We imagine there will be another wedding in town before many days go by.

This is a very quiet campaign in Sullivan. No excitement whatever prevails.

Miss Mamie Gallagher, eldest daughter of F. W. Gallagher, is quite ill.

R. M. Stormont deputy sheriff of LaPorte, is doing considerable official work of late.

Every mother owns the best boy—the worst boy belongs next door every time.

The W. C. T. U., will meet at the rooms over Meylert & Co's. store Friday Oct. 10, at 8 p. m.

Pheasants are reported extremely plenty this season, owing to the mild weather last winter.

It is said that an attempt will be made in the next Legislature to amend the high license act.

Judging from the few young people in town, the amusements at LaPorte will be scarce this winter.

The picnic boy has stopped going to Sunday school, but he will commence again a few Sundays before Christmas.

The man who has nothing to do in this world is to be pited. He degenerates ninety-nine times out of every hundred.

A compositor "sets up" for his wife during the day and the wife often "sets up" for the compositor at night.

The early migration of birds and other signs cause the weather-wise to say that the winter will be an early one, and cold.

Miss Mollie Keeler of LaPorte, left for Denver, Colorado, where she has accepted a position of private nurse, on Tuesday.

Wm. Lawrence of the firm of Lawrence Bros. & Donahoe, of Dushore, was calling on friends at the county seat, on Saturday.

A. J. Hackley of LaPorte, who has been engaged as night watchman at Hotel Eagles Mere during the summer, returned home, on Monday.

M. M. Marks & Co., the one price clothing firm of Dushore, gives you their prices in this week's REPUBLICAN. Look them over. Cheap.

Henry Kohensparger of LaPorte twp., while working with a drawing knife, slipped and fell and cut a fearful gash in the palm of his right hand, on Tuesday of last week.

Prof. F. W. Meylert and wife of LaPorte, took their departure for Forksville, on Friday last, where Frank will conduct the graded school as in the past.

The beam hands of the LaPorte tannery resumed work, on Monday last, after a two week's lay off. The boys had become tired of "vacation" and were pleased to commence their labors.

Owing to sickness, we were detained from putting in an appearance at the Fair last week. However we have been favored with a report of the same. Will publish next issue.

The bolters of the Republican ticket are becoming quite scarce of late.

E. V. Ingham and Wm. Breed proprietors of Hotel Eagles Mere, were in town on Monday. Mr. Ingham left for Philadelphia on the noon train Monday where he may locate for the winter.

I am in favor of the Republican party in this campaign, because of its position on the question of taxation, which is one of the most important issues which the farmer has to meet.—VICTOR E. PROBERT.

The office seeker who can not secure the nomination of his own party and comes out on the Independent ticket, is not entitled to the support of either party.—Etc.

Samuel Anthony of Milan, and sister Mrs. Eva Braynard of Mitchfield, are visiting friends at LaPorte. Their mother Mrs. Cynthia Anthony who has been spending a few weeks with friends here, will accompany them home.

The newly erected Evangelical church at Sonestown, will be dedicated to the service of God October 19th 1890. Rev. W. M. Stanford of Harrisburg, Pa., editor of "The Evangelical" will officiate. Everybody cordially invited to attend.

J. V. Rettenbury the old reliable jeweler of Dushore, has a new in the REPUBLICAN this week and we would urge all who desire to purchase anything in the gold line to look his stock over before purchasing elsewhere.

Frank Barrager of LaPorte, who is engaged as superintendent of the hub factory at Jamison City, came home sick last Friday, and at this writing is under the doctors care. He was taken with a bad cold and is now threatened with a fever.

Occasionally the old soldiers die, and the people thought that it would be a good thing to provide a decent burial for those who die indigent, even at the expense of the State. Would you have for Governor a man who would refuse them a decent burial?—ADJUTANT-GENERAL HASTINGS.

FOR SALE—A colt, age one year and seven months, color, roan, weight, eight hundred and sixty pounds. For further particulars inquire of Wm. Heim, LaPorte, Pa.

County Superintendent Black, held teachers' examination for LaPorte borough and township in the parlors of the LaPorte Hotel, on Tuesday. The attendance was not very large, however, we are told that those present passed a very creditable examination.

We received a letter from J. W. Rogers, president of the Sullivan county Agricultural Society, the early part of this week, who stated that the Fair was a success both in display and financially. This is certainly encouraging to not only the officers of the society, but also to the people of our county who take part in the enterprise.

General Manager B. G. Welch and chief engineer W. A. Mason of LaPorte, were engaged in looking over the prospected new narrow gauge railroad route from Sonestown up the out-let of Lewis' Lake to Eagles Mere, on Monday. This road it is estimated will cost thirty thousand dollars, of this amount twenty thousand has been subscribed by parties of Eagles Mere on condition that the road be completed to the Mere by the first of June 1891. The commencing of grading depends entirely upon the good luck of the syndicate in raising the balance of the cost of the same, ten thousand dollars.

Lake Mookoma Land Company.

At a meeting of the stockholders of the Lake Mookoma Land Company, Tuesday evening in the law office of J. T. Fredericks, Esq., Williamsport, the following were elected as officers for the ensuing year: President, J. T. Fredericks, of Williamsport; Vice President, Judge Ingham, of LaPorte; Secretary, John Lawshe, of Williamsport; Treasurer, F. E. Glenn, of Williamsport. The following Directors were also elected for the ensuing year, viz: Clinton Lloyd, John Lawshe, I. J. Fredericks, James McFarlane, T. J. Ingham, E. R. Payne and W. M. Harrison. It was decided that active steps should be taken to make more needed improvements to the Lake property in the spring.

Democratic candidate for Governor, Robert E. Pattison, will attend the Hughesville Fair this week and deliver a speech, on Friday. Several democrats of LaPorte will take a prominent part among the enthusiastic crowd.

The Union soldiers of the State, without regard to party, will see to it that Pattison is not given another opportunity to veto all of their measures. They will also see to it that the Legislature shall not be Democratic and ready to aid him in the repeal of the "Soldiers' burial law."

Nearly one hundred of our people took in Main's show at Sonestown, on Friday last. Ever conveyance our town affords, was in the procession and several of them made two trips during the day, also a large number of LaPorters took the train at Nordmont returning Saturday.

On Saturday last all the furnaces and mill hands at Danville, with the exception of the Montour operated by the P. & R. R. R., shut down on account of some disagreement regarding wages, the men wanting more than the companies would pay. There is no telling how long the strike will last, and the prospects are anything but bright for the winter.

W. T. Watrous of LaPorte is about to accept a situation of a Philadelphia company to superintend the construction of paving a certain portion of the streets of Johnburgh, Somerset county, Pa. Mr. Watrous left for Philadelphia, on Monday, where he will close or refuse the contract as given above, this week. Meylert and Lewis Armstrong sons of the late Peter E. Armstrong, are members of the company.

The Republican Standing Committee met at Forksville on Wednesday evening of last week and placed at the head of our ticket the name of Ezra Rinebold of Forks twp., for Member in the place of Dr. Herrmann resigned. Mr. Rinebold, although we have never met the gentleman, is spoken of very highly by his neighbors and by those who have had the pleasure of making his acquaintance. Mr. R. is a farmer and an old resident of the county. His many Republican and Democratic friends are anxious in his behalf and the present outlook is very encouraging.

W. C. Farnsworth Esq., of Sunbury, was nominated for Congress, by the Republicans of this congressional district, on Tuesday of last week. The congressional conferees of Sullivan were Geo. W. Simmons of Sonestown and John Amiller of Eagles Mere, the latter was in attendance at the conference and assisted to nominate Mr. Farnsworth, who is a good selection and while the district is overwhelming democratic our candidate who is a favorite among the boys, will take a surprising vote in the district.

It is the duty of the next Legislature to apportion the State into Congressional, Senatorial and Legislative districts. These questions are vital to all of our districts and therefore to the people. The Republicans will want a man in the Executive chair who will not veto all their bills and call another session to do impossible things. If Pattison is elected an extra and very expensive and foolish session is inevitable. Elect Delamater and all of our political rights and privileges will be secure.

We are receiving letters almost daily from those of the Republican bolters at the time of our convention, who say they will stand by the ticket as made by the convention and expressing their regrets for their past actions. We have only this to say, that we have been treated very unkindly by the party whom we have fought hard for without intermission during the past nine years and if Republicans will consider the matter they must acknowledge this to be true, but notwithstanding the ungratefulness toward us we are Republican from principle and can not be driven from the party by our political friends even though they knife us to the hilt.

October has five Wednesdays, five Thursdays and five Fridays.

The Lehigh Will Build a New Bridge at Towanda.

From the Towanda Review.

Under the heading, "the Lehigh to run into Towanda," we find the following in the Wilkes-Barre Record of Monday Morning:

The Lehigh Valley Company will shortly make a change in their own line at Towanda, it is said by those who should know. The long iron bridge across the Susquehanna at that place will be removed to a point below the borough and will be reconstructed so as to give direct entrance into the heart of that place over the company's tracks of the Bernice branch. This will result in abandoning the depot above the town and will be a great convenience for the company as well as the people of that section, and will also shorten the route. This improvement will be made as soon as a similar change at Athens is completed.

HAD TOO MANY VES.

The Hungarian Settles With One and is Sent to Jail by the Other.

Michael Kerin, a Hungarian who works at Lopez, was arrested yesterday and committed to jail on the charge of deserting his wife and three children in the coal regions about two years ago. Since that time he has lived at Lopez with another woman, by whom he had one child; his first wife came on with her children a few days ago and trouble commenced at once. He settled with wife number two, and wife number one sent him to jail for desertion. It is expected that the case will be settled, as the Hungarian has money in the bank and offers to live with number one again, and provide for her and the children.—Etc.

HERRING FOR THE SENATE.

The Columbia County Man Victorious After a Struggle.

The Democratic Senatorial district conference reached a conclusion between three and four o'clock Saturday afternoon. On the one hundred and seventy-fourth ballot, Grant Herring, of Columbia County, received the nomination. The conferees of his own county, assisted by those of Sullivan and one from Lycoming, combined their strength and downed Dr. Hoffa, of Montour who remained in the arena with colors flying to the last.

The conference proved a warm one from beginning to end, and several political axes were ground to a wire edge. There was a show of harmony at the end, however, and Senator Herring accepted the honor with a courteous speech. The delegates and their friends left for their home late Saturday night.—Etc.

AN EXCITING SCENE.

A Mother Tries to Take Her Young Babe from Her Sister-in-Law.

There was an unusual and exciting scene at a special session of the court, at Reading, on Tuesday evening, held to hear the application of Mrs. Sallie Schaeffer for the custody of her 8-months-old boy. She had parted with her husband a week ago, and had allowed him to have the children, a girl of 3 years and a boy of 8 months, but she immediately repented of having allowed the boy to go out of her possession and asked for a writ of habeas corpus. When the parties came into court the child was in the custody of a sister of the husband and when the mother saw it she made a rush toward it to embrace it, but the sister tried to prevent her. She attempted to take it by force and an exciting struggle ensued, which had to be stopped by the court officers. The mother was so excited and hysterical that she was with difficulty calmed and prevented from renewing the attack.

When the hearing took place the child was awarded to the mother, but when this was done the sister said that the clothes that the child wore belonged to her, and while she was willing to obey the court in giving up the child she would not give up the clothes which the child had on, she demanded that it be addressed right in court. She was so persistent in this that the officers were obliged to again interfere and compel her to give up the child, clothes and all.
