

LOCAL DEPARTMENT.

A hot wave is expected. Sunday was a perfect day. Red predominates in man's neck-wear. Vote for Glidewell for Associate Judge. Anti-rusting tinware, at T. J. Keeler's. Snow flakes were numerous in the air Tuesday. Send your orders for job printing to this office. The trees are beautiful in their autumn foliage. Only about four weeks until Thanksgiving. Next Tuesday is election. Vote for the best man. Vote for the old soldier boys—GREGG and MORRISON. Election next Tuesday. Get out the full Republican vote. It is rumored that there will be a wedding, in town, shortly. This has been a very dull campaign, in Sullivan, especially. Mrs. Finch of Cheektowaga, N. Y., is visiting friends at LaPorte. We will give the result of Tuesday's election in our next issue. We shall expect good news from Fox township, on the state ticket. Several communications were received too late for publication, last week. Da—the Republican, that remains away from the polls, on Tuesday. For good gum boots, gents; self acting rubbers, over shoes and ladies sandal, go to T. J. Keeler's. What is your opinion of a change in the Constitution? Don't you think it good enough as it is? Potatoes are selling for thirty-two cents per bushel in Tunkhannock, so says our Wyoming exchanges. Halloween next Saturday night. Look out for the kid. They are making preparations for a big time. Fresh bakers bread every day, best fine groceries, flour and chop at the lowest prices, at the store of Mrs. M. C. Laner. Dr. Meylert of New York city accompanied by his niece, Miss Edith Bruner, of Muncy, are visiting friends at LaPorte. Mrs. Henry Kohensparger of LaPorte twp., who fell and broke her hip bone, some time since, is recovering quite rapidly. Orders have gone forth from Boss Harrity to trade votes for Tilden. Republican farmers should not be deceived by such a scheme. It is all right for the small boys to have a good time on hallow'en night, but they should refrain from doing damage to property. Mrs. Dr. Mason and daughter Miss Hellen Mason, of Towanda, were visiting Judge Mason and family the early part of this week. Henry Boatman Esq., of Sonestown, held services in the M. E. church at this place, in the absence of the Rev. J. F. Glass, on Sunday last. Republican! if there is an old Republican friend in your district to feeble to walk to the polls, on Tuesday—hitch up your horse and take him down. Republicans lets cut the Democratic majority down to 300 on the state ticket. What do you say? If all hands work, we can pretty nearly accomplish it. The Democrats say, that they have always opposed corporation candidates, hence, they can not conscientiously support Wright for Auditor General. General Gregg and Captain Morrison, Republican candidates for Auditor General and State Treasurer, will address the Republicans of Lycoming county at the Court House in Williamsport this Thursday night. The Republican nominees on the county ticket are making a still hunt, hence, we are offered a splendid chance to cut down the Democratic majority on the state ticket, on Tuesday. Republicans don't let the opportunity pass by unnoticed.

A full line of fresh groceries, at T. J. Keeler's. Rev. J. J. Thompson of Bernice, will hold services in the Presbyterian church, at LaPorte, next Sabbath morning. All are invited. Vote for GEO. W. SIMMONS. We will wager two to one that the Republican party will poll more than their party vote in little Sullivan, on Tuesday, regardless of Strey's predictions to the contrary. With a solid Republican vote throughout the State, GREGG and MORRISON will be elected by sixty thousand majority. The Republicans of little Sullivan will be on hand. Geo. W. Glidewell the only Republican nominee in the field for Associate Judge, is numbered with our best citizens. A vote for Mr. Glidewell will never be regretted by the tax payer. The Philadelphia Times, the vilest of all Democratic newspapers, published in the state, predicts the Republican ticket successful, on Tuesday. McClure will be welcomed back to his right mind. Vote for GREGG and MORRISON. Our Sullivan county farmers are making a mistake in not looking after and saving their immense crop of apples. They are not so plentiful all over the country as here, and by the first of the new year, they will be in good demand. Take care of your winter apples. Republicans remember that should the Democrats carry Pennsylvania, on Tuesday, our chance for success in 1892 would be very much limited, hence, every man should be on hand early Tuesday morning working for the success of GREGG and MORRISON and the county ticket. Wild duck hunting on Lake Mokenka, is the chief attraction in this section. On Tuesday of last week there was estimated to be one hundred and fifty floating on this beautiful sheet of water. There was a large number killed. On Friday R. M. Stormont killed one that weighed six pounds. Vote for GREGG and MORRISON. Democratic candidates Wright and Tilden did not honor the Sullivan county Democrats with a speech during their tour, but they held forth in all the adjoining counties. They spoke in Towanda, Muncy and Bloomsburg. Guess they don't care for the support of the Sullivan county Democrat. The corporation candidates are Wright and Tilden. Wright is attorney for 15 separate corporations of Pittsburg. Should he be elected, he will no doubt favor the interests of his employes. Vote for GREGG and MORRISON, two old soldier boys. Nothing detrimental can be said of these gentlemen. Vote for E. M. DUNHAM. Democratic officials of York, are being brought before the Senate for working the fee system. Boodle is what they were after, and according to accounts, they were successful. Gov. Pattison will be under the painful necessity of working out the amount of cash they contributed to their own use. Turn the rascals out. The grading of the L. V. railroad to Thornedale, was completed last week. The large force of men are now engaged in laying the iron rails and balustering the same. It is predicted that the road will be completed by December court. The distance from LaPorte to Thornedale over the plank road, is about four and a half miles. Vote for GREGG and MORRISON. We don't know what more we can say to our Sullivan county Republican friends to urge upon them to go to the polls and work for the party candidates and principles, on Tuesday. We certainly ought to all feel alike in this campaign. There is no party grievance like last Fall, when it was said the State Convention was controlled by bosses. The Republicans of Sullivan were apprehensive that Gov. Pattison's investigation scheme might have some material effect upon some members of our party, but after careful investigation, we are convinced that it will not influence a half dozen Republicans in our county to change their ballot. We have not found a single Republican who has not denounced it as an electioneering scheme. The Republicans of Sullivan are in unison for GREGG and MORRISON.

Benjamin Lewis proprietor of the City Hotel at Jamison, was drowned while assisting to break a jam of logs on East Fishing Creek, on Wednesday of last week. Our Jamison City correspondent gives full particulars elsewhere in this issue. The band boys should talk the matter up of furnishing music at a band fire, on Wednesday evening, in honor of the successful candidates, regardless of who they may be. The aspirants have caused no excitement, hence, to let the people know that there has been an election, the boys will be obliged to fall in line. Cards are out announcing the marriage of Mr. Horace Austin Colt of Wysox to Miss Ellen Thatcher Low at the bride's residence at Sayre, Pa., on Wednesday Nov. 4th, 1891. The REPUBLICAN extends congratulations and wish the happy couple many prosperous and happy days. Salt River will be over burdened with boats filled with Democrats from Ohio, New York, Massachusetts and Pennsylvania, on the 4th of Nov. Who of the Democrats will muster their small army together in Sullivan? Josh Lull says he will intercede and get them railroad tickets for half fair, as far as Towanda, where they can pull for their destination down the Susquehanna. Wm. H. Painton was brought before the York county court to answer the charges of the murder of old Mrs. Strominger, on Monday. The case was detained, however, by the refusal of Painton's witnesses to appear unless some provision was made by which they would be assured their witness fees in advance. The court issued attachments for the witnesses and the case will commence this week. We will give the evidence in full next week. In New York State there has been a law recently passed that all passenger cars be heated by steam apparatus, also that all coal cars be equipped with couplers which can be operated without endangering the hands, arms and lives of employes. It would be a grand thing if the legislature of Pennsylvania would be equally watchful for the safety of railroad passengers and employes in this state. A country editor in New York tunes his lyre and bursts forth into song with the following result: "Oh! the clothes press is a swell affair for garments nice and neat; the haypress is a grand machine, and does its work complete; the cider press is lovely, with its juices red and sweet; but the printing press controls the world, and gets there with both feet. In Lycoming county the two Democratic county commissioners are some what condemned by the Muncy Luminary for awarding the erection of a county bridge to a company in chambers. The Republican commissioner would not sign the contract. He believing that the letting should be announced to the public, and given to the lowest and best bidder. The bridge will cross Cedar Run and its cost will be about \$14,000. Several Aldermen and Constables of York city have been brought before the Senate for the same charges as are made against the Philadelphia officers, and they are DEMOCRATS. Gov. Pattison will be obliged to look over the charge and report to the Senate. This will cause the people to think that there are rogues in both parties. The Democrats have had pretty easy sailing, so far, but things are about to change. Our exchanges say, that there are to be several more arrests of Democrats this week. Gov. Pattison and members of his staff were out qualifying as marksmen on Saturday, during which time the Harrisburg Gun Club, whose grounds cross the range occupied by the Gov. and his staff, began firing at clay pigeons. The shot whizzed about the Gov's party all of whom hunted cover except the Governor himself. He was after a time hit on the head by a stray shot which caused a stinging pain. The shot did not pierce the skin, however.

How to Vote. The tickets to be voted for at the coming election are as follows: One headed State, with the names of the candidates for Auditor General and State Treasurer, to be deposited in a box to be provided for that purpose. One headed Delegates at Large, with the names of the persons nominated for a Constitutional Convention, should one be held, to be deposited in a separate box. One headed Judiciary, with the name of the Judge to be voted for, to be deposited in a separate box. One headed County, with the names of the candidates to be voted for, to be deposited in a separate box. One headed District Delegates, with the names of the candidates for the Constitutional Convention, to be deposited in a separate box. A separate box is required for the ballots on the question of holding a Constitutional Convention. Each voter is entitled to vote for or against a Constitutional Convention. The Election. The election is only about four days off, but judging from the quietness in political circles in this county, one might think it was twelve months off. While it is extremely quiet on the surface, yet the candidates may be doing quiet and effective work which will tell on election day. Republicans should not forget that this is an important election. Two State officers are to be elected and a county ticket and to hold our own with our Democratic opponents it behooves every Republican to turn out on election day and cast his vote for our standard bearers both on the State and County tickets. Our State candidates, Gregg and Morrison, are eminently fitted and capable to fill the positions for which they were nominated. Honest and upright gentlemen with excellent military reputations they stand second to none. Of our local candidates we can truthfully say that they are all good men and in voting for them you cannot go astray. They have lived in this community for many years and are well known to a larger part of our voters and they ask you for your suffrage. Are they not worthy of it? Why not vote for them then? Vote for—Geo. W. Glidewell for Associate Judge; E. M. Dunham for District Attorney and Geo. W. Simmons for Jury Commissioner. You can't find three more competent and worthy men in the county to cast your ballot for. Can you, voter? The Wilkes-Barre Times says: "Every time an excavation is made on the lot at the corner of East Market and Washington streets a pile of bones of people who were buried there many years ago are found. Monday a lot more bones were unearthed, lying in the shape of skeletons. Two other bodies partly decomposed were found in coffins. The coffins were broken open and part of one of the bodies was in a fair state of preservation. The hair had grown to a great length. While digging Monday a Hungarian workman saw a glittering object in the earth, and found it to be a piece of gold attached to the skeleton of a hand. He took it out, and it proved to be a diamond ring. One of the other workmen, thinking that he did not know its value, offered him twenty-five cents for it. The finder answered the offer with the remark, 'Me know what it is,' and pocketed the ring. List of Grand Jurors Drawn for Dec. Term 1891. Gabriel Litzelman, A. H. Marr, John Darby, Geo. Craft, Geo.
