relative to the conduct of the died last night. board took up the matter of the need of a new building. It was the manimous opinion of all present that new building was needed, and that it should be built so as to be ready for use for the next school year.

Superintendent E. B. Robinson was present and his opinion was asked relative to the need of a building. He stated that there had been a gradual annual increase in attendance, and despite the fact that half a grade had been taken from the main building the attendance there was larger than DOL and the benefit I received all the demn the grinding trusts and heartever before.
