The opponents of Governor Hill in his own party are carrying on the war against him as vigorously as if the Democratic National Convention was only a few weeks away and Hill's chances of getting the Presidential nomination were bright. The Nashville American calls "David Bennett Hill and his henchmen" a lot of "political cutthroats," and the St. Louis Republican indorses the characterization and declares that the Democrats "will not put Hill on a national ticket under any circumstances." "As a Democrat in national politics he is dead." it adds. If this sort of knifing process is to begin so early in the Democratic party the hope of harmony in 1892 will be dim. The Democratic factions should remember that the quinine supply was pretty well depleted by the late grippe and that they may not be ab se aft by

SONESTO WN ITEMS. Local Institute held at Senestown Feb. 7th and 8th, was a failure. On account of the storm and as Mr. Emerson Collins Esq., of Williamsport could not be present as sick-

ness in his family prevented. It will be held on March 7th 8th, we understand. Kato's sister was very much offended at "Mexicans Joe's" sayings in last weeks issue, and says "M. Joe" had better attend Institute at LaPorte again. Of course

she don't know of whom she speaks. We think without a doubt Mr. Jacob Lorah smiled more than any other one man on Friday evening, all because he had his wishes granted by seeing the beautiful snow fall

in order that he could run his

recovering. John Richart who has been confined to his bed for the past two weeks, is now able to be out. We kindly advise Johney to be very careful for should he have a relapse his case would be more hopeless then Kato's.

I would just say to some of the people of our little village, that Mr. McCarty is not after the position of bar tender or landlord at Hotel Magargle, in my mind but simply stops there to cass an evening or two, with the school or ex-school mam-am I not right Ella May ? The new engine No. 2, on the W. & N. B. R. R., passed by our place over the road to Nordmont on Tuesday. If she don't deceive her looks she is a dandy three wheeler.

Geo. Simmons proprietor of the Hillsgrove...... Sonestown Iron Works, is now reaping a grand harvest, this cold icy weather. He has two young men assisting him from daylight until after dark. May your success continue Mr. George.

Mrs. Joseph Morrison when com ing to town on Tursday last, found by the roadside a flower in full bloom, known by the Germans as the Christwatsle this is something rare as the flower is seldom found in this section of the country and then to find one in the dead of winter, is very unusual. Sonestown may be counted in as being a winter town as well as being a summer resort.
