

LOCAL DEPARTMENT.

Get registered. Court convenes on Sept. 15th. Squirrel guns will soon be put to use. The corn is now arrayed in silk attire. It will soon be time to lay in a stock of coal. When your friends visit you hard us their names. Labor Day will fall on Monday, September 1st. New summer guests are arriving daily at LaPorte. The Pennsylvania crops will be far below the average. Master Ernest Lauer of LaPorte, is visiting friends at Athens. Frank L. Shaffer of LaPorte twp., is clerk at Hotel Kennedy. A party from Muncy, registered at the LaPorte Hotel, on Friday last. Joseph Walburn of Lopez, was doing business in town, on Saturday. We have added several new subscribers to our list during the past few days. Abraham Morgan of the 'Mere, was transacting business in town on Monday. Atty. H. T. Downs and daughter Miss Lizzie, made Dushore a call, on Monday. Mrs. Cynthia A. Washburn of Milan, Bradford county, is visiting friends of LaPorte. Mr. and Mrs. W. T. Watrous of LaPorte, are visiting friends at Binghamton, N. Y. Republican Standing Committee meeting this Saturday, Aug. 23. A full attendance is requested. The Republican convention of Bradford county nominated James Coddling for president judge. Candidates are once more in the land and the hand-shaking process is being worked for all it is worth. Mrs. LaPierre and daughter, Miss Hallie LaPierre, of Camden, N. J., are new arrivals at the Mountain House. Mr. James B. Werner will conduct services in the school house at Davidson next Thursday, Aug. 28th at 8 o'clock in the evening. Mr. George Crossley and Miss Lilley McHenry, both of Benton, were calling on friends at LaPorte, on Saturday and Sunday last. We are told that the Non Partisan W. C. T. U. of LaPorte are about to take exception to the plate of iron recently put up in front of the jail window. The census returns give Clinton county more than one thousand of a population over the first report.—Ex. Wonder what the result of Sullivan county will be? The pesky flies to some extent have left our town. With this assurance LaPorte will be made to boom as a summer resort. Exchange please copy. Railroad news continues. We are now told that the W. & N. E., will connect with the L. V., at Lopez in a very short time. We trust that the statement is correct. Charles Spiker Wolfe is now out of the Prohibition fold and in the Democratic. It has taken him eight years to get the pill down but it is there sure enough. Late arrivals of Maplewood Cottage, Ada Meylert proprietor; Miss Annie Carrigan, Miss Lizzie Hart, Miss Belle MacKenzie, and Miss Kate Biting all of Philadelphia. E. V. Ingham of Hotel Eagles-Mere made his first visit to LaPorte, since the opening of the summer season, on Monday last. We imagine he is kept pretty busy these days. Gus Smith of Forksville, Democratic candidate for County Treasurer, was looking up his many friends at the county seat, on Tuesday. The three Democratic candidates for Treasurer, viz: Smith, Murray and Thrasher are making a lively campaign for one another; it is pretty hard to say which one will get there.

MARRIED:—Crawley—Stroup. At Montgomery, Lycoming county, Pa. Aug. 4, 1890, by Rev. H. F. Cares. George W. Crawley and Maggie M. Stroup, both of Muncy Valley. Of course Mr. Pattison will be very silent in that letter of acceptance respecting his half million dollar extra session of the Legislature in 1883. It is a sore subject. The new boat house at Lake Mokena, was completed last week. The size of the same is sufficient to hold a half dozen or more boats. W. T. Watrous did the work. A lady guest of the Lakeside House at the 'Mere, died of heart disease, on Wednesday night of last week. Her remains were taken to Philadelphia, on Thursday the 14th. S. John's church, LaPorte, Pa., Mr. James B. Werner A. B., Lay Reader. Services next Sunday (St. Bartholomew's Day) at 10:30 in the morning and at 8 o'clock in the evening. All are welcome. We are under obligations to the Secretary of the Agricultural Society of Berwick, Columbia county for a complimentary ticket to their fair to take place on September 3, 4, 5 and 6th. It is whispered that several of our young people will listen to the ceremonies of matrimony, and join the old people's brigade, in a very short time. May happiness and prosperity be with them. Our business men, farmers and others are earnestly invited to take part and assist in making the coming Fair the most successful one ever held. The management will do all in their power toward this end. Deputy Sheriff R. M. Stormont of LaPorte, has recently invested in a brand new turn-out. He purchased the horse which is three years old of James Peterman of LaPorte twp., and it is quite a stepper. When it matures, look out for a 2:30 gate. Friday Aug. 15th was pay day at Jamison City. Four thousand five hundred dollars was paid out by Proctor to his employees. This is quite considerable to pay out for one month wages and is what makes business so brisk at the City. The Eagles-Mere road between LaPorte and the twp., line is receiving many compliments by those who pass over it. Supervisors King and Ring have just completed repairs on the same and according to all accounts have done a good job. Thos. E. Kennedy of Jamison City formerly of LaPorte, has accepted the position of head clerk in Proctor's store at said place. He has served two weeks in said position and likes it very much. He drove up to LaPorte on Sunday and spent the day with his parents. Mrs. Jerry McMurtre and son John of Berwick, who have been spending a few weeks at LaPorte in search of health, returned to their home the latter part of last week. They were accompanied by Miss Ida Keeler of this place who will spend a few days at Berwick. Jesse Thomas of LaPorte, has recently invested in a lot at Jamison City and has begun the erection of a wagon shop on the same. There being no shop there he is assured plenty of work and his future prospects look bright. We wish Jesse lots of success in his new undertaking. We wish to call the attention of every Republican voter to the fact that it is necessary to be registered or assessed on or before Thursday, September 4, in order to vote in November. Persons who have changed their election district since the last election, should look after the matter at once. Garret Ryan of the 'Mere, was a guest of LaPorte, on Monday. While here he gave a few of our lady summer guests a good time. His visits to LaPorte are quite frequent of late. Garret thinks pretty girls scarce at the 'Mere. We concede his good judgment. Chas. F. Fleischut of Santa Monica, California, formerly of LaPorte, was married to Miss Emma W. Klane of the same place, on Aug. 7, 1880. The REPUBLICAN joins with Mr. F's. many friends of Sullivan county in wishing the newly married couple prosperity and happiness.

Tattle's circus which exhibited at LaPorte, on Thursday last, was pronounced very good by our people. They were greeted by a full house. A boat race will come off at the 'Mere, on Saturday Aug. 23, in which three members of the Schuylkill Navy of Philadelphia, will take part. The excitement of the day promises to be great as the race will decide the championship of the Navy. It will take place at 4 p. m. George L. Sanderson, president of the W. & N. B. R. R., will leave this week for New York, where he will take the steamer City of N. Y., for Europe, and will do the continent. C. J. Lamerson, of the Mankey Decorative Company will accompany him and they expect to meet Miss Bishop in London.—Williamsport Sun. It is stated by high medical authority that more than two-thirds of the people who were attacked by the malady known as la grippe, last winter, are still suffering in some form or other from its effect. They lack elasticity, buoyancy and strength, and creep about their vocations. Its effects will not pass away for some time. Have you observed that the editors of the Dushore papers are quarreling? This is really too bad. Who will hold their coats when the crisis comes? This is a funny world to make the best of if John Sullivan will shortly be compelled to take a back seat. Boys there should be a limit to the heft of the blow—light ones preferred. Without any exceptions, Lawrence Bros. & Donahoe of Dushore have the largest and best assortment of furniture ever offered for sale in Sullivan county. We request our readers to call on the boys and see for themselves the large display of furniture kept on sale by the bottom price dealers. It is certainly immense. If we are not mistaken the LaPorte boys who have gone to Jamison City for employment have received the cream of employment there. For instance J. W. Flynn is serving Proctor as book keeper and pay master; Frank Barragen out side boss of the hub factory; Charley Landon assistant boss carpenter of the tannery; and now Thomas Kennedy comes in for head boss of the large company store. For good men come to LaPorte. A Hungarian who has been in the employ of the L. V. R. R., for some time was run over by the cars on the extension of said road about four miles above Lopez, on Friday last. He was intoxicated and by some means fell on the track and his arm crushed from near the wrist to the shoulder. He had been told twice by the proper authorities to keep away, but he was an irritable foreigner and persisted in having his own way, hence the accident. He was immediately taken to the L. Hospital, at Sayre. While calling on friends at Lopez on Friday last we were invited to C. H. Jennings to take a ride to the end of their new narrow gauge road, built for the transportation of lumber in logs from the top of mountain to their saw mill. The road extends about one mile into forest, and the grading is complete some distance beyond; the boys receiving each week a car load of railroad iron and have employed several men laying the same. They expect to complete the building of the road in a few weeks. The road was very interesting; we passed over several trestles in the neighborhood of 18 feet high which were very artistically built. The motive makes extra good time. The boys having loaded their cars made the round trip, unloading the mill in seven minutes. The cars runs very smoothly. The enterprise of lumbering in Sullivan county is about \$3,000 a mile. The Jennings Bros., are perhaps the most industrious business men we have in our county. Their immense, thick of sawing up thousand feet of hemlock for each day, more than the average mill will turn out in a week inside of the plant is a complete hive of industry.

Dr. Hill has recently graded Main St., in front of his residence, which has improved the appearance of the same in the extreme. There are other residents of our town who should follow his example. The Prohibition party of Lycoming county, held their county convention in the Court House at Williamsport, on Saturday last. The convention was called for at 10 o'clock, but at that hour the only delegate present was Mr. Benjamin G. Welch of Hughesville. He said to a reporter, half an hour after the appointed time, "With a railroad man one o'clock means one o'clock. I have half a notion to organize this convention, elect myself to all the offices, nominate myself to all the places on the ticket and adjourn!" Mr. Welch, was however, nominated for member.—Ex. SEVEN MASKED MEN. A Heavy Train Robbery in Missouri. KANSAS CITY, Aug. 17.—The Limited Express on the Missouri Pacific road was stopped by seven masked men to-night near Otterville. The robbers secured about \$90,000. When the train stopped the engineer was commanded to go to the express car and tell the messenger to open the door. He did so. When he reached the express car he found that the robbers had five confederates stationed at convenient places about the car, all armed and the faces concealed behind masks. He rapped to the door of the express car, and, covered by the revolvers of the robbers, called to the express messenger, Sam Avery, to open the door. Avery, suspecting no danger, pushed back the door. As he did so the leader and one confederate pushed their revolvers in and ordered the messenger to hold up his hands. The order was obeyed, and three of the robbers fished into the car. They proceeded immediately to the safe, which was unlocked. Avery was commanded to open it, and at the point of a revolver did so. One of the robbers unfolded a gunny sack, and in it he placed the entire contents of the safe. The robbers then made an examination to see if they had overlooked anything, and finding nothing more of value backed out of the car, their revolvers pointed at messengers, and made good their escape. A later dispatch says that amount secured by the robbers is unknown, but it is believed to be large.—Ex. Two games of base ball was played at Bernice on Saturday last as given in the REPUBLICAN last week. The morning game was: Eagles-Mere vs. Bernice which resulted in a victory for the 'Mere team to the tune of 20 to 11. The afternoon game Towanda Reserves vs. Bernice, was won by the home team 13 to 10. The Towanda boys were somewhat disturbed over their defeat, but the wrinkles on their countenances soon disappeared when the music of the orchestra in the K. of L. Hall struck up and was plainly heard in the direction of Schaad's Villa. This aroused the music sensitive of the boys' ears and all struck up "Annie Roney." The chorus was immense, "Pickles" taking the lead. Our readers may be at a loss to know what this word "Pickles" signifies. Well it is no cucumber dyed in vinegar, we will give you a pointer on that; nor is he a cauliflower pickle, but simply a colored boy whom the Towanda boys play behind the bat. They perhaps have christened him "Salt Pickles" on account of his being so fresh on the delivery of his balls as he took them all in, that is he caught them all. The Bernice boys however, out done the Reserves at the bat and won easily. The dance was well attended and the net receipts of the evening amounted to some more than the expenses of the day. The best of order prevailed and the B. boys took pleasure in looking after their guests that they might enjoy a good time. The Towanda boys on their way home stopped off at Dushore and played a picked nine of that place on Saturday. This game was amusing in the extreme and was won by the Towanda boys, 6 to 0.
