At last February election, Henry Huffmaster, (Republican) and Frank JERE. KELLY'S At last February election, Henry Middendorf, (Democrat) were opponents for the office of tax collector of Cherry twp. When the vote was counted off it was learned that Huffmaster had one majority of votes over Middendorf. The vote being 208 and 209. Middendorf then claimed that there had been illegal votes cast and that 13 votes had been thrown aside by the Bern'ee election board (owing, so the board claimed to a deficiency in marking) which Middendorf claims should have been counted. For these reasons Mr. Middendorf is contesting the election.

Alphonsus Walsh was appointed Examiner by the court at February term. We give the order of the court to the Examiner and the Examiner's Report below. Judge Sittser took the thirteen votes thrown aside by the election board, the Examiner's Report and the testimony home with him and will give the verdict later on. The thirteen votes will cut quite a figure in the decision of the case. If thrown aside Huffmaster will still remain the Collector. If counted Middendorf will handle the Cherry twp. moneys.
