Gen. Tracy's Dead Wife.

Mrs. Benjamin F. Tracy, the wife of Secretary of the Navy Tracy, was a lady well and favorably known in Brooklyn, where her home had been for twenty-three years.

Gen. Tracy who was born and brought up in Owego, married Miss Catlin in 1854. They resided in that place until 1865, when they came to Brooklyn, where their home has since been.

Personally Mrs. Tracy was a very pleasant lady. She had a fair complexion and large blue eyes. In height she was slightly above the medium.

The Tracy family, besides Mr. and Mrs. Tracy, consists of three children and one grandchild. Mrs. Emma L. Wilmerding, the eldest, is a widow with one child.

Mrs. Wilmerding has resided with her family since her husband's death, and went with them to Washington. Frank B. Tracy, the only son, favors his father in appearance and in his business ability.

He now lives at home, and only spends in Washington what time he can spare from his father's business. Miss Mary Tracy, the unmarried daughter, one of the victims of the disaster, was like her mother in appearance. She was very amiable and had a host of friends who will be horrified to learn of her dreadful fate.

Honesty is doubtless the best policy, but it seems to have expired long ago.

Dr. W. A. Bradley, who was charged by the Phila. Press with larceny as bailee some time ago, was sentenced on Wednesday Jan. 29, to five years and six months in the Eastern penitentiary.

The treasury depart decides that a cask used in importing liquor cannot be used again in exporting liquor. Now if the department would only decide that a man once filled with liquor could not be used again for the same purpose, the temperance question would be nearly solved.

SONESTOWN ITEMS.

The By Laws of W. C. No. 344 P. O. S. of A., printed by the Republican office of LaPorte, was received this week, and can say they are a cr. to any printing house, for neatness correctness of print and durability.

The new secretary and correspondent for the REPUBLICAN signed "Kato" from Davidson, is afflicted with plagiarism in a very virulent form. He made what his verandcy considers to be a fatal home thrust against "Maurice" by purloining "Gus the miller" sayings verbatim.

Now if writing items for a paper for 12 1/2c per month engenders all that gall his case is hopeless and beyond the reach of human aid and his literary horizon will soon be over clouded with a mackerel sky.

He will find that he has cast his lines with an unsympathetic writer if he continues the practice of appropriating the brains of others just to get even on a question of "Female Rights." Rose—after this when you want to unload spleen on "Maurice" use your own brains or give credit to whom credit is due.

Horace Greeley's advice and go west as your talent is not so very much appreciated in this country. Advice. The pound party on Friday evening for Rev. S. S. Mummy was well attended. They have gained many pounds.

Mr. J. S. Perkins of Cleveland Ohio, is erecting the county Iron Bridge at or near Geo. Rea's, on Muncy Creek for the Havana Bridge Co., of Havana, N. Y. Mr. Perkins has made many friends here who will regret his absence.

John Richart is seriously ill. He was first taken with la grippe, but it has now turned into lung fever. We hope he may find a speedy recovery.

The young men of town are looking forward to Saturday's Local district Institute. We hope they will not be disappointed in their future plans. Of course the boys are very seldom left, on any affair like this.

The E. V. Minister Rev. S. S. Mummy is holding protracted meeting at Nordmont. They held quarterly meeting here on Sunday mornings at the M. E. church. The presiding elder was present.
