lehigh.

John Pickley, assistant trainmaster of the Pennsylvania division of the Lehigh Valley, has been appointed trainmaster to succeed C. T. Neill, the latter having been transferred to be trainmaster of the Wyoming division under superintendent Harleman. The departure of Mr. O'Neill will be sincerely regretted. He has been trainmaster for some time and has rendered efficient service. His successor, Mr. Pickley, was formerly road foreman of engines and is also a most capable man. It is not as yet announced who will succeed Mr. Pickley as assistant trainmaster. Neither has the date for Mr. Pickley assuming the duties of his new position been announced.

## PRESENT OFFICIALS TO SUCCEED THEMSELVES.

All the Old Borough Office Holders Will Probably be Reappointed at the Council Meeting to be Held Monday Evening.

At noon on Monday next the Sayre borough council will hold a short session at which the oath of office will be administered to the four councilmen who were chosen at the recent election. In the First Ward I. A. Samuels will succeed himself; in the Second Ward, R. D. Williams, Prohibitionist, will succeed Burns; Uriah Keene, also Prohibitionist, will take the place of E. D. Adamy in the Third Ward, and E. M. Mason, a Republican will take the seat formerly occupied by George Heverly from the Fourth Ward. Immediately after the councilmen are sworn in adjournment will be taken until eight o'clock Monday evening at which time the borough law-makers will organize for business. A president of the council is to be elected, and the selection of George Lacey, the present incumbent of that important office, is assured. A borough clerk will be next in order and H. H. Mercereau, the present clerk, will be elected to the post without opposition. C. C. Yocum will also be unopposed for borough attorney. It is expected that there will be a slight effort to prevent the reappointment of James Walsh, the present chief of police, but as stated yesterday, those who are opposed to Mr. Walsh succeeding himself are in a hopeless minority. Therefore it is safe to say that all the old borough officials will succeed themselves for the ensuing year.

## Italian Sues the Lehigh.

Yesterday afternoon Salvatore Caruso (not Caruso, the Italian singer and masquer) but just a plain laborer, through his attorney, C. C. Yocum, began suit against the Lehigh Valley Railroad company to recover the sum of eight dollars which he alleges has been wrongfully withheld from wages due him for labor. Caruso, it appears assigned part of his wages to F. Caccione & Co., but when the company paid him he claims that the sum mentioned above was held out in payment for costs. He sought the services of Attorney Yocum and the latter presented the claim to the company. The company refused to pay and Justice Carey was instructed to issue summons. The suit is returnable on Thursday next.

## Elected Officers.

The Woman's Home and Foreign Missionary Society of the Presbyterian church met yesterday at Mrs. J. A. Hunter's, Packer avenue, and elected officers as follows: President, Miss Clara Petrie; 1st vice president, Mrs. Frank Heavener; 2d vice president, Mrs. John Raymond; secretary, Mrs. A. L. Laws; treasurer, Mrs. M. H. Sawtelle; corresponding secretary, Mrs. C. H. Ott; secretary of literature, Mrs. Tracy Roberts.

## LAST MEETING OF THE FISCAL YEAR

Borough Council Met in the Packer Horse Rooms Last Night and Closed Up the Year's Business.

The Sayre borough council held a meeting in the Packer horse rooms last night and closed up the business affairs of the borough for the fiscal year. When the council next meets for business on Monday evening it will be as a newly organized body. Lacey, Evans, Hassler, Samuels, Hullett and Hawes answered to the roll call and after the reading of the minutes an informal discussion of the preliminary plans for the new town hall occurred. Councilman Evans from the fourth ward started the discussion by contending that the preliminary plans should have been secured with no expense, and that detailed plans should have been provided only after the people had voted to build a new hall. He stated that at the time the matter was before the council he had just then become a member of the body and was in no position to know what was going on. He suggested, however, that in the future the council should be a little more careful in spending the people's money and that altogether too much was being paid for "frills." Councilman Evans was followed by Councilman Hassler, of the Second ward. Mr. Hassler, relying wholly upon his memory, stated that a meeting held on the 2d of April, Councilman C. C. West, of the First ward, exhibited a set of preliminary plans for a new town hall, which the members of the council did not deem satisfactory. Mr. Hassler asserted that a motion prevailed which provided for preliminary plans, but admitted that the minutes would show that the motion called for detailed plans. Councilman West is the chairman of the town hall committee and practically had entire charge of procuring the plans.

Councilman Hassler was followed by Councilman Samuels and Heverly. They vigorously asserted that Mr. West had simply followed the instruction of the council with reference to procuring detailed plans and therefore had not exceeded his authority. The plans were secured at a cost of several hundred dollars, which the borough will have to pay, whether the building is erected or not, and it is this fact that kicked up all the disturbance.

James Lyon, foreman of the Wilbur Hook & Ladder company, appeared before the council on behalf of the fire department. He stated that there was a sad lack of serviceable nozzles, and graphically described the conditions under which the firemen worked at the time the Lehigh Valley coal station at this place was destroyed by flames. Mr. Lyon insisted that the nozzles leaked so badly that the men who were compelled to handle them on the night of the fire were covered with from two to three inches of ice and that their clothing cracked as they moved about from place to place. The matter was disposed of by the clerk being instructed to notify the chief of the fire department to be present at the meeting to be held on Monday evening next.

A resolution was passed providing for the payment of ten dollars to the J. E. Wheelock company for lights for the past year.

A large number of bills, including the salaries of the borough officials, were ordered paid. Among the bills was one from J. C. Ingham amounting to \$47.00 for legal services rendered in connection with the sewer project, and also one from N. C. Walker for \$144.40 for engineering work. The bills created some discussion but were finally paid.

## "Under Southern Skies."

One of the most successful plays to be presented in our city this season is "Under Southern Skies" which will appear at Loomis opera house Wednesday afternoon and evening. "Under Southern Skies" is one of the largest and most expensive dramatic companies now traveling, as the company number twenty-seven people, twenty-three of whom appear in speaking parts, and every piece of scenery used in the production is carried by the company. "Under Southern Skies" is now in its sixth season having had five phenomenally successful seasons.

"Under Southern Skies" is from the pen of Lottie Blair Parker who also wrote "Way Down East" and is as true and interesting a picture of the South as that now famous play is of New England.

The story of the play is a very strong and interesting one, and is one that is peculiarly southern. Its characters are distinct types of southern people, many of them being highly diverting. A Halloween celebration and pumpkin dance are among the most attractive features of the performance.

Nebraska is becoming unduly excited over a girl "witch" who is fascinating all the young men. What other business, asks the Washington Post sharply, did they expect a girl witch to be in?

## SECURED POSSESSION OF ALLEGED STOLEN COW.

Mr. Seager and Constable Lewis Went to Litchfield Yesterday and Came Back With the Missing Bovine.

Yesterday afternoon F. E. Seager secured possession of the cow which he alleges was stolen from his possession while the cow was a calf pasturing on the farm of Job McKinley in Litchfield township. Mr. Seager caused the arrest of Perley Nichols a former Sayre man, charging him with stealing the calf. This is alleged to have occurred in 1905 when the cow was a little "bossey." Now the calf has grown to a full-sized cow, with a "bossey" of her own, and recently it has been in the possession of a woman over in Litchfield township, who has been pasturing it for hire. Yesterday Mr. Seager and Constable B. L. Lewis went to the woman, paid her what was due her for pasturing the bovine, with the result that when the two came away they were leading a cow behind their wagon.

Nichols, who is under arrest charged with the theft of the calf, waived a hearing and went to court, where the title to the cow will be thrashed out.

## High School Entertainment.

The entertainment next Tuesday night at the Sayre High School hall by the Days promises to be one of the best ever given in Sayre. Both are characteristics of a high order and those who have had the good fortune to see them, are highest in their praise.

The selections are all original, true to life, and most of them of a most amusing nature. The price is only 5c.
