The colored camp meeting at Lake Mokoma, the last of this month will attract lots of people to the county seat.

The honors of being nominees of the State Democratic convention are like many peoples pocket books these times.

The Germania Band of Towanda are making arrangements for an excursion which will be run to Eagles-Mere on July 25th.

The party given at the Laporte Hotel, on Wednesday evening July 4th, was a success and all present report a good time.

Hon. C. E. Buckalew of Bloomsburg, and J. Henry Cochran of Williamsport, registered at the Laporte Hotel, Tuesday.

They had a large day in Dushore on the 4th, but it won't be a comparison to the 15th of August in Laporte. Come over and see.

Mr. C. C. Faries of Milton, Sundayed with friends in Laporte. Mr. and Mrs. Faries contemplate spending the summer in Laporte.

A large number of colored people of Williamsport, contemplate holding a camp meeting at Lake Mokoma, the last of this month.

When the people get to the polls next November they will put down Democratic hard times, riots and all similar evils, by a very large majority.

If Chicago would get rid of its Anarchistic population it wouldn't be quite so large a city, but it would be a mighty sight safer one to have around.

The post office at Laporte changed hands on Saturday evening last. Mr. Walter Spencer is now our P. M. in place of Miss Ethlin Mason, resigned.

The 15th of August comes on Wednesday. Everybody is invited to come to Laporte on this date to attend the largest picnic ever held in the county.

A number of farmers in this section who have always voted the Democratic ticket, are frank in saying that they will never vote Democracy again. Amen.

Here's richness: "We re-assert the old Democratic doctrine of equal rights," quoth the Pennsylvania Democratic platform. Does this refer to "befo' the war," or after.

The road between this place and Eagles-Mere, is said to be very good. This will be good news to the summer guests who take a jaunt over the same nearly every day of the week.

Mrs. Clent Calkins and two sons, Floyd and John and Mrs. Daniel Shoulder and little son, Master Charley, of Williamsport, are visiting Sheriff Mahaffey and family of Laporte.

The editor was congratulated more than once, by Democrats, too, for the article published in the REPUBLICAN in our issue of June 28th, pointing out the office seekers in the "Cherry Combine."

B. W. Jennings is going to be our next Member and we would caution our Democratic friends that if they don't want a licking they had better keep out of the race. A word to the wise is sufficient.

June 30th was the last day that postal notes were issued from the various post offices. Several parties over in Dushore called at the office under the impression that postal cards had been discontinued.

Mr. John Purrell, who formerly occupied the Brewster shop, on North Muncy street, has purchased of Judge Ingham the large stone house, on Thorne street and took possession of the same last week.

Wool is quoted in Dushore at 12 cents per pound for unwashed and 17 cents per pound for washed. These are the effects of the Democratic Wilson bill. All farmers should vote the Democratic ticket by all means.

Prof. Orr L. Davis principal of the Laporte graded school, left for his home in Franklinville, Huntington county, on Friday of last week. Orr has been retained as principal of our schools and will return in September.

Geo. Jackson the cigar manufacturer of Dushore, took a skip over to Laporte on his wheel, Monday. On his return home and opposite the REPUBLICAN office he took a header, but said it didn't hurt him any, that all bicycle riders were hardened to those kind of knocks and gave them but little thought. Wonder if it would hurt a bicycle rider to precipitate down a precipice a hundred feet depth?

Superintendent J. W. Flynn, of the Laporte Tannery, received word from the officials of the Union Tanning Company of Ridgway, last week, to resume full time at the Laporte Tannery. In accordance with this order, Superintendent W. A. Kennedy of the inside works of the institution ordered three hundred sides placed in soak. This is a good send off for our tannery, owing to the fact that our neighbor tanneries are only working half time.

Miss Winnie Davies, daughter of ex-Lieutenant Governor, William T. Davies of Towanda, accompanied by Miss Bessie Carnochan, daughter of the late Atty. W. H. Carnochan, of Towanda and an old law partner of the Hon. Mr. Davies, are spending a few days in Laporte, the guests of the Mountain House. The young ladies speak very nicely of Laporte and Lake Mokoma as a summer resort and are evidently enjoying their vacation here on the mountain.

This is an excellent good showing for Laporte. It is our opinion that Laporte is the third best paying station along the line of the W. & N. B.

Jury Commissioners, Geo. W. Simmons of Sonestown and C. Case, man of Platt, assisted by Sheriff Mahaffey and their clerk, Mr. Robt. Stormont, drew the jury for September term of court on Monday. You will find the list elsewhere in this issue.

Following is the gross receipts of the Williamsport and North Branch Rail Road station at Laporte for the month of June:

Table with 2 columns: Item, Amount. Ticket sales, \$206.09; Freight forwarded, 218.02; Telephone, 4.50; Telegraph, 5.46; Conductor's cash collected, 130.25; Express forwarded, 2.50; Express received, 55.08; Freight received, 1963.06; Total, \$1974.38.

F. W. Gallagher, proprietor of the Main street Cafe, was up and doing on the morning of July 4th. While the county officials and clerks were slumbering, he seized the opportunity and tacked the first flag on the new court house building. He hung it to the breezes on the north west corner of the tower and gave a salute of three shots. During the day some person lowered it to half mast, not on account of a death, but we presume, owing to the fact that the building is only half completed. When this news reached Frank, he seized an armful of spikes and with his little hatchet in hand proceeded to the structure and nailed it firmly to a board which he used as a flag staff. Frank is proud of the honor which will go down in history, that he, Gallagher, was the first man to hang the stars and stripes on the new building.

Mr. W. J. Maguire and wife of New York and Mr. W. L. Welch and wife of Philadelphia, guests of Hotel Raymond, Eagles-Mere, took a drive over to Laporte to view Lake Mokoma and its surroundings, early Monday morning. While homeward bound and opposite the post-office building one of the wheels of their two seated carriage collapsed, apparently without cause, as the teamster, Mr. G. I. Woodside was driving at a moderate gate, throwing one or two of the occupants to the ground; neither sustained any injuries, however. Several of our citizens went to their assistance and in due time a second carriage was procured for them and the broken wheel taken to the carriage shop for repairs. With this done the party continued their journey homeward.

The bricklayers on the court house have been laid off for several days in wait for iron doors to be furnished by the County Commissioners. The officials ordered the doors of a Philadelphia firm in due time, but owing to the fact that they are made in Ohio, the Western railroad strike is supposed to be the cause of the delay. The workmen complained the early part of the week of the material not being on the ground, but under the circumstances, we fail to see how they can hold our people responsible for the delay. The County Commissioners and the contractors, Messrs. Lawrence Bros. are just as anxious to have the work go on as the workmen are to do it.

The court will appoint a county auditor in place of Morgan Gavitt, resigned. Jacob Magargle of Sonestown, would like the appointment and he would make a right good one too. Streby of the Gazette, announced through his paper that Mr. Gavitt's successor would be elected at the polls this fall and Jacob took advantage of the situation and announced himself a candidate for the place through the columns of the Gazette. Now whether George made this statement for card fees or through ignorance the people don't know. If the latter, George has a great big bug in his bonnet that he will know more about the law one year from this fall.

Those present evidently enjoyed a good time, however. Esq. Mason who has the ground in charge had prepared tables for the spread and immediately on entering the grove the mothers, the grand-mothers and the great-grand-mothers commenced arranging for dinner, while the young people took possession of the large and spacious platform and enjoyed an all day's dance. The orchestra consisted of a violin and a guitar. It served the purpose however, and that was all that was necessary. The steam boat which had been launched on Thursday evening, June 28th, was on deck and served to help entertain the visitors. At about noon however, some part of the machinery got out of whack and she laid idle for nearly three hours. Ed. Koons engineer on the railroad and Mr. E. I. Brundage of Laporte, detected the mishap about the machinery. The eccentric had gotten out of place. With this repaired all went smoothly the remainder of the day. The picnickers returned home at 6:30 p. m.

Our people amused themselves at home and gave the picnickers, but little thought. Occasionally a few of our number would cross the lake and enter the grove out of curiosity, but on a whole they gave the excursionists full sway. Young America burned the usual amount of crackers and late in the evening the men came to their rescue and made things lively for a time with the large crackers, roman candles, sky rockets, etc. There were no serious accidents to mar the pleasers of the day, as is usual on such occasions.

Fourth of July was a big day in Sonestown. The program was carried out in full and the people of the town in the valley are receiving lots of compliments for the good time they gave their visiting guests.

A number of our people attended the races and picnic at Dushore on the 4th. They say the picnic was a success, but the races were a complete failure. The fastest time made was 3 minutes.

Benton gave an old time celebration on the 4th. Six or seven thousand people were present and a half dozen bands were there and furnished music for the occasion. Benton is a progressive little town.

The city cousins are coming to the country.

County Commissioners and Auditors Meet.

The County Commissioners, Gabriel Litzelman, John H. Farrell and J. J. Webster, met at their office in Laporte on Monday and requested the County Auditors, Messrs. Heverly, Wilcox and Gavitt to meet with them to take action and reduce the commission paid the County Treasurer, A. L. Smith, on the bonds to be issued by the county. In accordance the officers convened at the appointed time. The result of the meeting was as follows:

COMMISSIONERS' OFFICE, July 9, '94. Commissioners meet,—full Board present. The purpose of this meeting, among other things, is to consider the matter of Treasurer's Commission upon the Bonded indebtedness of Sullivan County. By request of Commissioners, the County Auditors are also present at this meeting for the purpose above stated of acting jointly with the County Commissioners upon the matter of Treasurer's Commission on Bonded debt. Auditors present: Messrs. Heverly and Wilcox. Meeting called to order at 2 o'clock p. m. by Mr. Farrell.

WHEREUPON, Mr. Litzelman offered the following resolution. Resolved, That the Treasurer's Commission upon current expenses be not disturbed, but that the Commission upon the bonded debt be reduced from 5 per cent. to 2 per cent.

The ayes upon the adoption of the foregoing resolution were Messrs. Litzelman and Farrell. Mr. Webster voting nay. The majority having voted in favor of the resolution, it is declared carried.

WHEREUPON, the resolution, in conformity to the Act of Assembly, was referred to the County Auditors for their approval. The ayes and nays of the Auditors being called, Messrs. Heverly and Wilcox voted "disapproval."

The County Auditors having disapproved of a reduction of the Commission upon bonded indebtedness, the resolution adopted by the County Commissioners is declared lost.

The Fourth at Laporte.

As announced in the REPUBLICAN the excursion of Odd Fellows along the line of the W. & N. B. visited Lake Mokoma on July 4th. The excursion consisted of about three hundred and fifty people and they arrived at the picnic ground at the head of Lake Mokoma at about 11 a. m. The small attendance was owing to a funeral and a death in Hughesville on said date. The death was a Mrs. Parker, wife of one of the band boys, hence the Hughesville band did not join the excursion.

Those present evidently enjoyed a good time, however. Esq. Mason who has the ground in charge had prepared tables for the spread and immediately on entering the grove the mothers, the grand-mothers and the great-grand-mothers commenced arranging for dinner, while the young people took possession of the large and spacious platform and enjoyed an all day's dance. The orchestra consisted of a violin and a guitar. It served the purpose however, and that was all that was necessary. Brundage of Laporte, detected the mishap about the machinery. The eccentric had gotten out of place. With this repaired all went smoothly the remainder of the day. The picnickers returned home at 6:30 p. m.

COUNTY MAP.

It is About Time a New One Was Made and Published.

There is no authentic wall map of Sullivan county in existence. It is nearly twenty years since the late Wm. A. Mason published the one now in use, and it is not authentic. New townships have been formed, new roads laid out and old ones abandoned, and the average resident don't know where he is at. There would certainly be enough subscribers to such a publication to warrant some wide-awake map maker to go ahead and publish one. Every political candidate will want a copy to guide him over the county. As it is, office seekers sometimes get outside their ballwick.
