

THE REPUBLICAN.

FRIDAY, FEBRUARY 17, 1893.

Pay the printer. Election next Tuesday. Sunday was a pleasant day. March winds are coming this way. Washington's birthday next Wednesday. Lent commenced on Wednesday February 15th.

The Mansfield toy factory is run day and night. Quick, short steps are indicative of energy or agitation. The weather prophets predict one more snow storm this winter.

Elmira is to have another Sunday paper. It will be titled "The Budget." Make preparations to pay the printer while in attendance at court next week.

Mrs. R. M. Stormont returned from a week's visit with friends in Towanda, on Saturday. A great many of our people are suffering with colds. Beware of the changeable weather.

Mrs. John V. Finkle of LaPorte, was visiting her son Wm. Finkle at Campbellsville last week. Skating on Lake Mokoma was extra fine on Saturday and the boys and girls lost no time in improving the opportunity.

Arrangements are being made for a grand rally of Christian Endeavor societies of Bradford and Sullivan counties at Rome on March 1. Messrs W. E. Davidge, J. W. Flynn, E. J. Flynn and Thos. E. Kennedy all of Jamison City, were calling on friends at LaPorte, Sunday.

Mr. Joseph Pennington and family and Mr. and Mrs. Joseph Newman of LaPorte township, attended church at LaPorte Sunday morning. Ex-Sheriff Tripp of Shunk, is not applying for license this year. It is rumored that Henry anticipates locating in Elmira, N. Y., in the near future.

Our office was filled with visitors the latter part of last week to see our new engine and press work. We were striking off tickets. Compliments run high. A large number of young people of LaPorte drove over to Dushore Monday evening during that snow storm to attend a party. They say the party was superfine.

The W. & Y. W. C. T. Unions of LaPorte will hold a parlor meeting at the home of Mrs. J. L. Smyth Wednesday evening February 22d. All are cordially invited. Subscribe for the REPUBLICAN while in town court week. It is by far the best paper published in the county and only \$1.00 a year. Give us your order next week.

Mr. and Mrs. Michael Carmody and two sons accompanied by Miss Lizzie Donahoe of Dushore, and Miss Sullivan, of Towanda, took a sleigh ride to the county seat, Sunday. The W. C. T. A. parlor social will meet at the home of Mrs. M. C. Lauer on Friday evening February 17th. Choosing ones valentine from shadow will be the chief amusement of the evening.

Prof. F. W. Meylert and wife of Forksville, were calling on friends at LaPorte, the latter part of last week. Frank and the Mrs. have hosts of friends here who are always pleased to see them. Cleveland, it is said, has called upon Judge Gresham of Chicago, to head his cabinet as Secretary of State. Gresham is not a Democrat, but is a strong believer of the people's platform, hence the suggestion of him heading Cleveland's cabinet strikes the boys very funny.

Our foreman was among the number of young people of the county seat who took in the fireman's party at Dushore on Monday night and in consequence was no good on Tuesday. We would suggest that the proper officials of the Dushore Fire Co. name the latter part of the week for their 2d annual reception. We were told that Blatherskite of the Review commented on the County Statement in his issue last week. We had intended answering it, but after making two searches over this town for a copy of the Review, was obliged to give it up. Everybody said they did not take it. One individual remarked that it was sent to him complimentary, but that he had made good use of it. The people of LaPorte know the thing and refuse to help support it.

A State Report.

The report of the Secretary of Internal Affairs for 1892 embraces much interesting statistical information. The total value of real estate is placed at \$2,543,567,984, an estimated increase of \$287,416,674. Several counties show a falling off. The value of real estate taxable is \$2,308,767,431, an increase of \$216,430,348. The aggregate county tax assessed was \$18,829,680.78. Money at interest runs up to \$590,882,560. Secretary Stewart recommends the repeal of the taxes on stages, omnibuses and hacks, because the act in this respect is ignored. The total return is only practically \$527,179. The State tax assessed, exclusive of the State tax paid by railroad and other corporations direct into the State Treasury, was \$2,865,989.61. Total county debt is \$63,501,502.43. Sixteen counties have no debt of any kind. They are SULLIVAN, Centre, Erie, Franklin, Fulton, Greene, Lawrence, Lehigh, Luzerne, Northumberland, Pike, Bradford, Susquehanna, Venango, Washington and Wyoming. The total amount collected in 58 counties for licenses was \$3,533,657.26, and the approximate amount of tax collected in the State for all purposes is placed at \$47,963,361. The reader will perceive that little Sullivan is quoted with the several counties of the State, free of indebtedness. This is brought about by an economical board of County Commissioners, and this is why the Blatherskite editor of the Review is kicking so hard.

The Next Senate. The election of a Populist United States Senator in Nebraska yesterday leaves only three or four more Senators to be chosen in order to make the next Senate complete. The States where an election has not yet been finished are North Dakota, Montana and Washington, and we believe Florida also. There is a deadlock in the Legislatures of the first three States, and the Legislature in Florida does not meet until April. In North Dakota and Washington the failure to elect is caused by discussions among the Republicans, who have a clear majority in the Legislatures of both of these States. In Montana it is owing to no party having enough members to elect a Senator. But assuming that a Populist will be elected in Montana and Republicans chosen in North Dakota and Washington, it is possible to get at the strength of parties in the next Senate. Counting Judge Martin, of Kansas, for whose admission both Democrats and Populists will vote, and placing Senator Stewart, of Nevada, with the Populists there will be forty Republicans, forty-three Democrats and five Populists. This would give no party a clear majority, but as one or two of the Populists are pretty certain to vote with the Democrats, and as the latter will have the Vice President's casting vote also, Democratic control of the Senate may be regarded as certain. This will insure the executive and legislative branches of the Government to the Democrats and make it plain just where responsibility should rest. This will be better for the country and for the Republican party.

Our columns are somewhat neglected this week, owing to the fact that our time has chiefly been given to the printing of township tickets. We have printed tickets for seven precincts and have the order for one more, thus we expect to do eight precincts of the fifteen in the county. As usual the Blatherskite editor—Newell, is having hard sledding during the busy season of the printer. We would not be surprised to hear that the Review has suspended publication on any day. In our judgment that office hardly pays expenses. Last Saturday morning Sheriff Knapp discovered that Rosenweig and Blank had commenced an attempt to escape. An iron slab had been taken from the bed in Rosenweig's cell and broken into, and one-half passed to the cell of Blank, which was adjoining, and both prisoners had been at work in their respective cells removing the brick from around the cold air pipe in the wall between the two cells. To guard against future combined attempts to escape the Sheriff placed one of the prisoners up and the other down stairs. The Sheriff realizes his responsibility in the matter of the safety of his prisoners, and will use all necessary precaution against the possibility of their escape.—Tunkhannock Republican.

Atty. H. T. Downs fell on the ice near the Court House coal shed on Monday morning and cut a fearful gash on the back of his head. His back and leg were also bruised in the fall. This did not detain him from attending to the business of his office, however.

Farmers throughout the county are urged to attend.

The death of Mrs. Frederick Taylor at the advanced age of ninety-one years removed from us the last of the children of George Edkin. Her father for general intelligence and enterprise took rank among the leading men of Lycoming county fifty years ago. Her brothers, George, John and Frances, were among the influential men who materially aided in making an opening in the central part of this county at the time of its organization and they in connection with the Taylors were among the most liberal contributors towards the erection of Public buildings at LaPorte. Her father came to New York from London in 1794, and very soon after landing engaged in the service of General Horatio Gates remaining with the family twelve years. The General's death occurred in 1806, when it was found that he had willed a valuable city property to Edkin. George Lewis being one of the executors of the Lewis estate, proposed an exchange for Shrewsbury lands. Edkin shortly after visited Lewis' property and two years later in 1808, moved his family to the place long known as "Edkin Hill." A small clearing had been made by a man by the name of Henderson, on which Edkin very soon planted an extensive nursery of fruit trees, many of which he brought from the Gates farm in New York. From this nursery for thirty years choice fruit trees were obtained. The trees for much of the orchard land in our village having been given as a contribution to the county seat.

Mrs. Taylor had a vivid memory of events in her childhood until within a few years of her death. In early life she united with the Baptist church—was married in 1825 and her long life was spent among those of her own and the Taylor families, her only sister marrying a brother of her husband. The kindly cheerful expressions of years long ago is called to remembrance by the writer. * * * MUSICAL COLLEGE.—The Spring LICENSE NOTICE.
