CHILE CALLS IT A DRUNKEN Blaine Receives a Report of the District Attorney's Inquiry.

WASHINGTON, Jan. 8 .- The De. partment of State has received an official report from Chile, which contains very little satisfaction for this country. It is a summary of the investigation into the Baltimore assault by the Chilean District Attorney, which shows that the little Republic intends to defend the police who helped the mob to strike down the American sailors, and will also declare the entire affair to have been merely a drunken row among sailors, in which the government has virtually no responsibility.

Senor Monott, the Chilean Minister, had another conference with Secretary Blaine to-day. The Minister laid before the Secretary the following information which he received from Senor Pereira, the Chilean Minister of Foreign Affairs.

DEFENDING THE POLICE.

The voluminous summary of judicial proceedings instituted before the regular court (that presided over by Judge of Crimes Foster), on the 17th of October, in reference to the deplorable incident of the day before (the trouble in Valparaiso between the Chileans and the sailors from the Baltimore), has terminated. The District Attorney has presented an extensive report upon its merits, drawing the following conclusions .

"First, the unfortunate incident of the 16th of October originated in a brawl between intoxicated sailors of both nations. The riot grew in proportions, on account of the special ward in which it occurred, full of houses of bad reputation and saloons.

"Second, the policemen from the first moment did all they were directed to do to suppress the riot. The correct course of the police has been acknowledged by every one of the witnesses and of the American sailors, except two.

"Third, only one isolated shot was fired. It was from a revolver. The police carry Comblains car-bines."

FOUR PRISONERS INDICTED.

The District Attorney indicts the following named prisoners: Carlos Gomez, a Chilean; Frederico Rod-riguez, a Chilean; Ahumada, a Chilean, and Davidson, an American. He asked that they be punished according to law, as follows: Gomez from three to five years

confinement in the penitentiary.
Rodriguez, two to eighteen months confinement in the penitentiary and Ahumada and Davidson, twenty to

forty days imprisonment.
Minister Montt explained that the presentation of the report of the District Attorney or Promotor Fiscal, as the officer is called in Chile, carries with it the indictment of the men named therein. Their trial will now take place before the Jude of Crimes, who heard the evidence taken originally for the bene-

At this trial the men will be given an opportunity to present any testimony they may have to prove their innocence of the crime for which they are arraigned. The Minister thinks the trial will follow speedily and believes the result should be known within two weeks.

ANOTHER INDUSTRY COMING. A Paitry \$250 is All That's in the Way Of Its Locating Here.

The Review recently referred to another industry about to locate in Towanda. A gentleman from Sullivan county proposes engaging in the manufacture of broom, axe and pick handles, and other wood work, being associated with a well-known Towanda business man. They are looking for a site in the lower part of town and have one in view which they consider too high in price by \$500. One-half of this sum is of-One-half of this sum is \$500. One-half of this sum is offered by one of our citizens and an effort is being made to raise the other \$250 among residents of the south end. The subscription paper is now being passed around, and it will no doubt be a sure go. The business ought to be a good one—it must be or the projectors of the en-terprise would not undertake it.— Towanda Review.

A BANK CRASH.

DE LA GREENE ARRESTED

Taken Into Custody Late Last Night.

Money And Bonds Missing.

From the Gazette & Bulletin Feb. 12.

There was excitement in Muncy yesterday, especially in the morning when the startling information spread over the town that the First National Bank of Muncy was in very bad shape and would soon close its doors against depositors.

Before the time for opening the bank many anxious persons were not far away from it, and as soon as business commenced there was a general run on the institution until one o'clock p. m., when the doors were closed. Between seven and eight thousand dollars had been paid out.

THE EXAMINER ON HAND.

On Saturday last C. H. Dengler, Bank Examiner for the Eastern District of Pennsylvania, arrived in Muncy, and immediately commenced an investigation of the condition of the bank. He soon learned that there was a vault which had not been opened inside of two years, owing to the combination having been lost. He was informed that among the contents of this vault was the sum of \$18,000 in United States currency, together with \$5,000 in United States bonds. Without any delay the Examiner telegraphed to New York for an expert in the opening of bank vaults.

A STARTLING DISCOVERY.

The gentleman arrived in Muncy on Sunday, and yesterday morning after working on the vault between four and five hours, he succeeded in effecting an entrance. Upon an examination of the vault it was soon discovered that there was neither currency nor United States bonds

The above revelation, together with other alleged false entries, convinced the Examiner that it was time for him to have the assistance of United States Commissioner B. S. Bentley, and Deputy United States Marshal Simon Yeager, and he telegraphed for these gentlemen to come at once to Muncy and meet him at the Commercial Hotel. Mr. Bentley went down on the 4 p. m. train, Pennsylvania railroad, and Mr. Yeager took a later train on the same road.

ARREST OF DE LA GREEN.

As a result of this meeting a warrant was furnished the Deputy Marshal, about nine o'clock last night, for the arrest of Mr. De La Green, a former cashier of the bank. It was learned that Mr. Green was confined to his home by illness, and the Bank Examiner and United States Commissioner did not expect the Marshal to bring him to the hotel, but he, however, came with the Marshal, and seemed somewhat surprised at his arrest. He remained during the night in the custody of the Marshal, and will probably furnish bail in the amount of \$20,000, this morning for his appearance before United States Commissioner Bentley to-morrow or Wednesday, when the United States District Attorney for the Western District of Pennsylvania will be present.

PUSHING THE INVESTIGATION.

The bank Examiner is not yet through with his investigation, and he may not be able to make his statement before Wednesday or Thursday. Enough, however, has been learned to show that the bank is in very bad shape; but it is the general impression in the community that the depositors will receive dollar for dollar.

DISCUSSING THE SITUATION.

Until quite a late hour last evening men stood in large groups on corners, in stores and in hotels in Muncy, discussing the bad situation this bank failure has placed the community in. Every person had such thorough confidence in the bank that it seemed to them an institution built upon the most solid

of foundation, financially, and many seemed to feel confident that it will come out all right yet, but the indications are that their confidence will be badly shaken up when they read the statement to be made by Bank Examiner Dengler. The reporter heard several men in Muncy say that President Bowman had sent for the bank Examiner to come and investigate the condition of the bank. The Examiner was asked if there was any foundation for such a statement, and he replied most emphatically, that there was not.

AN OLD INSTITUTION.

The First National Bank of Muncy is an old institution, having been organized many years ago. Its first President was Hon. Henry Johnson, now the oldest member of the Lycoming county bar. He was succeeded by Captain John M. Bowman, the present head of the bank. It has been known for several years that the bank was not strong. Not a great while ago several blocks of its stock were offered for sale in this city, but no purchasers could be found, and little of it changed hands.

Following is a copy of the last statement made by the unfortunate bank.

The political pot is beginning to simmer and most of the Democrats seem to think that the next Prothonotary, Recorder etc., will be a man from the Western part of the county. This is right, as the West has never yet had a representative in that office.
