WANT APPEAL TO BOARD OF PARDONS

Supreme Court Files Refusal for Re-argument in Johnson Case.

The silence of the supreme court, the tribunal which has the power to stay the executioner's visit to Charles Johnson, the condemned murderer, has at last been broken. The filing on Thursday of their refusal to grant a re-argument of the case, as far as the courts are concerned, blots out all hopes of the condemned. The pardon board may be appealed to intercede in behalf of the man convicted of complicity in the murder of Maggie Benjamin Johnson and her little niece at Macedonia. On Monday William P. Wilson, attorney for the prisoner received back from the supreme court his motion for a re-argument of the case. No letter or word of any kind accompanied the document and the lawyer was left in doubt. Thursday Mr. Wilson received a letter from the supreme bench stating that his motion for re-argument had been refused. It is not customary for the justices to file an opinion in cases of refusal, and none were expected in this case.

The one little word "refused" is insignificant in itself, but what a world of meaning it carries, especially for Johnson. It forever ends his chances in the courts of justice which have found him guilty of a fiendish, horrible crime, and only the pardon board can save him from meeting the fate which befell his brother, Bigler Johnson.
Johnson's attorneys may lay the case before the board of pardons and ask for mercy for their client. In order to do this the evidence in the entire case, together with all the records, affidavits, letters from responsible parties living in the community where the crime was committed, together with specific reasons for asking for a pardon must be filed with the board. The fact that a pardon is being asked for must be advertised in two county newspapers, the courts and police department must also be notified, and there is no end of red tape in such a proceeding.
The power of the governor in capital crimes is very limited. Article IV, Section 9, of the State Constitution gives the governor exclusive power to remit fines and forfeitures and to grant reprieves, "but no pardon shall be granted or sentence commuted, except upon the recommendation in writing of the lieutenant governor, secretary of the commonwealth, attorney general, and secretary of internal affairs, or any three of them, after full hearing, upon due public notice and in open session."

TROUBLED CONSCIENCE.

Causes Man to Pay Debt of Long Standing.

Tales of "conscience" contributions are occasionally heard, men overcome by their conscience paying up old and forgotten, and oftentimes unknown debts. Dr. Champlin of Bloomsburg was the other day surprised by receiving a letter accompanying several five dollar bills from a man in New York state. The letter explained that the money was in payment of a debt for medical attendance given by Dr. Champlin sixteen years ago when the physician and writer both lived in Towanda. So many years had elapsed, and so many non-collectable accounts does many a doctor have during his career, especially on first starting practice, that this particular debt was entirely forgotten. The sender of the money explained that at one time he had during recent times become converted to religion, and that he had also amassed considerable fortune, and was now amply able to pay off his old debts, that his conscience compelled him to do this. The letter is profuse with thanks and good wishes to the doctor, to whom the voluntary, though delayed settlement is satisfactory. The doctor intimates that there are others to be heard from.

WALKED IN SLEEP FELL OFF PORCH ROOF.

Clarence Cramer of Powell Brought to the Sayre Hospital This Afternoon.

Clarence Cramer, who resides at Powell, Pa., was brought to the Sayre hospital this afternoon suffering from a fractured leg, and a sprained ankle. Cramer is a somnambulist and last night he started out in his sleep on a little walking trip. He went out of an upstairs window upon the roof of a porch, and while perambulating about thereon he stepped off, falling to the ground and producing the injuries mentioned.

Arbitrators Appointed.

The court has appointed Justice of the Peace W. T. Carey, John L. Plumstead and John H. Murray a board of arbitration in the case of Eugene Allen vs. George Fies and Emma Fies. The board will meet in the office of Hon. E. M. Dunham of Sayre on Tuesday, April 15, to hear the evidence.

THE GENTLE SPRING TIME "HAS COME."

John LaBarr Furnishes Proof Positive That Winter is a Thing of the Past.

The spring time "has come," Gentle Annie—there is no longer any doubt about it. There are many never-failing signs, but John LaBarr of Clary's coal yard, furnishes proof positive, proof that cannot be successfully contradicted, that winter is a thing of the past and that the glorious spring time is here in all its glory. This afternoon Mr. LaBarr telephoned The Record that he had caught a full grown, live butterfly, and that he had the beautiful winged insect in his possession. He offered to prove his statement by bringing the butterfly to this office, but knowing that Mr. LaBarr is a man of his word The Record man told him that it would not be necessary to go to that trouble and that his statement would be accepted as a fact. Therefore The Record desires to inform its readers that the good old spring time, with its joys and its sorrows is here at last.

MARONEY WILL BE BROUGHT TO SAYRE.

Governor Hughes Has Granted Requisition and Prisoner Will Be Returned Here Tomorrow.

This morning District Attorney Mills received word from the secretary of Governor Hughes of New York state that the requisition papers in the case of John Maroney, charged with having robbed the cash register at the Sayre house, had been forwarded to the Sheriff of Tioga County, N. Y., at Owego. Chief of Police James Walsh is named in the papers as the agent to go to Owego and secure custody of Maroney. He will leave on this mission tomorrow. Maroney will be brought here and taken before Justice Carey on the charge of robbery.

"A Mill Girl's Honor."

"A Mill Girl's Honor," a very lively domestic drama, which is said to present one of the greatest moral lessons to young girls ever written, has been selected for this evening's performance of the Rosabelle Leslie Co., at the Loomis. In four interesting acts is told the story of a poor working girl to resist the wiles of her wealthy but unscrupulous employer, the temptations thrown in her pathway and her final triumph. Miss Leslie will be seen as Nellie Wade, a very sweet girlish part that is particularly suited to her capabilities. A Pig Social is announced as an additional feature this evening. Rowland & Clifford's electrical and scenic production, "Over Niagara Falls" with entire original scenic equipment, has been reserved for Saturday matinee.

Diphtheria Houses Fumigated.

This morning Health Officer Brougham fumigated the house of Giles Robinson on South street, Milltown, and yesterday a similar service was performed by the health officer at the home William McGuire at No. 226 Keystone avenue. On Wednesday Mr. Brougham fumigated at the home of John Slater at No. 144 Bradford street South Waverly.

All of the houses in which there have been cases of diphtheria have now been fumigated by the health officer, and once more the borough is entirely free from the dread disease. Despite the fact that there have been a number of cases reported to the board of health during the past year, the mortality list is decidedly low.

Dispensary for Every County.

To empower the Department of Health, with the co-operation of the Governor to select one or two tracts of 500 acres in the State's forest land, and erect thereon buildings for the treatment of tuberculosis, is the object of a bill introduced in the legislature Tuesday. To provide for this bill carries an appropriation of \$600,000 for the work for two years beginning with June 1st next. Health Commissioner Dixon has evolved a plan for the establishment of dispensaries in every county in the state where poor consumptives who may be unable to visit the proposed colonies may receive free treatment.

Will Install Officers.

Sayre Encampment No. 52, I. O. O. F., will meet this evening to install officers and the installation will be followed by a banquet. The officers will be installed by District Deputy Grand Patriarch Browning. It is also expected that the grand patriarch will be present.

Philip Sheer.

Philip Sheer, died about two o'clock this morning at his home at 131 Hoover street. He was 70 years of age and his death was due primarily to old age. He is survived by his wife and five daughters. The funeral will take place on Sunday next at 2:30 o'clock from his late home.

Simon Glaser has rented the store room in the remodeled bank building, corner of Desmond and Lockhart street, and will move his office into it on the first of the month.

LOCKJAW FOLLOWS SERIOUS INJURY

Man Injured at Greenwood Tannery Is Brought Here for Treatment.

With his jaws firmly set as the result of blood poisoning Fred Camp an employe of the Union Tanning Company of Greenwood, was brought to this place on Lehigh train 127 last night and removed to the Packer hospital for treatment. Camp was injured one week ago yesterday. He was engaged in running a machine when his right leg got caught in the gearing. Before assistance could reach him the leg was crushed from the ankle to the knee in a frightful manner. It was at first thought that the member could be saved, but on Wednesday signs of tetanus developed, and it was deemed advisable to bring him to the hospital at this place. When he arrived here the disease was developing rapidly. The anti-serum treatment will be administered in the hopes that his life may be saved.
