FRIDAY, DECEMBER 1, 1893.

Entered at the Post Office LaPorte, Pa as second class mail matter.

The Tariff Destruction Bill.

The bill prepaired by the Ways and Means Committee ought to be satisfactory to the most radical free tussle as they pretend to be. They trader. True, there is a semblance say gas is the chief production down of protection left in some of the schedules, but the cuts are heavy all along the line, and there must be a general unsettlement of business in-terests until the mills and the manufacturing establishments can accomswelled enormously. Free lumber will not affect the Southern pine, but ore will not hamper Alabama to any great extent, but the Pennsylvania Democrats who desire to flood the market with the soft coal of Nova Scotia, which can be mined with -Ex. England and even to Pennsylvania and New York by water, are going to make a good thing out of it, but the slightest provocation, or when a vast industry is menaced.

details until the manufacturers who useful as an escape valve for angry are directly affected can take their feelings, but any other words would bearings and can make up their minds fust what they can do. But in a general way the bill has every promise of demoralization about it. promise of demoralization about it. Is no occasion to swear outside of the South has been taken care of printing office. The habit is useful fairly well and escapes with little in proof-reading, indispensible in injury. New England cuttery, build getting forms to prose and has even hard time of it with free competition. Pennsylvania is the great field for the paper when it is printed, but the raid of the "retormers." Her otherwise it is a discussing behit." great woolen and textile manufactories and her immence steel mills have been made a target for the free traders, and it becomes a serious matter to determine just what can be done should this bill get through without change. There is no longer protection for the makers of agriculindustry of New Jersey receives a staggering blow. In fact, all through the list there is scarcely an industry that does not come under the ham-

ity a great trade has been springing Under the Tariff Destruction up. Under the Tariff Destruction bill commercial treaties must be made over again. No more recipturg, by her attorney, Paul J. Sherpocity. No more trading upon a basis which has proven of so much which is seriously affected, and the sugar growers are given ample time. With little or no revenue in this direction, where is the revenue coming from except from an income tax, to The second week of the big strike

this bill. The great manufacturing wise are uncertain. If there is any decided change in the situation it is summence amount of close figuring. Some of them will close; others will go on. Business must struggle along in some way, and of course many factories will get upon their feet after a fashion and will do the best they can. But where does this bill leave the workman, the one above all others who was promised large wages came from several places along the and plenty of work by the tariff line of the road Monday and the bed springs; feather pillows childs tinkers? The workman is out at Governor commissioned nearly fifty both ends. He is given less work in more special policemen to guard the —25 different styles; tables, stands. both ends. He is given less work in more special policemen to guard the the bituminous coal mines, in the forests, in the ore beds, while the farmer who raises sheep will have to turn his attention in other directions or struggle along against free wool. MUNCY VALLEY ITEMS. other comes in less time in the mills and less pay for the work done. Whenever there is depression in the mills the employes are the first to mills the employes are the first to decided it. Down go the wages. It is McClellan A. Phillips has accepted phone, with invariably so. We fear that under the clerkship in D. S. Stevens' store Hughesville. this bill there will come a reduction in many a branch of manufacturing.

Reduced protection brings reduced iolly set of clerks there now. employment and reduced remuneration, and this effect is one of the alarming features of the Tariff Destruction bil concocted by the Dem-ocratic Ways and Means Committee.

thing about the bill, and that is the fact that it is not yet passed. Nor is it likely to be passed without radical amendment. Let it stand as at here. Who can beat him? that is before Congress is one for the capitalist who employ labor, but on the part of the laborers to save themselves from pauper wages. The country has spoken in charon tones on the tariff. By immence majorities it has declared against the respectations.

Here. Who can beat him?

There is talk affoat that the members of the Sonestown 1. O. O. P. Lodge are contemplating investing in silk hats that they will make a fine appearance with their new regalia.

G. W. Bigger has opened a coal yard at this place and is doing a good business.

Jere. Kelly,

G. W. Bigger has opened a coal yard at this place and is doing a good business.

peal of the McKinley bill. Every Republican member of Congress will fight this onslaught upon American industry and he will fight to the bitter end.

JERE. KELLY'S GOLUMN.

Mrs. Russel Karns was quite sick on Tuesday night. At this writing she is some better.

The people of Bernice say, the sporting folks of Jamison City are not as chuck full of sand on a cur say gas is the chief production down there.

"Now then, good people, step right up and take a good long look at the Democratic Administration condition of affairs—that is if the change shall come. The free list is the last one you'll see for many a year to come. Step right up."

it will affect the lumber industries of the North and Northwest. Free the Erie yards, was asked by a friend the other day "what he thought of the election," to which he gave the coal will not injure the far South, but Pennsylvania, the Virginias, Maryland and other states will be periously troubled. Some influential her in such a manner as to keep her. her in such a manner as to keep her from ever wandering back again."

One of the worst habits into which It is useless to attempt to point out the defect of the bill in minute addicted to the habit say that it is stone and tobacco will have a getting forms to press, and has even been known to assist in looking over

Great Railroad Scheme.

CLEVELAND, O., Nov. 22 .-- The long-talked-of electric elevated rail-road between Chicago and New York and buggy spokes; wagon and buggy bent rims; buggy bent will in all probability be built. The scheme has been in a state of incutural implements, while the pottery bation for the last two years. Durbeen numerous secret meetings held ed valley tin; large iron kettles; in this city, and another is in proin this city, and another is in promer of the tariff smashers. The bill gress at the residence of Dr. J. Gought not to be labeled a bill for the Anderson. Capital from New York Anderson. Capital from New York collection of revenue, but a measure for the destruction of the tariff. It will be noticed that the feature which Mr. Blaine insisted upon is knocked endwise. Under reciproctors to insure its success.

A Big Suit for Damages.

wood, of Wilkes Barre, entered suit benefit to the United States. These yesterday in Wyoming county courts are smashing times, sure enough. against the Lehigh Valley Railroad And to make up for the loss in rev-Company, for \$25,000 damages for enue by the transfer of so many induction of some solution of some solution of There is to be no revenue of any was killed at the Water Street cross- best cloth washing machine ever secount from sugar. There has been ing in Pittston. He attempted to made, we sell you for \$6.50. We do a struggle over that sugar problem. The committee has not dared to make sugar dear by attempting to raise revenue upon it, and so it has gone to the extreme of reducing the present small duty on the reined article, while it assails the sugar-grower industry by knocking off the county, not at one stroke, it is true, but in a progressive reduction. This and man into one confused heap.

The confused heap it is the confused heap.

The confused heap it is the confused heap.
