The eldest daughter—May, of Mr. and Mrs. Daniel Reynolds, of Eagles Mere, died on Saturday evening, Oct. 19th, aged two years. Interment took place in the Mountain Ash cemetery at this place on Tuesday.

Mr. V. W. Quigel of Williamsport, was in town on Tuesday soliciting subscribers for the *Gazette and Bulletin*. Mr. Quigel met with good success at the county seat. The *Gazette* is the leading paper in this section and is liberally patronized by Sullivan county people. The *Semi-Weekly* only \$1.50 a year.

The members of South Dakota's first Legislature caucused Tuesday morning of last week at Pierre, and chose officers. Young, of Minnehaha, was selected for Speaker of the House, Lieutenant Governor Fletcher presided over the Senate. The members of the two Houses were sworn in at 12 o'clock and Governor Mellette delivered his inaugural. The building could not accommodate the crowd and hundreds were turned away.

Nelson Cox met with a painful and somewhat serious accident at the Bernice mines last Wednesday morning. He was engaged in what the mines call "pulling the pillars" when a portion of the roof fell upon him, doubling him up like a jack-knife. Speedy assistance was rendered, the fallen rocks removed and the injured man taken home. He was badly bruised across the hips and back, but very fortunately no internal injuries resulted and he is rapidly recovering. It was what might be termed a "fortunate accident."—*Dushore Review*.

Republicans give Alphonso Walsh your vote. He is a fine fellow and merits your support.

The politicians are favored with the finest kind of weather for their business. We imagine they are making hay all right enough.

Vote for William J. Lawrence for Sheriff and you will be helping to elect a young and poor man who is conspicuously fitted for the position.

Mr. Utz has been Sheriff of Sullivan county and is a rich man and does not need the fees of the office for a livelihood. Vote for the poor man every time. It may be you next.

Mr. Wm. Meylert of LaPorte must be acknowledge by all to be the organizer of the Prohibition party of Sullivan county. Mr. Meylert will vote for Wm. Lawrence, for Sheriff.

Reports received from different points throughout the county show that Will Lawrence is steadily growing in favor with the people and that he will be heartily supported on election day. This is as it should be.

A noted politician of Bernice and one of LaPorte, were out electioneering for Mr. Utz on Sunday. Such work on Sunday is not appreciated by a goodly number of our people and in consequence they will bolt the ticket on election day.

Week before last the *Gazette* argued that William Lawrence could not do as much for the "poor man" in the office of Sheriff as Utz because of his want of means. Last week it argued that Lawrence was rich and not worthy of support on that account. Has Strey got the "rickets," or have they two hands at the *Gazette* bellows.

The *Gazette* has made false statements in fact in reference to the character of the editor of this paper in the vilest language known to professional blackguards. The purpose of this attack is to get into a personal controversy with us to draw attention from the fact that John Utz is an unfit man for the office of Sheriff. We shall not fall in this trap. The candidate against Utz is WILLIAM LAWRENCE. Let the *Gazette* fire its shots at him, for they will fall harmless. He is a pure true and honest man and stands head and shoulders above Utz in intellect and intelligence.

The early settlers of Sullivan county, endured many hardships to build up and establish the county. It is right and proper that their descendants should occasionally be recognized in county offices. The grandfather of our candidate for Sheriff, whose name was also WILLIAM LAWRENCE, was one of the pioneers in the wilderness. He cleared up a farm and was one of the first Commissioners of the county. Our candidate for Sheriff was born in Sullivan county, and has never heretofore asked for any office. He is of the people and for the people and the good sense of the people will sustain him.

Democrats when you bolt Mr. Utz you do not bolt a Democrat. He got his nomination unfair. He was not the choice of the Convention. He has been a chronic kicker in the Democratic ranks and the leaders of the party consider him so and will not take part in helping to secure his election. Can you consistently vote for such a candidate. Will you allow your "sand" to fade at this critical moment. John Utz defeated Michael McDonald, Russel Karns and John Yonkin. Are you in return willing to hand him the reins and let him govern the Democratic party of Sullivan county. Is he a fit man for the position?

The three men of LaPorte who published a card in the *Gazette* last week in defence of A. Logan Grim, did not show very good taste in selecting their organ for publishing the same. The *Gazette* is the Utz organ and Grim's favorite, hence it appeared in the *Gazette*. Either of the other papers would have published the card had they been requested to do so. In our judgment the *Review* should have been the preference. The card appearing in the *Gazette* clearly proves to the people that Grim is fighting the Prohibition battle anxious to cause a feeling in the Prohibition party in favor of Mr. Utz assisted, we are sorry to say, by one or two of our town people.

J. W. Mansfield an old time Democrat of Lopez, previous to delegate election, received a letter from Mr. Utz containing money. The letter requested Mr. Mansfield to do all in his power to elect his (Utz's) delegates. Mr. Mansfield refused to accept the money and handed it over to an associate. To-day Mr. Mansfield says he will not support any man who can not get the nomination of his own party without the use of money. He says if his character and veracity is not sufficient for him to gain the delegates he is not a fit man to represent the people of the county. This is a very important question to be considered. Shall the rich man be King. This use of money is what defeated F. M. Crossley in the Convention and if tolerated will have the same effect upon every poor man who comes before the Convention. Voters, vote it out of existence.

Hundreds of Democrats all over the county refuse to support Utz for Sheriff, because he is a wealthy man and has had the office once. They condemn him also because he is head of a corrupt ring in the Democratic party. Will Lawrence is a poor man a honest man and well qualified to do the business, has never sought office before and is the people's choice for Sheriff—Give a poor man your ballot—Do not thrust riches upon riches but vote for a man that is obliged to work for his daily bread like yourself. Utz is a retired gentleman with lots of cash by his side. Examine the recording books in the Prothonotary's office if you doubt our assertion, and see the thousands of dollars entered up against poor men of the county in his favor. If none but rich men can be elected to county offices when will your chance come. Consider this gentlemen and we feel sure that you will give the poor man your support, on the 5th of November.

This is no accounting for tastes. Here is what three good citizens of LaPorte Boro, say in a card to the Prohibitionists of Sullivan county: "We selected Mr. Grim and employed him for this work because we believed he was a true man and well qualified; expected and offered to pay him as we would any other person who would work for us."

They might have added that Grim was paid money for making speeches in favor of the Prohibition Amendment last Spring, and immediately after the election went off on a "big drunk." They might have added that Mr. Grim went straight from a consultation with John Utz into the Prohibition meeting and took a leading part in favor of the nomination of a Prohibition candidate for Sheriff. As it is now proven that Mr. Grim was selected and employed for him to assist in getting up the Convention, it is a fair inference that he was working for pay in the Convention. If it was not John Utz's money that paid his bills, whose was it?

Among the busiest little towns in Northern Pennsylvania conspicuously appears the city of Lopez, Sullivan county, with a population of from 6 to 8 hundred. This town is filled with manufacturing industries. In the centre of this attraction is located Deegan & Farrell's Hotel which is a fine three story building and will accommodate one hundred people. A full house there is quite common and the receipts for one day often aggregate one hundred and fifty dollars. Messrs. Deegan and Farrell have within a recent date gone to considerable expense of bringing pure spring water from off the mountain by pipe line, a distance of one-fourth mile which not only furnishes the Hotel with water but a large per centage of the residence of Lopez. These gentlemen are now erecting a large town Hall close by the Hotel stand which will be when completed one of the finest in the county. The lower floor will be occupied by John P. Kennedy formerly of LaPorte for a billiard hall and a barber shop. The Hall or second floor will be used for dancing, theatres &c., which will be greatly appreciated by the people of Lopez.

At the election next month the people of Sullivan county will have an opportunity of voting for a poor or a rich man for the office of Sheriff. Mr. Lawrence the poor man and Mr. Utz conceded to be one of the wealthiest men in Sullivan county. Mr. Utz was not the choice of the Democratic party. Mr. Lawrence was placed before the people in a square and proper way, no chicanery or bribery was used to nominate him. For whom will you vote?

Where Utz is best known he will be cut the worst. For proof of this assertion we only need to call the attention of the voter to the Delegate election when he only received seven majority in his own Boro., over a candidate ten miles distance. His neighbors with the exception of Scouten, say he is not the person for the office. Owing to dissipation. We have this from tax-payers of Dushore boro, and if you doubt us, we insist upon your writing to some disinterested party residing in said boro, and obtain the desired proof of our assertion. A thirty dollar whiskey bill is a good deal to pay for whiskey consumed in one month. Such conduct would cause dissipation to any man and in time would render him unserviceable to public administration. Reader whether you be a temperance man or a drinking man you desire that when you place legal documents in the hands of a county official that the papers have due consideration and that they be properly looked after. His friends may call your attention to his term of 1877, this is all right, but ten years of continual dissipation has caused a big change to overcome John Utz.

The charges which the *Gazette* makes against our candidate for Sheriff in its issue last week are about as follows:

William Lawrence is a member of the firm of Lawrence Bros. The firm have established a furniture store in Dushore. Therefore they must be rich. Again the firm of Lawrence Bros. are contractors and builders and employ 10 or 12 men. Therefore they must be rich. Again Lawrence Bros. have built two dwelling houses in Dushore for their families to live in. Therefore they must be rich. It is not our purpose to depreciate the circumstances of Lawrence Bros. As we have said heretofore they are young active business men and are putting forth their full strength in business enterprises. They are the kind of men who do the people good. The profits from the office of Sheriff will do them good. Should William Lawrence be defeated because he is in business? Should he be defeated because he has built a house in Dushore to live in? We do not know that there is any reason why a man who has built a dwelling house in Dushore should be condemned.

Should Lawrence be defeated because he employs men to work with him in his business as a builder? Yet such are frivolous objections made against him by the *Gazette*. It says: "This does not look as if the voters of Sullivan county ought to vote for Mr. Lawrence on account of his poverty." No one has advocated his election on the ground of poverty. The *Gazette* shirks the point of contention. We have said that William Lawrence has no money to spend to carry the election. This is true; and further he is not the kind of a man to corrupt voters with money if he had it.

We have said that his competitor is a rich man, and the Assessment books in the Commissioners office prove it. He has thousands of dollars drawing interest. He does no work; he shaves notes, and speculates.

He can command ready money in large amounts any day. That he is using it freely to assist in his election is not denied. That the lovers of boodle are training in his ranks is certain. All who are acquainted with both candidates must admit that Lawrence is morally and intellectually so far above Utz that they cannot be compared together. We shall be amazed if the good people of Sullivan county do not rally to the support of Lawrence and elect him by a rousing majority.
