ROBINSON WON THE FIGHT.
Chosen President of Pennsylvania's
Republican League.

SCRANTON, Pa., Sept. 24.—The
election of Hon. John B. Robinson,
of Delaware county, as president
of the Republican state league by an
overwhelming vote was the climax
of the convention in the Scranton
armory. The rigid application of
the rule excluding all clubs organ-
ized since July 16 reduced the rep-
resentation to 198 clubs with three
delegates each. Of this number
Robinson received the votes of 141
clubs, Dalzell 42, and Major Warren
15 clubs. The real fight of the con-
vention was in the committee on
resolutions, which consisted of nine
Robinson delegates and eight Dal-
zell men.

CHRIS MAGEE PROTESTED.

Ex-Chief Justice Gordon de-
manded admission for forty-five
clubs classed by the executive com-
mittee as irregular, and after wrest-
ling with the subject several hours
the committee decided to submit it
to the convention for decision. Mr.
Detweiler, of Dauphin county,
promptly moved to lay it on the
table. Chris Magee protested
against such "gag law." The resolution
was tabled, however, and then
began the nomination of candidates
for president of the league. Hon.
William C. Moreland, of Allegheny,
nominated John Dalzell, of Pitts-
burgh, in an able speech. William
Schaefer, of Delaware county, nomi-
nated Hon. John B. Robinson,
General Gobin, of Lebanon, nomi-
nated Major Everett Warren, of Scranton,
and when the election of Robinson
was announced on the first ballot
there was great enthusiasm.

THEY MADE IT UNANIMOUS.

Congressman Dalzell immediately
moved to make Robinson's election
unanimous, and this was seconded
by Major Warren and carried with
a hurrah.

EVERY
PATRIOT

should read a good newspaper. In the selection
of a newspaper many considerations should
govern. First, it should be one that endeavors
to give all the news without prejudice. It
should be neatly printed on good paper. It
should be independent—in favor of all that is
good, upright, clean. Such a newspaper is

THE PATRIOT,

printed in Harrisburg. It is under new man-
agement—enlarged, handsome, bold in the
right, fearless in denouncing wrong; it is always
and unswervingly Democratic. It is the only
Democratic newspaper at the State Capital.
It makes a specialty of Department News. It
is the only paper in Central Pennsylvania that
receives and prints full Associated Press Re-
ports, obtained by it over its own wires. It
presents each day Special Correspondence from
all points tributary to Harrisburg, all the Har-
risburg News, Fashion Notes, Household Hints,
Domestic Recipes, Society Gossip, Scientific,
Humorous and Political Articles, Short Stories
and Sketches. Its Market Reports are com-
plete, both as to Finance and Commerce. It
presents the Live Stock Markets prepared specially
for THE PATRIOT, and have only been success-
fully imitated by one other newspaper in the
State. The Saturday sermon of Rev. Dr.
Spurgeon, of London, is a great feature.

The WEEKLY PATRIOT, 8 pages, is only
\$1 a year. It maintains the best features of
the daily, including the Spurgeon Sermon.

Pianos Organs.

The improved method of fastening strings of
Pianos, invented by us, is one of the most im-
portant improvements ever made, making the
instrument more richly musical in tone, more
durable, and less liable to get out of tone.

Both the Mason & Hamlin Organs and
Pianos excel chiefly in that which is the chief
excellence in any musical instrument, quality
of tone. Other things, though important, are
much less so than this. An instrument with
unmusical tones cannot be good. Illustrated
