Miss Olie Mahaffey, of Laporte, is visiting friends in Sayre.

According to Professor Hicks April is to be a stormy month.

Italians are coming in good round

numbers to work on the railroad. Look over our business locals.

Something new is added each week.

Stewart Chase lost a valuable horse on Wednesday evening of last week.

Miss Jessie Homet, of Wyalusing, was calling on friends at Laporte last week.

It is rumored that a wedding will take place in our midst in the very near future.

The roads are in pretty bad condition. If you don't believe it just ask Doc. Hill.

Thos. E. Kennedy, of Jamison City, was calling on friends at Laporte Sunday.

Judging from rumor Laporte will have a building boon this summer worthy of note.

In this uncertain weather the Johnny-jump-up will do well to look before it leaps.

Mr. and Mrs. Kennedy and family, of Laporte, attended church at Dushore on Sunday.

James McFarlane was doing business in New York city the latter part of last week.

Lee Gavitt, of Laporte township has made about seven hundred pounds of maple sugar.

The ice has partly gone out of ing will be the order of the day.

Communications unaccompanied by the author's name invariably find their way into the waste-basket.

Mr. James O'Neil, of Wilmont, and Miss Maggie Harrison, of near Dushore, were married on Tuesday.

The young people of Laporte enjoyed a dance at the residence of Mark O'Rourke on Friday evening last.

The winter term of the public schools are now closing in many of the school districts, and the teachers and scholars will soon be enjoying their summer vacations.

The grading of the driveway around Lewis Lake was commenced this week. E. S. Chase is superin tending the work and contemplates its completion by the 1st of June.

It is rumored that the Sullivan County Agricultural Society will divide their printing this Fall. This

would cause harmony and we believe increase the attendance at the fair. Mr. E. J. Gaynor, who has been visiting friends at Pottsville for the

p st few weeks, returned to Laporte on Tuesday. Mr. Gaynor has been ont he sick list for the past month.

The meeting of the school directors for the election of County Superintendent takes place two weeks from next Tuesday, May 2, at 1 o'clock p. m., at the Court House, in Laporte.

The hardwood manufacturing es tablishment will be erected in the valley between Lake Mokoma and the Laporte tannery. Mr. Mc-Cartney selected this site before leaving town last week.

The supervisors should now take look over the roads and put them in proper condition where they are badly washed out, or where the banks have caved down, in order to make them passable.

The people of Laporte should now see that all collections of dirt of all kinds are cleaned from the premises before the warm weather sets in. By attending to this important matter now, much sickness may be pre-

There is any quantity of iron ore along the valley of the Loyal Sock in the vicinity of the mouth of Mill Creek. Why would'nt a foundry pay at Laporte ? We invite capitalists in this enterprise to come this way and inspect.

The officials of the Dushore Driv. ing Park should advertise their meetlags &c., in the REPUBLICAN. This will insure success. The REPUBLI-CAN, 'tis true, has'nt any stock in the enterprise, however we would be

The lungs cannot fail to be benefitted by the inflation they get. The "Hindoo Tea" on Friday even

ing last was a grand success, but the Hindoo man was a failure. He did'nt put in an appearance. A number of our people are under the

impression that some Dushore folks interfered and prevented him from coming over, under the pretext that Laporte was no good, &c. Such actions as this cause bad feelings between the two towns, and we think it uncalled for, The business men

of Dushore, who are not to blame in the least, are perhaps the only losers. Hugh Evens and David Morgan,

young miners of Parsons, near Wilkes-barre, went into a field Saturday and fought for two hours, Evans finally winning by knocking

Morgan senseless. Both men were horribly cut up. They had a dispute about a girl to whom they were both paying attention. They agreed to fight, and the loser was to give up all claim to the girl. Saturday even-

ing the girl was quietly married to another man, William Jones, and the whole town is laughing at the two disappointed rivals.
