Mr. and Mrs. Merrill of West Lockhart street, entertained a few friends at their home last evening. The evening was spent in dancing.

Mrs. T. J. Lane of Marshview, a sister of Mrs. J. C. Lynch of this place, who was operated upon at the hospital several days ago, is improving slowly.

Alec Stephens of No. 314 North Elmer avenue, who was injured one week ago today in falling from his engine, is still confined to his home by the injury.

James Boyle, who was tendered the position of assistant Lehigh Valley detective on the Wyoming division, has decided not to accept it. No other appointment has been made thus far.

## AUTHORIZED TO SIGN THE CONTRACT

Burgess Cross Empowered to Execute Contract for a Sewer for Sayre Borough.

The final steps in the Sayre borough sewer project, which has been agitating the members of the borough council for the past two years, were taken last night when the council adopted an ordinance authorizing the burgess to sign the contract with J. J. Higgins, the Waverly contractor, to whom the work was awarded at the meeting of the council held on Monday evening last. With the exception of Councilman Döbell and Ellis all the members of the council were present, and immediately after the body was called to order the ordinance authorizing the burgess to attach his signature to the contract was read by the borough clerk. When he finished Mr. Higgins addressed the council. He said that it had been intimated that Waverly would receive certain benefits if he did the work. He stated that he wanted to correct any impression of this character. He said that he would open an office in Sayre, deposit all the money for sewer purposes in the local banks, employ Sayre labor, and so far as possible purchase material in this place. In other words Mr. Higgins insisted that he would favor Sayre in every way possible in carrying out his part of the contract.

At the conclusion of his remarks the ordinance was read and adopted by sections and then adopted as a whole. This action completes the necessary arrangements for going ahead with the job.

The ordinance authorizing the construction of a sewer provides that the work shall begin between the 1st and 15th of April, 1907. The contractor will probably be ready to commence the work on the first of the coming month, as he will at once make arrangements to get the material and men on the ground.

After the ordinance authorizing the burgess to sign the sewer contract had been passed Burgess Cross addressed the council on behalf of the residents of West Sayre. He stated that a sewer was desired by the residents along Keystone avenue, and was informed that they could secure one by presenting a petition to the council signed by two-thirds of the property owners residing along the proposed route.

Chairman Samuels of the sewer committee, stated that he desired to tender his resignation as chairman of the committee. He said that Councilman West was better qualified for the work and wanted to turn it over to him. The council refused to grant the request of Councilman Samuels and that official will continue to preside as chairman of the committee.

A motion was made carried authorizing the removal of telephone from the east side hose house to the residence of Street Commissioner D. L. Fields, after which the council adjourned.

## TRAINMEN'S GRIEVANCES.

Some Lehigh Valley Employees Will Ask For Shorter Hours.

Representatives of the Brotherhood of Railway Trainmen employed by the Lehigh Valley Railroad met in special conference in Wilkes-Barre Wednesday. The Press Committee announced that the object of the meeting was to get the consensus of opinion of the employees of the road as to what plans should be adopted looking to a reduction of hours of labor for some of the men. Some of the runs were too long, the committee said, and the officials of the company will be asked to reduce the working hours. The grievance is a minor one, and it is expected that an amicable agreement will be reached.

## ADVERTISEMENTS

**THE HAND OF MAN.**  
The Rosabele Leslie Co., which has proven to be one of the most pleasing traveling stock companies to visit this city, during the current season will close a week's engagement at the Loomis this evening. "The Hand of Man," which has been selected for the closing performance, was written especially for Miss Leslie and presents her in a character which is entirely different from any in which she has been seen during the engagement. In that of a homeless sweet wife, who has been stolen from her parents, when but a small child, and reared among the poverty and squalor of the famous East Side of New York. The same magnificent scenic display that has characterized all previous productions by this company will prevail.

## FUNERAL THIS AFTERNOON.

The funeral of Lewis E. W. Searles who died at the hospital on Wednesday last took place this afternoon at Towanda. During the time of the funeral, the Frost furniture works, of which the deceased was an employe was closed. Besides his parents, who have resided at Waverly for a short time past he is survived by two sisters, Mrs. William Morris of Athens, and Miss Isabella Searles of Towanda.

## PLEASANTLY SURPRISED.

A party of about 20 of the friends of George Miller surprised him at his home on Cayuta street last evening, it being the occasion of his birthday. The evening was spent in a most enjoyable manner, and the party broke up after wishing him many happy returns.

## DEPARTURES.

Mr. and Mrs. Merrill of West Lockhart street, entertained a few friends at their home last evening. The evening was spent in dancing.

Mrs. T. J. Lane of Marshview, a sister of Mrs. J. C. Lynch of this place, who was operated upon at the hospital several days ago, is improving slowly.

Alec Stephens of No. 314 North Elmer avenue, who was injured one week ago today in falling from his engine, is still confined to his home by the injury.

James Boyle, who was tendered the position of assistant Lehigh Valley detective on the Wyoming division, has decided not to accept it. No other appointment has been made thus far.

## YESTERDAY'S WEATHER.

A RECORD BREAKER.  
Thermometer Stood at 70 and Day Closed With a Genuine Electric Storm.

Friday, March 22, 1907, will pass down in history as a record breaker so far as heat is concerned. The morning broke cool and spring-like, but by three o'clock in the afternoon the thermometer had crawled steadily upwards until it stood at nearly 70. Doors and windows were opened, men abandoned their overcoats and women were seen running about the streets without headgear. At six o'clock houses warmed with furnaces were almost unbearable, and the occupants retreated to the front porch where the early hours of the evening were spent. Many went to bed leaving windows and doors wide open. At nine o'clock an electric storm passed over this section. The storm was like one in mid-summer. Today, the thermometer has fallen some and according to the predictions of the weather man overcoats and fur coats will once more be articles of comfort.

## FLAMES DESTROY BARN AND CONTENTS.

Building Located on the Wheaton Property Across River Entirely Destroyed.

The large barn located on the Chauncey Wheaton farm on the hill just east of Sayre was entirely consumed by fire at two o'clock this afternoon. The building was filled with hay and it is presumed that the fire was set by tramps. The progress of the flames was watched by a large crowd of Sayre citizens who congregated on the streets in the business center of the town.

The building is said to have been erected about fifty years ago. The loss is covered by insurance. An unoccupied dwelling situated some distance from the barn failed to catch fire.

## SPECIAL BAGGAGE DELIVERY.

New System on the Lehigh Aids Travelers.

The Lehigh Valley Railroad Company now has a system in operation whereby the purchaser of a passenger ticket may, for a small charge, have his baggage checked to and delivered at any specified place in the city which he is destined.

Thus, if a person were going from Sayre to Chicago he could, by making his desire known at the ticket office here, arrange to have his baggage conveyed to his hotel or any residence or other point in that city without giving the matter a thought after arrival there. All he would have to do would be to take a car or carriage for the place where he intended to put up and the luggage would get there about as quickly as he would.

## M' MULLEN TENDERS HIS RESIGNATION.

He Will Be Succeeded by A. C. Adams of the C. B. & Q. on April 1st.

John McMullen, who has been the master mechanic of the Lehigh since August last, has tendered his resignation to take effect on the first of the coming month. The retiring official has been with the Lehigh for many years. He is to be succeeded by A. C. Adams, who has recently been with the C. B. & Q. Railroad Company. Mr. McMullen has not announced his plans for the future.

## FREDERICK CAMP DIED AT THE PACKER HOSPITAL LAST NIGHT.

Frederick Camp, aged 41 years of Greenwood, died last night at nine o'clock at the Packer hospital of pneumonia. The deceased was brought to the hospital on Thursday evening, suffering from tetanus, the result of injury sustained to his leg by getting caught in the gearing of a machine at the Union Tanning Company's works at Greenwood. Tetanus developed and when he was brought here his jaws were set. Death followed last night, the poison having extended too far to yield to treatment. The deceased is survived by his wife and one son, the latter being sixteen years of age. The body was removed to Undertaker Loomis' rooms and shipped to his home at Greenwood today.

## BROKE LEG SECOND TIME.

About nine weeks ago Mike Lavelle an employe of the Murray mines at Barelay, was brought to the hospital at this place to receive treatment for a broken leg. He was discharged the other day and went home. Yesterday he was leading a horse when the animal jumped suddenly and threw him to the ground, breaking the leg a second time. He was brought here to the hospital today.

## FOR WEAK KIDNEYS AND LAME BACK USE DEWITT'S KIDNEY AND BLADDER PILLS.

Best for lumbago, rheumatism and bladder troubles. Sold by C. M. Driggs, Druggist.

## IS SOMETHING WRONG? USUALLY IT'S THE STOMACH.

Use Cascasweet and put the stomach right, and the sunshine will return to the baby's face. Cascasweet is best for babies and children. 50 doses 25 cents. Sold by C. M. Driggs, Druggist.

## STRUCK NAMED WITH IRON BOLT.

One Hungarian Murderously Assaulted Another in the Car Shops Yesterday Afternoon.

With his head swathed in bandages to cover up two ugly looking scalp wounds Wesley Namei a Hungarian laborer, secured a warrant from Justice Carey yesterday afternoon for the arrest of Mike Borwart, also a Hungarian, who is charged in the complaint with having struck Namei with a heavy iron bolt. The assault is alleged to have occurred yesterday shortly after noon in the Lehigh Valley car shops. Both men are employed in the shops and from what can be learned it appears that the men engaged in a quarrel. Namei claims that Borwart seized an iron bolt, such as used in bolting large timbers together, and before he could get out of the way Borwart struck him twice. Each time that the bolt descended it struck Namei on the top of the head, causing extensive lacerations and contusions. Namei first went to the hospital where the surgeons dressed his wounds. He then secured the services of Attorney C. C. Youm and a warrant was issued for his assailant's arrest. The complaint charges aggravated assault, which is punishable with imprisonment and a heavy fine.

Chief Wajah arrested Borwart last night and placed him in a cell in the lockup, where he spent the night being unable to give bail.

Since the above was written it appears that jealousy on the part of Namei was the cause of the quarrel between him and Borwart. Namei alleges that Horwart has frequently called on Mrs. Namei, while the latter's husband was away from home. The other day, however, Namei went home, and cautiously opening the door found Horwart in the house and Mrs. Namei was entertaining him. Ever since this occurrence there has been bad blood between the two men and Namei it is alleged has threatened to wipe Horwart out of existence. It is also alleged that Namei was the aggressor in yesterday's scrap and that he tried to hit Horwart with a mangle. Horwart, however, was too quick for Namei with the result that the latter received two blows from the iron bolt in the hands of Horwart.

Justice Nelson went to the lockup last night and Horwart caused a warrant to be issued for Namei, charging simple assault.

Both defendants entered bail this morning for appearance for a hearing. Borwart will be given a hearing on Monday afternoon at two o'clock while the case of Namei will be heard on Tuesday afternoon.

## BLOOD POISONING RESULTS FATALITY.

Frederick Camp Died at the Packer Hospital Last Night.

Frederick Camp, aged 41 years of Greenwood, died last night at nine o'clock at the Packer hospital of pneumonia. The deceased was brought to the hospital on Thursday evening, suffering from tetanus, the result of injury sustained to his leg by getting caught in the gearing of a machine at the Union Tanning Company's works at Greenwood. Tetanus developed and when he was brought here his jaws were set. Death followed last night, the poison having extended too far to yield to treatment. The deceased is survived by his wife and one son, the latter being sixteen years of age. The body was removed to Undertaker Loomis' rooms and shipped to his home at Greenwood today.

## WRECK IN THE YARD.

A caboose and two freight cars were smashed into kindling wood in the upper end of the Lehigh yards this morning. A string of cars was being pushed into a siding, and before the engineer could observe a signal to stop the cars went crashing into a caboose and two cars. The caboose was a complete wreck, and the cars were badly damaged.

## STOPPING CONSTRUCTION WORK.

Erie Railroad Fears "Burdensome State Legislation."

All the new constitution work on the Erie railroad which had been underway in New York state during the past year will be stopped until further notice, according to an official statement issued from the Erie offices yesterday. This action was decided upon at a meeting of the executive committee of the company.

The principal reasons for the action as given in the official statement which accompanies are that "within the past two weeks it has been found that there is a likelihood of the policy of the state of New York being entirely reversed with respect to the control of subsidiary corporations and also that other burdensome legislation is proposed."
