J. V. RETTENBURY, WATCHMAKER AND JEWELER, DUSHORE, PA.

## REPUBLICAN STATE TICKET.

FOR GOVERNOR, GEORGE W. DELAMATER, of Crawford. FOR LIEUTENANT-GOVERNOR, LOUIS A. WATRES, of Lackawanna. FOR SECRETARY OF INTERNAL AFFAIRS, THOMAS J. STEWART, of Philadelphia.

Political kickers are apt to regret their kick in the future, hence a careful study of the situation should be made. A fair nomination is supposed to have the support of the party.

The new State of Wyoming has gone Republican by a large majority. The entire ticket was elected. The Governor by over 2,000 majority and the State Legislature will be Republican by 23 majority on joint ballot.

President Harrison signed the anti-lottery bill last Friday and it is now a law. This is interesting information and it is to be hoped that the provisions of the law will be strictly enforced. If the lottery companies or the willing dupes of the swindlers persist in violations of it the punishment which the law provides should not be slow in visiting them.

They spent the night in the "cooler" and were fined \$3.50 each. Let the good work of arresting all such offenders go on and it will soon show a marked advancement in the preservation of order in Dushore.

## Pianos Organs.

The improved method of fastening strings of Pianos, invented by us, is one of the most important improvements ever made, making the instrument more richly musical in tone, more durable, and less liable to get out of tone.

Both the Mason & Hamlin Organs and Pianos excel chiefly in that which is the chief excellence in any musical instrument, quality of tone. Other things, though important, are much less so than this. An instrument with unusual tones cannot be good. Illustrated catalogue of new styles, introduced this season sent free.
