H. M. Kellogg, of Lopez, spent Sunday in town

It is said that the new bank; will be opened in a few weeks.

F. T. Mynard, of Lopez spent Sunday with his family at this place.

Several of the boys took "Grimes' Cellar Door" at Hale's opera house, Towanda, Saturday night.

A sleighing' party of Dushore's young with LaPorte as their desti-nation is talked of for Friday night.

Frank McHenry, of LaPorte, was taken ill last week and bas spent the past week with his parents at this place He is again able to be around.

A. D. McHenry station agent at New Albany and J. D. Ormsby who hold a similar position at this place, have exchanged places and are now moving their families.

Reeser & Sylvara the largest general merchandise firm in Duhore expect to dissolve partnership some time in February. E. G. Sylvara will continue the business.

The lectures at the institute last week were very entertaining and beneficial to those who attended, and the institue on a whole is said to have been the best ever held in the county.

Chas. Carpenter, of Benton, who bargained some time ago for the Cole & Waddell building occupied by S. W. Lewis' restaurant and paid a small amount down dud yot tume Chas. Carpenter, of Benton, who a small amount down, did not turn up New Year's as the contract called

C. M. Croll drove to Muncy Valley Sunday returning next Morning. It is said that he has some notion of removing his tarber shop to that place. How is it Charlie? At any rate he seems to have business there quite frequently.

The school ma'ams have all gone home and none were captured by our young men. What's the matter with the boys? Well, we have in-quired of one or two who say there were so many pretty girls among them that it was difficult to make a days. choice and kept postponing the matter antil they are all "gone but not forgotten."

The improved method of fastening strings of The improved method of fastening strings of Pianos, invented by us, is one of the most im-portant improvements ever made, making the instrument more richly musical in tone, more durable, and less liable to get out of tone. Both the Mason & Hamlin Organs and Pianos excel chiefly in that which is the chief excellence in any musical instrument, quality of tone. Other things, though important, are much less ot han this. An instrument with unmusical tones cannot he good. Illustrated eatalogues of new styles, introduced this senson sent free.
