

Mails leave Laporte Post Office for W. & N. B. R. R., and arrives as follows: SOUTH. NORTH.

The N. Y. Weekly Tribune and Sullivan Republican for \$1.25 One Year \$1.25.

Snow storms are frequent.

Court is in session at Tunkhannock this week.

Monday the 9th, was the anniversary of Lee's surrender.

James Murray of Ringdale, was doing business at the county seat Monday.

Sugar making in this vicinity, thus far, this year, has not been a success.

Atty. J. G. Scouten of Dushore, was doing business at the county seat Tuesday.

The Republican County Convention will be held in Laporte on Tuesday May 8th.

Squire Simmons of Sonestown, gave the REPUBLICAN office a call, on Tuesday.

Wilkes-Barre has won the suit against banker Rockefeller's bondsmen and they will have to pay the city \$51,876.

People who have a right good opinion of themselves, are most apt to take a tumble in the estimation of their neighbors.

Mr. William Fullmer of Shrewsbury twp., while at the county seat on Tuesday, made the REPUBLICAN office a call.

The snow and rain storms during the latter part of last week, interfered quite materially with the work on the new court house.

Last year's Democratic plurality of 185 in Rhode Island was changed on Wednesday of last week to a Republican plurality of over 4,500.

The foundation for the Landon residence on West Maylett street, is nearly completed. George Draper and George Cooley are doing the work.

The saloon keeper Governor of South Carolina is experiencing some trouble with his citizens. They object to his spies entering private houses to look for "licker."

From present appearances the Democratic State Convention will have to draft some one to oppose General Hastings. Parties to whom the nomination has been tendered, invariably say nay.

The Ladies Aid Society will meet at the home of Mrs. Chas. Tinkler, Thursday April the 12th, from 2 to 5 o'clock p. m.

MAUD CROSSLEY, Sec'y.

We will venture to say that if Coxey should succeed in getting a thousand of his "wage earners" into Washington, that not fifty men out of the thousand would work if it was tendered them.

The Coxeyites are still on the move. They hope to reach Washington the latter part of next week. This change in the weather may detain them, however. The army is increasing in numbers.

Sheriff Mahaffey was out of town a good part of last week attending to business pertaining to his office. The Sheriff remarks business dull which speaks a good and prosperous word for our people.

Hotel Kennedy is taking care of a large per centage of the workmen engaged on the court house, and the workmen are pleased with their quarters. This house is receiving its share of the public trade.

The Money Valley News, published at Hughesville, reached our exchange table this week. It is an advocate of Protection to American Industries and is a breezy little sheet. The new enterprise has our best wishes.

During a thunder shower on Wednesday evening of last week, lightning struck an old dead tree on the hill back of Hills Grove and burned it to the ground. This is pretty early for lightning to play a prominent part, in this vicinity.

The opening of the Laporte Hotel under the new management—Stewart & May, on Friday evening of last week, was a grand success. Forty tickets were sold and all present expressed a good time. The orchestra, consisting of five pieces, Julius Hall of Dushore, leader, was complimented by the dancers. The supper was a feast of good things.

Something in the neighborhood of 24 inches of snow fell on Tuesday and Wednesday. According to our exchanges the storm was general.

It is needless to say that this is the most severe snow storm of the winter. It comes from the North East and our people are fearful that the roofs of their buildings will collapse under its weight.

Jennings Brothers have placed a machine in their mill at Lopez, Sullivan county, to grind the waste lumber from their slabs and edgings for fuel. There is now not a particle of waste lumber about their mill.—Reporter for special.

A. S. Wagner, of the firm of Wagner & Remyer, architects of Williamsport, and who drew the plans for the new Sullivan county court house, about to be erected at Laporte, was in town Tuesday on business pertaining to the new building.

Mrs. B. G. Horton, oldest sister of Judge Ingham of Laporte, died at her residence in Washingtonville, N. Y., on Monday. Mr. and Mrs. Ingham left for Washingtonville on Wednesday and will attend the funeral of Mrs. Horton which takes place this Thursday.

County Superintendent, F. W. Meylert, is visiting schools in the western part of the county, this week. He was accompanied by his wife as far as Forkville, where the Mr. and Mrs. will attend the entertainment to be given by the Forkville High School, on this Friday evening.

Rev. Mr. Frazier of Millview and Mr. A. A. Collins of Forkville, were doing business, relative to the holding of the County Sunday School Convention, at the county seat, on Thursday of last week. We understand that the committee in session voted Forkville the place of holding the convention and the same to take place in August.

If Breckenridge knew as he says he did of Miss Pollard's shady reputation, what business had he to introduce her into respectable society. And again what business had he mingling among decent, honest people. William's name is Dennis for the balance of his natural life and he can give his "silver tongue" a rest.

Miss Ada Chase of Eagles Mere, is in attendance at the Laporte High School. The Mere school closed recently. They only have a six month's term over there and Miss Ada was anxious to continue in school another month, hence, came over to Laporte. We have a seven month's term here and would suggest that the school directors of Shrewsbury twp., give the matter a thought of increasing their term likewise.

A new oil field has been discovered near Bradford, McKean county. A well that is flowing at the rate of 250 barrels per day has been struck on lands of the Bingham estate on the line of the old Bradford, Bordell and Kinzua narrow gauge railroad. This is one of the largest oil wells struck inside of ten years in the Bradford territory, and it opens and lengthens out a pool of oil which is creating great excitement among oil men and means another big boom for Bradford.

It is rumored that the Lehigh Valley Rail Road will run over the Williamsport & North Branch track to Hall's and that the W. & N. B. will continue their trains to Towanda, in the very near future. If this rumor is true, and we have no reason to doubt it, as it comes from good authority; it will more than double the business now done on the W. & N. B., and make it much more convenient for the traveling public. All will join with the REPUBLICAN in wishing the deal consummated at an early date.

The annual statement of the resources and liabilities of Laporte borough, as made out by our Borough Auditors, has been returned to the Auditors by the Town Council who recommend a change in the same. The change the council desire made, is regarding the license money for 1894. They urge that this amount should not be included in the resources for the year 1893. The Auditors, so we are given to understand, will take exceptions to the statement remain as it now is. We predict that the court will be called upon to decide the question.

This is the season of the year to plant your advertisement in the REPUBLICAN. The moon is right for a fair remuneration. The business man who inserts an ad in the newspapers and remodels the same to compare with the changes and prices in his store department, will catch the dollar. For proof of this assertion we ask you to compare your business with those who advertise. If we were in the mercantile business we would make a business of advertising. We would do as they do in other towns, reduce our price on some one article to cost and then announce it in the papers. We would also give two per cent off to cash customers. This would not amount to much in the course of a year and would double your trade. It looks big to the buyer. With this done, we are sure we would work up a good trade, and one that would astonish the citizens of our town. This would increase business in our midst. It would help the blacksmith, the carriage maker, the shoe maker, the landlords, the dressmaker, the harness maker, the lawyer the doctor and the printer. Will our merchants give it a thought?

It looks as though the weather prophets had gotten the March and April weather slightly mixed.

The County Commissioners met in their office at Laporte on Monday. They were busy a good part of the day doing business pertaining to their office.

C. S. Schultz who has been in the employ of the Pendocost Lumber Company, near Jamison City, met with an accident on the latter's saw mill at a recent date and has commenced legal proceedings for damages. Both parties interested were at Laporte on Friday last and selected arbitrators to decide the matter. The arbitrators chosen were: F. P. Vincent, of Dushore; Parvin Kile, Elk Grove; J. C. Pennington, Nordmont. The case will be heard before these gentlemen at Laporte, on Wednesday the 25th day of April. The attorneys employed are: T. J. and F. H. Ingham for Shultz and E. M. Dunham for the Pendocost Company.

The Laporte Building Association have selected two lots on South Muncy street and nearly opposite of Atty. Downs' residence upon which they will build two of the four dwellings proposed by said organization. The other two lots have not been decided upon, but judging from the opinion of the several stockholders, given at a meeting held on Friday evening; the J. P. Little lots on West Main street and adjoining J. W. Ballard's lot, are the choice of the Association. Plans for the dwellings have been submitted to the organization and it is more than likely that they will advertise the letting of the erection of the buildings in the near future. They will be given to the lowest and best bidder, or bidders.

Senator David B. Hill addressed the Senate on Monday. He gave his views on the Wilson bill the income tax bill and the present administration. The Wilson bill is not what the people want, he says, and the income tax bill is a monster and should be defeated in the Senate. The administration is a blunderer. He holds Mr. Cleveland responsible for the Hawaiian trouble. He says Cleveland blundered the first day after his inauguration by appointing Gresham Secretary of State. Gresham was a Republican you know and only a few years ago appeared in the National Republican Convention as a candidate for the Presidency, he was defeated and left us. Mr. Hill thinks there are Democrats in the U. S. who could have filled this office satisfactory to the people. The Senator's views on these matters meet the approval of Republicans. Everybody should read Hill's speech.

F. H. Tomlinson purchased a team of horses of Thomas Schug, both parties of Davidson some time ago. Tomlinson did not pay for the team on the day of the purchase and some time after the deal, one of the horses died. Tomlinson then claimed that the team was not as good as Schug had represented them to be and refused to pay the price agreed upon. Mr. Schug commenced legal proceedings to collect and the case was to have been heard before arbitrators in Laporte on Tuesday. Mr. Tomlinson did not appear, however, hence the arbitrators—Michael Gallagher, Barney Sheehan and J. A. Jordan found for the plaintiff and placed the cost of the proceedings on the defendant. There were thirty-two witnesses present and the cost figures up to \$73.15. The attorneys employed in the case were: T. J. and F. H. Ingham for plaintiff and J. G. Scouten for defendant.

We were busy in our job department last week doing stationary work, such as letter heads, envelopes, bill heads and statements. We did the work for Botsford & Deininger, who are about to start a cigar factory at Nordmont and for Spencer & Son, general merchants of Laporte. We took in the neighborhood of fifteen thousand impressions. The REPUBLICAN does considerable work in this line, notwithstanding the fact that a number of our professional men mail their orders to adjoining counties. It is just as consistent for a Sullivan county client to hire a Bradford county lawyer on a little petty case and a Sullivan county sick man to call medical aid from Lycoming county as it is for these professional men to go outside of the county for their stationary. This is a free country, however and we can all do as we like about these matters. Nevertheless, it is not in accordance with our every day speech—"build up home trade."

Our people will be pleased to learn that one of our ladies, Miss Clara Ballard of Laporte, who is in attendance at the Collegiate Institute at Towanda, took the first prize in the elocution contest at said place on Wednesday evening of last week. The entertainment was held in Hale's opera house and our Towanda exchanges say the house was packed with people. There were five ladies and five gentlemen contesting. Four prizes were awarded. First and second to the ladies and first and second to the gentlemen. The ladies were: Miss Clara A. Ballard, Miss Ray Corcoran, Miss Lottie G. Miller, Miss Agnes Tackett and Miss Elizabeth Hargis. The gentlemen were: Laurence Humphrey, Joshua E. Marsden, Hamilton N. Morrow, S. B. Karns and Daniel Lane. The prizes were awarded as follows: Ladies, First prize—Miss Clara Ballard, second prize—Miss Elizabeth Hargis. Gentlemen, First prize—Daniel Lane, second prize—Hamilton Morrow.
