TO BE SEIZED WHEREVER FOUND

The United States Authorities Show a Disposition to Punish the Chilian Ship for Sailing Away with Marshal Spencer—Orders to Our Warships.

WASHINGTON, May 8.—The escape of the Chilian vessel Etata from San Diego, Cal., while in custody of the United States marshal has agitated the treasury officials not a little.

THE CHARLESTON ORDERED TO GIVE CHASE.

It was reported late in the afternoon that orders had been issued by the navy department for the Charleston to give chase.

There is no disposition in Washington to let the Etata reach the port for which she is bound with her cargo of arms.

TO SEIZE HER WHEREVER FOUND. The matter has passed out of the hands of Secretary Foster and Attorney General Miller into the hands of Secretary Tracy.

ENGLAND TO BLAME. Senor Cassanova, former Chilian consul, said: "It will be found that British money is the mainstay of insurgents against our government."

WILKER-BARRE, May 11.—Elias Young of Fishing Creek, who has been in prison here for the past two months charged with the killing of Lieutenant Robinson.

The Marshal Heard From. SAN DIEGO, Cal., May 8.—Spencer, the deputy marshal on board the Etata when she left port, has returned to the city.

It was the general expectation here that the Etata would slip away at the first chance, but the opportunity presented itself sooner than was looked for.

Good Templar Officers.

Shunk, April 4, 1891. "Earnest Endeavor" Lodge of Good Templars of this place has elected the following officers for the ensuing term: Chief Templar, W. L. Albert; Vice Templar, Rosetta Fuller; Secretary, Andrew Battin; Fin. Secretary, Francis L. Kilmer; Treasurer, Victor Shattuck; Chaplain, Nancy Albert; Marshal, Leon Campbell.

NORDMONT ITEMS.

Mr. John Watson has moved in the Nordmont Hotel. We wish him success. The friends of Miss Amanda Hess gave her a surprise party on May 9.

some distance out to sea before he could have been aware that the Etata was following him. The pursuit of the Robert and Minnie was by instructions from Washington that he had authority to take the Robert and Minnie on the high seas under neutrality and piracy laws.

ESCAPED TO MEXICAN WATERS. The Tia Juana passing to windward of the other vessel, Marshal Gard and his companions had an excellent chance of closely observing her.

There has never been any doubt in the minds of well informed persons here that the ammunition which the Robert and Minnie carried was intended for the Chilian transport and that it would be transferred to the hold of the Etata for use by the insurgents.

THE IMPERIALE MAY HAVE HER. It is said that the steamer seen hovering around the entrance to San Diego was the armed transport Imperiale, now in possession of the Chilian government.

Forest fires at this place are very bad a number of the old bark camps were consumed by the flames.

There was a red haired man went through our town last evening and boss tanner Darby thought there was a fire someplace close by and run the fire company out and put hose in action, in two minutes.

Four couple of young people started for a walk and there was two more young men who wanted to make it pleasant for them, and what do you think, all from one house, don't know how many got away.

DUSHORE ITEMS.

Hon. W. C. Rogers, of Forksville was in town Monday. Quite a delegation from Lopez was in town Monday.

HILLSGROVE ITEMS.

Dan Grafus has returned home from a visit somewhere. Frank Harrison has been expected home for 8 or 9 weeks.

The bark peelers are coming this way for work and get it as soon as they arrive. H. T. Barret of Proctor, paid our town a visit Friday. He is just as bald as ever.

We are in hopes that the fruit crop in this section is not damaged by the recent frost. Farmers have begun planting corn about here, this is a trifle earlier than common.

Some one will get chewed when Gus Brownbeck gets his new teeth if they are not careful. People wishing to find pasture for horses can bring them here and turn them in the streets.

It is time something was done when we have such homely people that an old horse scares at them. One of our leading young ladies supports a gold watch—We hope it may tell the time of night as well as by day.

Joseph Morgan pays the town a call every once and awhile; well he says he pays road taxes to, and is going to walk it out. HillsGrove items in all three county papers, look out boys where you secret your beer, it might spring a leak and run in the papers.

Whats-the-matter with HillsGrove people when they can raise \$40.00 in one evening to aid a poor family that is deserving—Thanks to the good people of H. G. Forest fires at this place are very bad a number of the old bark camps were consumed by the flames.

vited guests. May the young couple always be happy and prosperous.

The Patrons of Industry are negotiating with the merchants of Dushore to secure a reduced rate for cash. They ask merchants to sell to members of their lodge at 10 per cent above cost.

Your correspondent having visited Lopez during the week may note that the debris is being cleared away preparatory to re-building the kindling wood factory. The new building will not be quite so large, but the capacity is to be greatly increased.
