Grover Cleveland says he can be elected without New York. The leading men in his party have signed a statement that in their opinion he cannot carry the state. For these reasons, says the Buffalo Commercial, the Democracy are boasting loudly as to what they intend to do elsewhere. Chairman Harrity, of the National Committee, and his sides are looking toward Illinois, Iowa, Wisconsin, Michigan and Indiana. In two of these, Illinois and Wisconsin, the public school question will be agitated. Literature on toed boots. the subject is being circulated, and the addresses of all the German Lutherans will be obtained. It will be interesting to see how Harrity will endeavor to explain what Grover Cleveland can do for the school issue if elected President.

The beauties of Eagles Mere were very much mared by the recent cy. clone. On the North East side of the lake the forest was cut down and has since been peeled of its bark hence, the appearance in this direction is quite forlorn.

The U. S. Government has made p its mind to go out of the printing business. The House of Representatives have agreed that no more printing the names of business firms on envelopes will be done by the Goverment. That is what they should have done long ago, instead of running opposition to those engaged in the printing business to earn a living.

The boys on the W. & N. B. R. R. Engineering Corps, located here, are a pretty jolly set. Last week as a testimonial to the principal assistant of the line, our townsman, Mr. W. Clayton Mason, they presented him with a copy of Shunk's "Field Engineer," to replace the old thumbed up volume then in use. It was handsomely bound in russia leather and "Claytie" is as proud of his new acquisition as the average youngster with his first pair of brass-

FORKS, Pa. Aug. 15, 1892. MISTER EDITOR.—Will you please give a Democrat a little space in your paper, to say a few words about polities in our county? It

seems the Democrat party has gove wild this fall an I want to have my say if I have to go to a Republican paper to say it. When I came to this country twinty years ago, they told me the Democrat party was the poor mans party, an that it was dead set agin monopily an money rule. Bedad, an it don't look much like it in Sullivan county this fall, with Lull nominated for Assembly an Wolverton for Congress. It tooks more as though the leading Demoshow them that its a defferent kind of mad from what they think, when it comes to election. They tells us these railroad candidates is
