

THE REPUBLICAN

LA PORTE, PA., FEB. 5th, 1892.

LOCAL DEPARTMENT.

Sunday was a perfect day. Our reading space is limited.

The political pot will soon begin to simmer.

Spring election two weeks from next Tuesday, Feb. 16th.

Mrs. A. L. Grim of LaPorte, is confined to her room, with sickness.

To keep right end up, it was necessary to be shod with spikes, Wednesday.

The lumbermen, were more than pleased with the freeze up, on Tuesday night.

Dr. Hill of LaPorte, is kept pretty busy looking after the sick in this vicinity.

Daniel Reynolds, the Eagles Mere butcher, was in town doing business, Tuesday.

Jos. Newman of Nordmont, was calling on friends at the county seat, Sunday.

Owing to our crowded columns, we shall be obliged to issue a supplement, next week.

Mrs. Chas. Landon of Jamison, whom we announced seriously ill, last week, is convalescent.

Mr. and Mrs. D. H. Lora of Sonestown, were calling on friends at Dushore, Saturday and Sunday.

Prof. M. F. Albert and R. M. Stormont of LaPorte, were doing business at Dushore, on Saturday.

Our LaPorte banker, Mr. Jordan, was more than busy handing out cash and drawing up notes, Monday.

There are 30 applicants for license at this term of court. More than one third of them come from Dushore.

Judging from the present turn of the weather, our people were quite fortunate in gathering their ice crop, last week.

P. K. Hill of Rochester, N. Y., was calling on his brother, Dr. Hill, of this place, Thursday evening of last week.

William H. Pierce, clerk at the LaPorte Hotel, was calling on friends at or near Estella, on Saturday and Sunday.

The ground hog failed to see his shadow in this vicinity, on Tuesday, Feb. 2, hence we can expect an early break up of winter.

F. M. Crossley and wife of LaPorte, were calling on friends at Lairdsville, Lycoming county, on Saturday and Sunday.

It is rumored that the Lake Mokane Land Company will have the headwaters of the lake cleared of brush, this winter.

The real estate of Wm. J. Eldred late of Elkland twp., will be exposed to public sale, on this Saturday, Feb. 6th. Ulysses Bird, executor.

A large number of our young people will attend the lecture by Emerson Collins Esq., of Williamsport, at Sonestown, this, (Friday) evening.

The LaPorte silver cornet band expressed four instruments to the Distin Manufacturing Co., of Williamsport, for repairs, on Tuesday.

The caucus for nominating Borough officers, should be held in the new school building, thus, dividing the distance between the 1st and 2nd Ward.

Jacob Fries, an old soldier of LaPorte, received a pension, on Tuesday Jan. 26th, of \$78.80 back pay and is to receive \$12.00 per month. Good for Jacob.

The lecture of Emerson Collins Esq., to take place at Sonestown, on this Friday evening, will be listened to by a large number of people of Sonestown and Davidson.

The Forksville post office has recently been designated as a Money Order office by P. M. G. Wana-maker and the citizens of the beautiful town in the valley are elated.

We shall be called away from our sanctum for the next two weeks in attendance at the Commissioners appeal, during which time our better half will look after the copy book.

It is positively asserted in our Tunkhannock exchanges, that M. J. Lull of Bernice, has rented the newly erected hotel at Ricketts and will take possession of the same, about the 1st of April.

Jos. Shaffer of LaPorte twp., is kept pretty busy manufacturing lime to supply the wants of the farmers in this and adjoining vicinities. This fertilizer is said to be much more productive than the Muncy lime.

Be it remembered that Assessors will be elected at the approaching February election for three years, and in boroughs and townships where there are more than one election district an Assistant Assessor must be elected for one year only. We give the Act in full elsewhere.

Take in the lecture at Sonestown Friday night.

John P. Hill, clerk in James McFarlane & Co.'s store at LaPorte, was called to his parent's home at Lairdsville, Lycoming county by the death of his father, Peter G. Hill, last week.

The new ballot law will be in force at the next general election. The duties of the Judges and Inspectors of Election, under its provisions, will be more difficult than heretofore, therefore it is important that these offices should be filled by competent men.

The Canton Sentinel, says, 'Judge Peck held court in Monroeton last week, for Judge Searle.' The Sentinel evidently intended to say Montrose instead of Monroeton. The Towanda papers will most likely call Derrah's attention to the error sarcastically.

The Towanda Republican is authority that H. L. Taylor of Buffalo N. Y., has purchased of George L. Sanderson a controlling interest in the W. & N. B. R. R., and that he will extend the road to connect with the L. V., at Thornedale in the near future.

Local Institute at Sonestown this, Friday and Saturday, Feb. 5th and 6th. The teachers of Davidson, Shrewsbury and the two LaPorte districts are expected to be present. Emerson Collins Esq., of Williamsport, will deliver a lecture, on Friday evening, to which all are invited.

Two councilmen of the Roro of LaPorte, are to be elected, on the 16th, instead of three, as we gave it last week. The councilmen whose term expires, are both of the 1st Ward—Crossley and Kennedy. The two school directors whose term expires, are: W. C. Mason and H. T. Downs.

There will be two Democratic conventions held in New York State this year—a Hill convention which will take place on the 22nd of Feb, and a Cleveland convention latter on, the exact time not having been fixed yet. This Democratic fight in the metropolis state will ruin the chances of either Hill or Cleveland securing the nomination for President. Let the good work go on.

Married. Sands—Johnson.—At the bride's home in Muncy Valley, Feb. 2, 1892, by Rev. J. F. Glass; Mr. F. M. Sands and Miss Elnora Johnson, of Muncy Valley.

Hot in the Colar. That communication in the Dushore Gazette last week, relating to harmony in the County Democracy, this fall, was quite amusing in the extreme. It was a boomer for one or two candidates, thus, ignoring the rights of other than a certain few in their party to ask for office. It was a set down on prospective candidates. He assures a strong ticket, however, and is quite premature in his statement that it will be elected by a full Democratic majority. The latter, we imagine will require the thoughts of more than one individual. For further developments, we, in company with the other "feller" will wait and see. Moral—don't get hot in the colar.

No. 227. AN ACT. To authorize the election of assistant assessor, for the purpose of registration of voters, in the townships and boroughs containing more than one election district wherein but one assessor for valuation resides.

SECTION 1. Be it enacted, &c. That the qualified voters of every election district in boroughs and townships in the Commonwealth of Pennsylvania wherein more than one election district is authorized, and where but one assessor for valuation of taxable property resides in the borough or township having more than one election district, shall on the third Tuesday of February Anno Domini one thousand eight hundred and ninety-two, and annually thereafter, elect a properly qualified person for assistant assessor in each of said election districts, who shall perform all the duties relating to elections now required to be performed by assessors in boroughs and townships having but one election district.

In case of a vacancy in said office, the court of quarter sessions, or any judge of the said court of the same county, shall appoint a person to fill such vacancy.

All acts and parts of acts inconsistent herewith be and the same are hereby repealed.

APPROVED—the 16th day of June, A. D. 1891.

ROBT. E. PATTISON.

The above Act relates to the following Districts in Sullivan County, viz: Cherry, Colley and Davidson. In each of these townships there are two election districts, viz: Bernice, in Cherry; Lopez, in Colley and Jamison City, in Davidson, hence, the qualified voters of Bernice, Lopez and Jamison City should see to it that assistant assessors are elected on the 16th day of February to serve in said districts.

Wm. Keller of LaPorte, while amusing himself coasting down the Ingham hill fell off his vehicle and sustained many injuries about the face, on Friday evening last. Will, says this is the first time he has indulged in this past time for three years and he thinks it will be three years before he will coast again. He has resolved to turn this old fashion enjoyment over to the small boys who have had recent experience in balancing themselves on a hand sled.

Sued for \$10,000 Damages.

On the 16th of last September, Earl Martin, while attending the Windsor Fair, was struck in the eye by a bullet, which glanced from a target, destroying his eyesight. Derwood Potter, who owned the gun, had received a license from the Fair Association to run a shooting range on the ground, and Daniel Martin, father of the injured lad, has through Senator O'Connor, brought an action against the Fair Association for \$10,000, for the loss of his son's eyesight. The case will come up for trial next month, and a warm litigation is expected.—Ez.

The members of the Sullivan county Fair Association should observe the outcome of this litigation for future reference.

Wickersham Day.

A heartily concur with the action of the Committee of the State Teachers' Association which is fully described below in the article entitled "Wickersham Memorial." I would urge every teacher of Sullivan county to conduct proper memorial exercises to our lamented leader Dr. J. P. Wickersham on Friday, March 25, 1892 Teachers by observing this day as "Wickersham Day" you can more thoroughly acquaint yourselves and your pupils can become acquainted with the life of Dr. Wickersham. His life is full of interest to every teacher and pupil of Sullivan county. He was an untiring worker for the best interests of education, and, to-day we are enjoying the fruits of his administration as State Superintendent of Public Instruction of this great commonwealth.

M. R. BLACK, Supt. of Sull. Co. Forksville, Pa. Jan. 30, 1892.

Wickersham Memorial.

The State Teachers' Association last summer appointed a committee to decide upon some suitable memorial to the late distinguished educator, Dr. J. P. Wickersham. At a meeting in Philadelphia on the 11th inst., they decided to establish a Wickersham Memorial Library of pedagogical works, as a section of the State Library at Harrisburg, provided that the Legislature will enact measures for its permanent preservation as a distinct collection. This, we believe, will be the first library of its kind established by any State in the Union.

In order to bring this matter prominently before the schools of the State, and increase the general interest in the subject, the committee recommend the observance of March 25, 1892, the first anniversary of his death, as Wickersham Day. They have in preparation leaflets containing suitable matter for that purpose, which will be furnished at cost to any teacher wishing to use them, upon addressing the Secretary of the committee, Miss Elizabeth Lloyd, Newtown Square, Delaware Co., Pa.

The plan has received the following cordial endorsements:

COMMONWEALTH OF PENNSYLVANIA, EXECUTIVE CHAMBER, HARRISBURG Jan. 14th, 1892. PROF. M. G. BRUMBAUGH and GEN. JOHN A. M. PASSMORE, Philadelphia, Pa. GENTLEMEN: Your letter, on behalf of the State Teachers' Association, was duly received and contents noted. The action of your committee in its determination to establish a "Wickersham Memorial Library of Pedagogical works" instead of the Monument first contemplated, meets with my cordial approval. In such a Memorial you certainly have selected that which would have met with the cordial endorsement of him whose memory you seek to honor and perpetuate.

Doctor J. P. Wickersham was a worker, fifty years of his life being devoted to the educational interests of our Commonwealth. He labored for others and it is but fitting that his works should be continued, as they will be, should the anticipations of your committee be realized. Every one in the State who is earnestly interested in our Common School System will be prompted to give your committee with kindest regard and best wishes.

Very Respectfully, ROBERT E. PATTISON.

COMMONWEALTH OF PENNSYLVANIA, DEPARTMENT OF PUBLIC INSTRUCTION, HARRISBURG, Jan. 20th, 1892.

The Committee of the State Teachers' Association is to be congratulated upon the selection of an eminently appropriate Memorial of Dr. Wickersham. It is a happy thought to establish the first public pedagogical library in Pennsylvania, in the name of one of the pioneers of the Association, one of the first and the most widely studied of American writers upon Pedagogy whose works may be found in every great pedagogical library. The Committee has skillfully reflected the eminently practical character of him whom we delight to honor, in proposing to place the memorial at the State Capital. Harrisburg is most accessible from all parts of the State, and there it will be almost invaluable to those who, in a legislative or in an executive capacity, shall be sent up by the people to deal with the ever-growing interests of education.

An exchange very truthfully says that children are happy because they are never worrying about tomorrow. You can't be young again, but you can be as happy as a child if you will adopt this plan.

Thos. Daly of Bernice, who was crushed by a fall of coal some 11 months since, died, of his injuries, on Friday night last. Deceased had been confined to his bed ever since the accident and suffered much pain, his spine having been injured. He was a brother of Patsy and John Daly of Bernice and was highly esteemed by his fellow associates.
