

LOCAL DEPARTMENT.

Sunday was a fine day. Chestnuts will soon be ripe. "Little Trixie" came to town on Sunday.

We have been having very heavy frosts of late. The attendance at the Fair this week is very large.

Small ideas and big words make a painful combination. Many of our citizens are in attendance at the Fair this week.

A railroad to Eagles Mere by next season seems to be an assured fact. All kinds of fine groceries and produce at the store of Mrs. M. C. Lauer.

Don't forget to pay your poll tax before Oct. 4, if you want to vote this fall. Pawnee Bill's wild west show was one of the attractions at the Mansfield fair.

Wm. Moyer of Lake Mookoma, has accepted a situation at Leesburg, Va. The pesky fly will soon be among the things of the past and everybody will rejoice.

The frequency of railroad disasters of late makes one feel as though he had rather walk. Chas. Messenger of LaPorte, is assisting to lay up the brick for the new school house at Dushore.

The fair is now in progress and is noted by everybody as the best exhibition ever held in the county. Mr. John N. Messenger and Mrs. Ida Laurenson, both of LaPorte, are visiting friends in Columbia county.

We were under medical treatment the early part of this week, and have paid but little attention to our paper. The Non Partisan W. C. T. U., will meet at the house of Mrs. A. J. Hackley Oct. 2d and 23rd. All are cordially invited.

New buckwheat flour, corn meal, rye flour, wheat flour and chop at the lowest prices, at the store of Mrs. M. C. Lauer.

While Georgie Chase of LaPorte, was feeding his father's horses last week, one of the animals bit him on the nose leaving an ugly gash. Mr. and Mrs. Newton Maben of LaPorte, who were recently married, returned home from an extended wedding tour, on Wednesday of last week.

The cold water organizers are talking of placing H. T. Ames of Williamsport, at the head of the Prohi. ticket in the place of Miller, resigned. Main and Van Amburgh's Mastodon shows consolidated will exhibit at Sonestown on this (Friday) Oct. 3d. A large number will attend from this vicinity.

Miss Mollie Keeler returned home from Philadelphia, on Monday. She will leave for Denver, Colorado on Oct. 7th where she has accepted a position as private nurse. Mr. Will Colt of Wysox, who has been engaged as clerk at Philadelphia for some time, contemplates accepting a position as head clerk in Trexel & Terrel's store at Lopez.

Sam Cole the Republican nominee for County Treasurer, takes very kindly with the Republicans of the county. He will receive a surprising vote on the 4th of November. Mr. I. L. Lamoreaux of LaPorte, who sometime since fell and broke his leg has entirely recovered and returned from Towanda where he was looked after by relatives, on Thursday last.

The recent rains have left the roads in bad condition again. The roads in the vicinity of LaPorte have been in better condition this fall than at any previous time with in our recollection. A Republican Mass Meeting was held in Williamsport on Wednesday. Governor Delamater Wafes and Stewart, were present and made speeches. A large number of our enthusiastic Republicans were among the gathering which was extremely large.

Mrs. Maria Watkins and daughter Miss May Watkins, of Towanda, are visiting friends at LaPorte. Mrs. Chas. Messenger of LaPorte, who has been ill for several weeks, is slightly better.

Congress adjourned on Monday. The vote on the tariff bill report which was passed on Saturday stood 152 for to 81 against. Mrs. P. E. Armstrong of Philadelphia, is visiting friends in Sullivan county. She paid her many friends of LaPorte a call last week. A little son of Mr. and Mrs. George Rose of LaPorte, died on Thursday of last week. Interment in Mountain Ash cemetery, on Friday, Rev. J. F. Glass of Muncy Valley officiating.

That McKinley tariff bill hurted the English and when it gets through on the Federal lines intended to be protected by its ample provisions there will be more than English howl to account for. Mr. E. Phillips of Davidson twp., caught a large black bear on the mountain one day last week, the largest that the oldest inhabitant of that vicinity ever saw. He captured him in a large spring trap.

W. M. Keller of Williamsport, who has accepted a situation in the blacksmith shop at this place, will take up his quarters at LaPorte the latter part of this week, and will occupy the Clark house, on Main St. The Athens News is an advocate of the political kickers of Bradford county. The Republican party does not apprehend, however, that the News will make a striking change in the result of the count in November.

Capt. Chase's mother, Mrs. Chase, of Wyalusing, has been spending the past few weeks with her son at Eagles Mere. Mrs. Chase visited friends at LaPorte Saturday and Sunday returning to Wyalusing on Monday. Thomas Taylor, a respectable colored man died at Lewisburg lately, and his remains were borne to the grave by six prominent lawyers, among others Hon. A. H. Dill, of Philadelphia, in whose employ Taylor had been for some time past.

The next thing LaPorte needs is a walk to the school house. It is too much to ask the scholars to walk the distance they will be compelled to through mud and snow. We have now a school building that reflects great credit on our town. Let the side walk be built and our school facilities will be complete. A mishap occurred to Thos. Kangley and Henry Donahoe of Lopez, while driving out of town on Saturday. They were going at full speed down the tannery hill when their horse, which was young, kicked and came down back of the cross piece. The horse surged to get loose and broke one fill and bruised its limbs considerably. It was found to be necessary to cut the harness before they could losen the animal.

We informed our readers some time since that Lee Gavitt Esq., of LaPorte twp., would move to Philadelphia where he would attend a medical institution this Fall. Last week Mr. Gavitt and family took the train to the city, and after inquiring the price of rents &c., they concluded it was to expensive and returned home the next day. Lee has about made up his mind that he will for the present at least, continue farming. During the past two or three weeks hen roosts and wood piles have been robbed in LaPorte. The guilty party or parties will run against a snag one of these nights. One good way of catching on to this sneaking thief is to load one or more sticks of wood with gun powder, plug up the hole and the result will surely follow and a conviction will be certain. The lazy good-for-nothing man who refuses to cut his own wood would be better off frozen to death. Before the week is out the new tariff bill will have been signed by the President. It has already passed the house, and although the Senators may consume some time in debate there is no probability that the bill will be changed in the slightest particular. It is the most important measure that has passed Congress since the war. Everybody is interested more or less in its provisions.

At Lancaster on Saturday the turnpike bridge that spans the Pennsylvania railroad, east of Coatesville, was madly rushed upon by a herd of stampeded steers. The structure gave way and twenty-steers and two boys who were driving them were precipitated to the tracks below. One boy was seriously hurt and the escape of both among the struggling animals is considered miraculous. Several of the cattle were so seriously injured that it was found necessary to kill them. The tracks were blocked for an hour. CAMDEN, Sept. 28.—A strong web of circumstantial evidence is being wound around Francis Lingo, who is now confined in the county jail here on suspicion of having brutally murdered Mrs. Annie Miller near Merchantville, on Thursday last. The authorities are so sure they have the perpetrator of the vile deed that they are making no attempt to connect any one else with the crime. No one has been allowed to see Lingo since his incarceration here. As soon as counsel is assigned him his attorney will be allowed to consult with him, but Prosecutor Jenking so far resists all attempts to interview the prisoner. A full house greeted the "Little Trixie" troupe both Monday and Tuesday evening. The play is highly entertaining, introducing some very humorous characters. Little Trixie the singing and dancing actress is a genuine mischief maker and succeeds in keeping the guests of the boarding-house, in which the scene is laid, in constant difficulty and the audience in constant good humor by her comical pranks. Mr. Winterpippin a boarding-house guest and manager of a concert troupe plays a very entertaining part also. The singing was exceptionally good. The company labored under disadvantages in not having more stage room and better scenery. The registration of voters having been completed, it is important that everyone should now attend to the payment of his taxes. This can be done up to and including October 4, and every man who expects to vote must have his tax receipt within that time. In the recently contested election case in Lycoming county one of the learned Judges rendered an opinion that tax receipts not accepted by the voter thirty days before the election are illegal. It has been the practice to purchase receipts for delinquents on the last days for the payment of taxes and distribute them afterward. The practice is all wrong and the opinion of the court is very timely on this point. Every citizen and voter should pay his own taxes. For the Tornado Sufferers. A subscription in aid of the sufferers from the destructive cyclone in the Huntington valley, was recently taken in Bloomsburg by Moyer Bros. and the amount \$125.00 was forwarded to W. H. Moore of Fairmount Spring one of the committee to receive contributions. The remittance was acknowledged with thanks. The following are the contributors: Moyer Bros. \$30 00 L. W. McKelvey 10 00 Wm. By a resolution of the Board of School Directors of the Boro. of LaPorte, passed on the 11th day of September, 1890, it was ordered that the School House and School Lot adjoining the dwelling house of Wm. A. Mason on Main street in LaPorte Boro. be exposed to public sale on the premises, on Wednesday Nov. 5, 1890, at 2 o'clock p. m. and sold to the highest and best bidder. A good title will be given to the purchaser. TERMS:—One-half cash, balance in one year with interest. JAMES McFARLANE, Pres. T. J. INGHAM, Sec'y., Pro Tem.

DUSHORE ITEMS.

Chestnuts are scarce. Buckwheat cakes are in order. G. W. Craft, of Mawr Glen was in town Monday. Main's circus exhibits at this place on Thursday of this week. The brilliant foliage of the forests presents a beautiful appearance. Many of our people are preparing to attend the fair at Forksville, this week. The brick is being hauled from Mogier's kiln near town for the new school house. The Catholic school building has been materially improved by a new roof and a new coat of paint. Co. Supt. Black held his examinations for the teachers of Dushore and Cherry in Garey's hall last Saturday. A Logan Grim Esq., of LaPorte and Hon. Rob't. Taylor Jr., of Muncy Valley, were in town Sunday and Monday. The numerous independent candidates for county commissioner insure the success of the two Democratic and one Republican candidates. "Little Trixie" in Garey's hall last Friday and Saturday evenings was witnessed by fairly good houses and all seemed to be pleased with the performance. The borough school opened Monday with an attendance of about 60. It is thought that this number will be increased in a short time so as to necessitate the addition of the third grade. Reeser & Sylvaria bought over 6,000 pounds of butter last Saturday. This firm is doing a very large business; we would estimate that they ship annually more than \$100,000 worth of farm produce. Fall trade is enlivening the business of Dushore to a great extent. Our merchants are putting in some fine and large stock's which would indicate that they expect a good trade the coming fall and winter. The Ladies Sewing Circle of the Reformed church will give an oyster supper at the residence of Fred Newell on Thursday evening Oct. 9, for the benefit of the church. The Clio Literary League is expected to furnish entertainment which will insure a success for the occasion. Geo. Albert, of Cherry who died on Tuesday of last week, was a well known and highly respected farmer, having served one term as county commissioner. He was 58 years of age. The cause of his death was a tumor in the stomach which was removed after death and weighed 17 pounds. The Soldiers' reunion of Companies B. K. D. A. and C. 58th regiment Pennsylvania Volunteers, held at this place on Monday was quite largely attended and the ceremonies were well conducted. In the afternoon John G. Scouten made an address of welcome to the veterans who had gathered on the occasion, and several other gentlemen made some remarks. A history of the regiment was given at the camp-fire session in Garey's hall in the evening by Joseph Hested, of Albany. N'IMPORTE.

SONESTOWN ITEMS. Charlie is still seen going up the outlet road on Saturday evenings. Squire Simmons intends building an addition to his house soon. Success to you Squire. Mr. Jacob Lorah and employees are putting up a new school house at Rock Run. We wish them success. Gus has resumed his old practice of going to see his patient at the grist mill. Gus do not get to flourery. Dedication services will be held in the Evangelical church. A sermon is expected from the Rev. Stanford of Harrisburg. Mr. Theo. Mencer is repairing his dwelling house. Mr. James Sones is doing the work. Jim is the right man in the right place. Services were held in the Methodist church on Sunday last, and an excellent sermon was preached by the Rev. Mr. Reeser, of Clarkstown. A couple of our young people made a flying visit to Williamsport last week. We did not learn the nature of their business, but from the music that greeted them on their return home, we would imagine a wedding soon. Oh! Gum. UNO.

NOTICE. To whom it may concern.—I this day loaned to William Steel of Jamison City, Sullivan county, Pa., two horses. One a dapple gray and the other a bay, during my pleasure and I hereby forbid any person from meddling with the same. W. A. BROWN. Montoursville, Lycoming county, Pa., Sept. 8th, 1890.

JUMPING AT CONCLUSIONS

Is a mutual exercise taken by a great many people, and, as is natural, they sometimes overleap the mark.

A CASE IN POINT:

A man was looking at our suits a day or so since. He admired them, thought them stylish and etc. But when he learned the price was only \$15.00 a suit, he said: "THEY CAN'T BE ANY GOOD AT THAT PRICE." "Why not?" we said: "Well," he replied, "I never yet saw a good suit as low as that." The man was reasoning from his experience among high-price dealers. It's astonishing how these dealers have impressed the popular mind with the idea that nothing good can be had below their figures. WE ARE HAVING TO FIGHT THIS PREJUDICE, and we're doing it with deadly effect. When once the public finds by actual test, that our \$15.00 suit is the peer of any \$18.00 suit they ever bought, good-by to Mr. High Price. Our \$15.00 dollar suit are the wonder of the season to those who DO NOT JUMP AT CONCLUSIONS.
