The Hornellsville Press says the funniest part of the newspaper business is that almost any kind of an article may be written without the mention of eyen a name, and some person is going to bob up who is perfectly willing to put on the coa and wear it. It is queer how some people borrow trouble, and then try to vindicate themselves when they find that they are "dead in it."

The Coxey army marched into Washington Tuesday and were met by officers who arrested Browne of the Coxeyites and Captain Jones of the Philadelphia delegation. After the arrests the army was quietly moved to the out skirts of the city. The army numbers about six hundred. It is pretty evident that the officials of Washington will not per mit Coxey to carry out his program As was predicted, the city is very much excited over the advent of the tramps and the streets are packed with people.

Chauncey Black's York Gazette proposes a Democratic State ticket all the candidates on which are from interior counties. It declares that if Philadelphia wants a place on the ticket she must settle her di visions and give some assurance that a decent proportion of the Democratic vote will be polled. This is pretty severe. It could never have been contemplated by the quarreling Democrats of that city that they would have to suffer such a terrible penalty as not to be cauch a terrible penalty as not to be the terrible penalty as not to be cauch a terrible penalty as not to be the terrible penalty as not to be terr
