WOMAN CHARGED WITH ADULTERY

Complaint Alleges That She Has Been Unduly Familiar With An East Side Italian.

Mrs. Carrie Skinner, a young woman who has been married only a few months was arraigned before Justice Carey this morning charged with adultery. It is alleged that Mrs. Skinner was caught in the company of an Italian at an east side boarding house yesterday afternoon. The witnesses are two women and the woman's husband, the latter having entered the complaint.

Yesterday afternoon Chief Walsh was called to the home of Mrs. Hayward on the east side. The officer was told that there was a woman in the house who was drunk. When the chief arrived he saw Mrs. Skinner lying on the floor, apparently in a stupor. The chief went for a wagon to take the woman to her mother's home, but when he returned Mrs. Skinner was gone.

This morning when she appeared in court Mrs. Skinner's mother said that her daughter was subject to fits, and that she was attacked by one of these when the officer was called. She declared that her daughter does not drink and also says that the adultery charge has been trumped up by her husband, in order to avoid supporting her. Mrs. Skinner caused his arrest last fall, charging desertion and non-support. The case was sent to court and tried before Judge Fanning. He has not rendered a decision yet. Mrs. Skinner was paroled in custody of her mother to appear at a hearing to be held tomorrow.

HOT SMOKE PIPE CAUSED SMALL BLAZE

Resulting in About \$300 Damage to a Third Ward Residence.

A small frame dwelling, situated on Bessley street in the Third ward, and owned by D. L. Westfall, was damaged by fire on Saturday evening. The house is occupied by a family named Ryan and they went out in the early part of the evening to go down town. They left the drafts open in the kitchen stove resulting in the smoke pipe becoming so hot that the roof caught fire. An alarm of fire was sounded about 9:30 o'clock and the firemen responded promptly. A stream of water was turned on and the flames were quickly subdued. The loss is estimated at about \$300 on the building and contents.

Etude Club Met.

The Junior Etude Club met at the home of Mary James, Wilbur avenue on Saturday afternoon at 3 o'clock. A fine musical program was rendered and each member was presented a clay pipe and a crepe paper, and a prize was offered for the best dressed doll, to be dressed in fifteen minutes. Marie Corner won first prize, and Hilda Driggs the second prize. Refreshments were served and the decorations were all in green, in honor of St. Patrick. Miss James is to move soon to New Haven, Conn., and her departure is regretted by all the members of the club as she has been a faithful member.

Duly Appreciated.

The Springlike weather of the past several days is duly appreciated by railroad men in general, especially by those in the train service, their claim, that whatever joys there are in railroading can only be found in the warm weather, no doubt being true to the letter. The various officials also welcome with open hands the winter's end, their lot in endeavoring to keep traffic moving for the past six weeks being anything but an enviable one.

Misfortune Never Comes Singly.

That "misfortune never comes singly," is a wise old saw was proven on Saturday in Wysox township. A little daughter of Mr. and Mrs. George Archer, living near the Launging farm, was sent to the Packer hospital in the morning, suffering with appendicitis, and during the afternoon of the same day a young son of the family had a finger amputated while operating a feed cutter.

PITTIABLE CONDITION OF "JACK" BUCK

Half Starved and Half Naked He is Cared For by Towanda Authorities.

Half starved, half clothed, his mind almost a blank, "Jack" Buck of Sayre, was taken into custody at Towanda yesterday morning by Constable McCracken. Buck, who is well known here on account of his demented condition, was in pitiable condition when the Towanda authorities took him in charge. Friday night he was found wandering about the streets of Sayre and the police took him to the lockup. The following morning he was released and promised to go home. "It is not known whether he went to his home or not. He lives with his mother, and she is old and unable to look after him. How he got to Towanda is not known. He was found stumbling along the streets of that place weak and emaciated from the lack of food. He was placed in a cell and later food was given him. He ate ravenously and kept mumbling "I want to go home and see the folks." This morning the Towanda authorities notified Chief Walsh and that official will see that Buck is returned to this place. It is likely that steps will be taken to care for him in the future.

Madigan Will Play With Montreal.

Mike Madigan of Towanda, one of the best known ball players in this section, who signed a contract with the New York American League, has been farmed out to Montreal of the Eastern League, and he will be a member of the team which represents the Canadian city this season. He goes to New York next Friday and from that city goes to Montreal with several other players. Madigan will be used in both infield and outfield positions. Jack Cotter, also of Towanda, will play with Kane this season.

Porter-Andrus.

Jesse Byron Porter of Dayton, Ohio, and Miss Justina Elizabeth Andrus of Sayre, were united in marriage at the Baptist parsonage in Waverly on Saturday evening by the Rev. George A. Briggs, pastor of the Baptist church. The bride is a most favorably young woman, the daughter of Mrs. C. M. Burton, while the groom is rapidly becoming famous as a writer of songs. His first effort, and the one which gave him wide popularity, is entitled "My Own Justina."

Library Club Meeting.

The Ladies' Library club will hold a meeting tomorrow afternoon in the library rooms. Chairman, Mrs. James Henry. The following papers will be read: "Why the Keystone State?" Mrs. W. A. Kelley; "A History Quiz," Mrs. Eugen Allen. An intermission will then be devoted to "An Hour in the Museum," following which a paper entitled, "Current Events" will be read by Mrs. Johannah Cramer.

Married at Waverly.

Edward Werkheiser, a machinist employed in the Sayre shops, and Miss Heien Benedict of West Pittston, were married at Waverly on Saturday afternoon. The groom left Sayre some time ago to go to Pittston, but returned here last week to accept a situation in the Lehigh shops. He brought with him his prospective bride and they went to Waverly and were married.

An Active Season.

The roadway departments of the various railroads are looking forward to a season of great activity, upon the disappearance of the frost from the ground. The rather severe weather of the past two months together with constantly increasing and heavier rolling stock making it imperative to place the roadbeds in suitable condition.

Carpenters Take Notice.

Ice Gorge at Wysox.

SAYS HE IS VICTIM OF A DEEP PLOT

Haviland Turns on Kaufman, and Declares That the Latter Suggested Game By Which a Lot of Money Could Be Made in An Improper Manner.

James T. Haviland, the "stock specialist" who is in jail in Scranton accused of fleecing a large number of clients out of their money has begun to talk. In other words he is getting exceedingly wrath and if his tongue continues to wag he may succeed in implicating others in the nefarious scheme by which hundreds were victimized. Haviland declares that he is the innocent victim of false and trumped up charges. He claims that his transactions on the stock market with the money of H. A. Kaufman & Co., were perfectly legitimate, and that he owes them nothing. He makes no promise of settlement and will not recede from the position which he has already taken.

Haviland also makes serious accusations against Kaufman, declaring that the latter wanted him to concoct a game whereby they could both make a lot of money in an unlawful and improper manner.

It is now said District Attorney Jerome of New York will be asked to investigate the methods by which the concern operated.

STRUCK BY EXPRESS NEAR WILKESBARRE.

Frank Casper, Trackwalker for D. & H. Co., Was Killed by Lehigh Valley Passenger Train.

Frank Casper, aged 40 years of Miner's Mills, employed as a trackwalker by the D. & H. Co., was instantly killed by a passenger train on the Lehigh Valley railroad, just above the round house at Wilkes-Barre, shortly before 7 o'clock yesterday morning. Casper was attending to the signal lights along the line at the time, and as he stepped from the front of a slow freight, the passenger train, traveling at a high rate of speed, struck him with terrific force and killed him instantly, the body being horribly mangled. The remains were taken to his home in Miner's Mills, where a wife and three small children survive.

Rosabele Leslie Co.

Probably one of the most popular repertoire organizations which visits this city is the Rosabele Leslie Co., which is announced to appear at the Loomis opera house all this week with matinees Wednesday and Saturday. Aside from Miss Leslie, whose careful and intelligent interpretation of an almost endless variety of parts, has won for her an enviable reputation in the popular price field, the company numbers twenty people, many of whom have been seen upon the local stage with high priced attractions. Miss Leslie's plays are all standard melodramas, several of which have never been seen at cheap prices, while the vaudeville contingent which appears between the acts, is sufficient within itself, to supply an entire evening's entertainment, equal to that presented by the average vaudeville theatre. "When London Sleeps" is the bill tonight. Miss Leslie will be seen in a very pleasing role in each play.

It would have been simple justice to have fixed the salaries of rural mail carriers at \$1,000 per year; but \$900 is considerably better than \$720. The job is far removed from a cinch. The carrier must be out in all kinds of weather, he must keep his horses well fed and shod, and his wagons and harness in repair. With a salary of \$1,000, he would have little better than a fair living.

Under the National Pure Food Law

It will be possible for the authorities of a State interested in the preservation of the health of the people to reach the manufacturers who adulterate their products. That will make the law popular where the old State law was unpopular, for many merchants were compelled to pay fines for selling adulterated foods that they thought all along were pure.
