Street Commissioner, James Walsh has done lots of repairing to our roads this season and in every instance the work appears well done. This week he is doing the second ward.

The Democratic party is to blame for these hard times and the people know it and they will refuse to vote the Democratic ticket this fall and continue them at the helm. Give us Republican administration and the good old times of only a year ago will resume. After next fall Democrats will be as scarce as silver dollars are now.

Dist. Atty. A. L. Grim of Laporte and the foundation of the Democratic party of Sullivan county, is spoken of as a candidate for Member. Mr. Grim is an old time Democrat and is authority on Democracy and should receive the nomination at the hands of his friends.

As announced in the REPUBLICAN last week, the train service over the W. & N. B. and L. V. to Towanda, was renewed on Monday. It will be good news to the traveling public to know that every point on the compass indicates that the train is put back for keeps.

In our mention of the building enterprise about Laporte, last week, we unintentionally omitted to speak of the building of the M. E. parsonage. This building is progressing nicely. Those engaged on it are: T. J. Keeler, John Andrews and Henry Boatman, all experienced workmen.

The builders of the Lake Mokoma steam boat, remarked on Tuesday that they expected to launch the boat on this Thursday afternoon, possibly, however, the rain of yesterday might have interfered with the progress of the work and will detain the launching until Friday. It will be just a plain launch.

The past few days of sunshine and showers have been very favorable to the growth of crops and vegetation generally. Rye promises a good yield, corn has turned from a yellow to a healthy green and is making rapid advancement. Cat worms, potato bugs and vine destroying insects are quite numerous.

Harry Hill has been before the New York Lexow committee. He was a money maker and gave the police liberal sums for protection until they demanded \$1,000 at a haul. This he refused and then the "cops" ruined his business, simply because he squealed against being robbed of all he possessed.

As a result of the recent election, in Oregon the Legislature stands as follows: Senate—Republican, 19; Democrats, 8; Populists, 3. House—Republican, 52; Democrat, 1; Populist, 7. Republican majority on joint ballot 44. That one Democrat will get awful tired talking to himself.

B. W. Jennings and Frank Rice of Lopez, who made Washington, D. C., a visit on their wheels in early June, returned home on Thursday last. The boys were 12 days on the road and made a circuit of something over six hundred miles. They returned by the way of Laporte and expressed an elegant time. During their stay in Washington they listened to Mr. Hill's speech on the tariff.

We take the following from the Benton Argus, (Dem). It explains in a nut shell just what is causing these hard times—the Wilson bill. It goes on to say that even with this bill defeated good times will be restored. Other words the McKinley bill set alone will bring back the good times of only a little over a year ago. Smith, of the Argus, ought to have gone one step farther and said that the Democratic party has no head to it and is utterly incompetent to run this government. With this said, the Argus would have summed up this Democratic situation very complimentary, indeed.

Here it is: "By all means let the Senate hurry the Wilson bill to its final destination, whether it be defeat or victory, and let the country get into a shape once more that will inspire confidence and mutual good faith among the people. This condition will never be reached so long as the Wilson bill hangs fire in Congress, keeping manufacturers and capitalists alike on the rack of uncertainty and blocking the wheels of the mills and factories all over the land."

Mr. E. P. Cheney, of Orwell, Bradford county, is visiting friends in Laporte. Stewart & May, proprietors of the Laporte Hotel, will give a grand ball on Wednesday evening July 4th. A good time is anticipated and a general invitation is extended. It is predicted that Sullivan county will give a Republican majority for Governor next fall. At last spring election Jackson, the Democratic nominee for Congressman only received 40 majority over Grow the Republican nominee. This is a tumble down of over 300. Unprejudiced Democrats say that the county will go Republican before the Presidential election comes around. They say that Hon. M. J. Lull and Patsy Connor, Esq., both of Bernice are aspirants to the office of Congressman and will ask for the congressional conferees of Sullivan county. Our Democracy must put their foot down somewhere and we are told that it is just as likely to strike Josh as Patsy. To settle all difficulties we would suggest that one of these gentlemen request the nomination for Congressman—at Large.

Mrs. Lizzie Holliday of Monticello, N. Y., who was tried last week for murder, was convicted and will suffer the penalty during the week commencing on the 6th of August. Mrs. Holliday is of gypsy descendant and is a bad woman. It was proven in court that during her existence she has killed at least four people. The country will be better off without her. Sugar will be 8 cents per pound under the Wilson bill. Today under the McKinley act, we are buying it for 5 cents. Workingmen here is a chance for a thought. The Wilson bill is a Democratic measure and the McKinley act a Republican law. The people have opened their eyes somewhat since the last Presidential election. They will appear like peeled onions by the time the '96 campaign comes around.

In Trouble at Wilkes-Barre. William Steele, father of Eva Steele, who became Mrs. Robert Ray Hamilton, is in trouble at Wilkes-Barre. He will probably be brought up on a charge of attempting to murder his son and his housekeeper. During a drunken quarrel he fired two shots at his son and eluded the housekeeper out of the house with his gun. He then disappeared, and it is supposed he is keeping out of the way to avoid arrest. If you ever have sick headache and want it cured quickly and effectively, with none of the debilitating effects of antipyrine or kindred drugs, just take a tablespoonful of red pepper, mix it with vinegar to a thick paste and spread it upon a cloth, cotton or linen, and bind upon the forehead with a handkerchief from temple to temple; then take about two grains of red pepper in a teaspoonful of vinegar and swallow it. The mixture on the forehead will burn, but will not blister, and in the course of ten minutes the headache will disappear under the stimulating effects of this remedy, leaving the patient feeling as if such distressing things as sick headaches were unknown to the human family. A prominent Democrat of Laporte said the other day that the people throughout the county need not be surprised to hear of a pitch battle among the Democratic office seekers of Bernice, Cherry, Dushore and Lopez precincts. There are from one to two candidates from these districts for each office to be elected this fall, except jury commissioner. They are as follows: For Member, George Strey of Dushore and Ambrose Farrell of Lopez; for Congress, M. J. Lull and Patsy Connor, of Bernice; Senator, Alphonsus Walsh, of Dushore; for District Attorney, E. J. Mullen, Dushore. This is piling it on pretty thick when you stop to consider the number of offices now being held by people of these precincts. They are as follows: Member, M. J. Lull, Bernice; Assessor Judge, John Yonkin, Id, Cherry; Prothonotary, Alphonsus Walsh, Dushore; County Commissioners, Gabriel Litzelman, Cherry and John H. Farrell, Dushore. The reader will observe that the office of Jury Commissioner does not appear in either of these lists. The Cherry twp. combine, compromise with the other fellers on this office and the other fellers are well pleased with the compromise. The only unhappy creatures of the Sullivan county Democratic party, are those residing in the Cherry combine—that there isn't more offices to fill,

On the 28th of March 1898, by Act of Assembly, an election district was made of territory embracing most, if not all of this county. The place appointed for holding elections the house of Wm.
