

THE REPUBLICAN.

FRIDAY, MAY, 5, 1893.

Sunday was a beautiful day. Improvements are now in order. It has the appearance of Spring. Memorial Day comes on Tuesday. The oyster season closed on Sunday.

The World's Fair opened on Monday. The duck season closed on the first of May. Our landlords anticipate a good city trade this summer. We are anxious for a correspondent from each township.

There was considerable politics talked in town Tuesday. Wild geese were seen on Lake Mokoma, one day last week. Dr. Hill is having his Lake Mokoma lot cleared of rocks and such. Conductor Knipe of the W. & N. B. R. R., was on the sick list last week.

The prospect for a good peach crop in Delaware is said to be good. One hundred and fifty thousand people attended the World's Fair on Monday. We have been farming this week, hence have given our paper but little attention.

The party at Gallagher's on Thursday evening of last week, was a grand success. Mr. Stormont's lot on South Muncy street, presents a very creditable appearance. The REPUBLICAN will be found on file at the Pennsylvania State building, World's Fair.

Miss Carrie Colt of Wysox, is visiting her sister, Mrs. E. V. Ingham at the 'Mere. Miss Dora Hannon of Forksville, was calling on friends at Laporte, Sunday and Monday. April has been a cold and wet month and work on the farm, in consequence, is backward.

We are doing lots of job work these days. For first class work address the REPUBLICAN. Mr. and Mrs. George Mead of Burnwood, Susquehanna county, are visiting friends at Laporte and vicinity. The weather on Tuesday, convention day, was pleasant and a large attendance of school directors were present.

Work on the trestling along the railroad is progressing. The only drawback, we understand, is the masonry. Paddy Quinn of Laporte, was called to Shenandoah, the latter part of last week, to attend the funeral of his cousin. Several very large trout were caught in Lake Mokoma last week. The largest we understand measured a trifle over 16 inches in length.

Rosenwig and Blank, who are to be executed in the jail yard, at Tunkhannock, on the 18th day of this month, still persist in charging the crime of murder upon each other. A. A. Baker of Laporte township caught the trout for the Hotel Kennedy trout supper, on Monday evening. Mr. Baker is considered the most successful fisherman in this section.

Mr. A. J. Bradley of Sonestown and Miss Laura Lawrence of Dushore, were married on Thursday of last week. Jack has leased rooms at Laporte and will keep house here for the present. The REPUBLICAN extends congratulations and wish the newly married couple lots of happiness and prosperity.

The LaPorte correspondent, "Rover" to the Dushore Review had this to say, last week. "A little piece which we noticed in the SULLIVAN REPUBLICAN last week did not strike us very favorably. It talked about only "dead heads" that took the Review in this town."

In answer to this we will only quote the old, old adage. "A guilty conscious needs no accuser." The executive committee of the Sullivan county agricultural society voted that the printing of the society be let to the lowest bidder. This will give all three papers a voice and is the proper way of disposing of this matter.

One of the officials of the society remarked to us Tuesday that Mr. Newell had failed to make this known through his paper. Judges Magee and Porter, of Pittsburgh, have made a ruling and set a precedent at a recent sitting of the license court that will deprive many a toper of an excuse for indulging in a "smile."

The judges averred that free lunches are illegal in the saloons and licenses would be refused where persons persist in securing out free lunches. Most of the local weather prophets have gone wrong on this remarkable spring and even the ladies who got their spring suits early are disappointed. It was supposed that after such a severe winter the mild, warm weather would come early and yet here it is the first of May, and March winds and storms howling and hardly a sign of vegetation and everything behind.

C. Peale, Jr., of the 'Mere, met with an accident, while returning home from a business trip to the county seat, on Saturday. Christopher drives a spirited horse and while going down the hill near the borough line the king bolt of his buggy broke causing the animal to run away. Mr. Peale and a friend who accompanied him were thrown out of the vehicle, but were not seriously hurt. The buggy and harness were damaged considerably.

Wm. McCartney of Lopez, who contemplated coming to Laporte and erect a stick factory, has given up the idea and will remain at Lopez. This turn of mind of Mr. McCartney is owing to the fact that he could not learn whether or not he could secure the desired amount of timber of the several owners of land in this immediate vicinity.

COUNTY SUPERINTENDENT OF SCHOOLS, 1892-1893.

Prof. F. W. Meylert elected on the First Ballot. On Tuesday May 2nd the school directors of Sullivan county met in Convention at the Court House in LaPorte borough, and were called to order by Superintendent M. R. Black who announced the business by-law, to be the election of one person to serve for three years as County Superintendent of public schools.

The day was pleasant and sixty-two of the seventy directors were present, each district being represented. Hon. T. J. Ingham was elected chairman of the convention and on taking the chair made some very appropriate remarks. E. A. Strong of Dushore and J. W. Rogers of Forksville, were elected secretaries. They called for the names of the directors and enrolled them as follows: COLLEY TOWNSHIP.

C. F. Hunstinger, Wm. Allen, Isaac N. Wilcox, W. Jennings. CHERRY. Michael McDonald, R. Litzelman, Thos. Cadden, Geo. Hartzig, Patrick Hannon, J. T. Taylor. DAVIDSON. D. M. Speary, J. C. Steck, D. M. Taylor, Isaac N. Wilcox, M. D. Horn.

DUSHORE BORO. F. H. Farrell, John S. Hoffa, R. H. Brewer, E. A. Strong, Wm. Lawrence, B. S. Collins. ELKLAND. J. J. Webster, C. C. Heine, N. Tompkins, Wm. Hart, Samuel Parish. FORKS. Lloyd Streby, J. K. Bird, Michael Broshart.

FORKSVILLE BORO. J. W. Rogers, A. A. Collins, R. D. Lancaster, Francis Chaffee, John Pardee, J. G. Wright. FOX. E. W. Hill, R. T. Battin, Eldah Wilcox, W. E. Porter. HILLSGROVE. Wm. Craven, E. S. Little, R. B. McBride, W. E. Starr, Chas. Haas, L. B. Speaker.

LAPORTE BORO. Jas. McFarlane, Thos. J. Ingham, Chas. Wrede, Russell Karns, John Smith, R. A. Conklin. LAPORTE TWP. Geo. Karge, E. Botsford, Henry Karge, Joseph Fiefter, J. H. King. SHREWSBURY. C. F. Cheney, Philip Secules, Geo. Rine, G. W. Craft, R. W. Bennett, S. P. Worthington.

The fixing of the salary of the Co. Supt., was declared to be first in order. Hon. B. S. Collins moved that the salary remain as of the past, \$1,000 a year. This motion was put and was carried unanimously. This finished, nominations were declared to be in order. A. A. Collins of Forksville nominated Prof. F. W. Meylert of Forksville and Hon. B. S. Collins of Dushore, nominated Prof. M. C. Miller of Dushore. The chairman then read the school laws relating to the necessary qualifications of the County Superintendent and in compliance with said act requested that the nominees present to the convention proof of their competency.

Prof. Miller presented a permanent certificate issued by State Superintendent, Dr. Waller, which was read in convention and accepted. Prof. Meylert presented a diploma issued by the State Normal School of Mansfield, Pa., which was also accepted by the convention. Balloting was then decided in order and the secretaries called the roll of directors with the following result: F. W. Meylert had 49 votes. M. C. Miller had 13 votes. The secretaries announced the result to the chairman who declared that Mr. Meylert having received a majority of the votes was duly elected.

Take a look at Harrington's new ad, elsewhere.

A dozen or more REPUBLICANS, of this issue, have been ordered by parties from a distance. We guess they are anxious to hear the result of Tuesday's convention. The news has already gone out to Pennsylvania that Dr. Nathan C. Schaeffer has been appointed State Superintendent of the Public Instruction by Governor Pattison, to succeed Dr. Waller, Jr., whose term of office expired April 1st.

The Pennsylvania School Journal for May says it is an admirable appointment. The common voice of the educators of the state called for it, and in approving that call the Governor has done well for the cause of general education. He has at the same time stirred a feeling of personal gratitude on the part of many of our best and most intelligent citizens who are assured from personal acquaintance with and personal knowledge of the man about to put his hand upon the work, that he is worthy to follow in the line of our best and strongest Superintendents.

Pennsylvania has a population of over five million, an area of 45,015 square miles and an estimated wealth of five billion dollars. Heretofore only \$6,000 have been appropriated to the use of the State Board of Health, but this year an attempt is being made to increase the appropriation to \$100,000. In view of the fact that cholera is again raging in Europe and will reach its deadly clutch to our shores, this amount is none too liberal to protect the health of this commonwealth.

There is not a village in the state that has not more or less disease generating filth lying around in cellars, alleys, back streets defective drains and impurities in water. Our state board should be more thoroughly organized, having a representative in every town in the state, and this officer should have power to enforce sanitary conditions where they are not properly carried out. Such an officer could find much to demand his attention in this vicinity now. People should be more careful this spring than ever with regard to cleaning cellars, wells and springs, and see that cess-pools have safe and thorough drainage. One can not be too careful in such matters at any time, but when an epidemic threatens us, the duty is imperative. And whatever our law-makers do to promote health should be heartily endorsed by all the people.
