Athens—About two years ago Joe Baller received a circular letter from a man in New York explaining how he could acquire sudden wealth and if he would send him \$1.00 they would send him the goods. He consulted with postmaster Sairs and they sent the circular and letters to District Attorney Jerome. The district attorney then advised Baller to send the \$1.00 and appoint a place of meeting where the goods were to be delivered. Instead of Baller being there a detective was on the spot to represent him and the man was arrested with the goods upon him. The case has been hung up for some time but yesterday Baller and ex-postmaster Sairs were subpoenaed as witnesses on the case and ordered to appear in New York next Monday.

Section 2. All poles shall be of good sound cedar or chestnut, reasonably straight and properly shaped, and shall be set inside hereafter any such poles as shall be designated by the Street Committee of the Borough Council.

Section 3. All wires used shall be of first class quality, properly insulated, same to be properly stayed and maintained and where strung on poles said poles shall be of sufficient height and the said wires shall be strung at such height above the ground as directed by the Street Committee of the Borough Council.

Section 4. All poles, wires, cables, appliances, structures and erections of every kind used or employed in, upon or over any of the streets, avenues, lanes, alleys or public grounds within said Borough for the purpose of the distribution of electricity under this ordinance, shall at all times be kept and maintained in good and proper order and repair and in a safe, suitable and proper condition.

Section 5. The said Sayre Electric Company, its successors or assigns, shall at all times hereafter save and keep harmless the Borough of South Waverly from any and all suits, actions, damages, costs, counsel fees and expenses of every nature and kind by reason of the rights and privileges hereby granted.

Section 6. The said Borough shall have during the term of this franchise, without charge therefor, the right to use the poles of the said Sayre Electric Company, its successors or assigns, for poles and fire alarm wires, without hindrance or molestation, using for the said purpose the uppermost portion of the poles.

Said work to be done under the direction and supervision of the Borough Council and the Streets, Avenues, Lanes, Avenues and public grounds of said Borough shall be placed in as good condition after the work has been done as they were before, and in case the said Company, its successors or assigns, fail to clean up the said streets, avenues, lanes, alleys or public grounds or make necessary repairs, in that case the Borough shall have the right to do said work and collect the cost thereof, with all costs, expenses and counsel fees, from the said Company, its successors or assigns.

Section 8. This Franchise shall terminate at the expiration of thirty-five years from the date of its granting.
