ATHENS NEWS. New Sanitary Districts. Athens—So many inquiries have been made about the old soldier appointments soon to be made by Senator Edmiston that we will give what information we possess. These appointments are provided for by a new health law which groups the different townships into districts and a health officer is to be appointed to supervise the sanitary conditions, register deaths, quarantine contagious diseases and see that the streams are not contaminated. The boroughs are already provided for and some appointments have been made in the districts. Athens township and Litchfield are grouped together and Sayre and Athens boroughs each received their appointments. The pay will be at the rate of two dollars a day counting only the actual time on duty, and all necessary expenses are to be paid. Senator Edmiston is determined to appoint old soldiers to these positions exclusively.

TWO SENT TO JAIL FOR STARVING STOCK. Montgomery County Dairy Farmer and Employee Guilty of Cruel Treatment. Charged with cruelty to his stock, John Thomas, a farmer living near Bridgeport, was fined \$50 Wednesday by Magistrate Lenhardt, who imposed the extreme penalty of the law. Francis Marohalla, who is employed by Thomas, was fined \$10. Complaint was made by agents of the Women's Society for the Prevention of Cruelty to Animals. They told the Magistrate that they had trouble with Thomas before, and recently when they learned that many of his cows were dying, they made an investigation. They found he had nineteen cows and twenty pigs, which were straining to death. Garbage collected in Norristown was the only feed given the cows or the pigs, and the animals were so wretchedly housed that they were tormented with vermin and suffering from exposure. The men were unable to pay their fines at once, and while they are in prison the society will improve the sanitary condition of the stable and provide proper fodder for the stock. An appeal will be made to the State health authorities, since Thomas conducts a dairy, which, it is said, is a menace to public health.

Is something wrong? Usually it's the stomach. Use Cascasweet and put the stomach right, and the sunshine will return to the baby's face. Cascasweet is best for babies and children. 50 doses 25 cents. Sold by C. M. Driggs, Drugs.
