Still in the County Jail.

WILKES-BARRE, July 15.—The convicted banker, F. V. Rockefeller is still in the county jail, quartered in Cell No. 1 with Charles Voigt, who embezzled \$2000 from a bank. He declines to see visitors, and has had no interviews with any one outside the jail since his incarceration. He complains bitterly of pains in his head, and spends most of his time weeping. Occasionally he talks a little, and speaks of friends, or of those whom he befriended in their business troubles, as the parties who are responsible for his failure and for all the ills consequent thereupon. He intimates that one man in town could tell more about his case than any other and is chiefly responsible for what has occurred, but he doesn't name the person, and no special effort seems to be made to have him do so. He has asked to have his transfer to the penitentiary put off until next week.

Ample preparations are being made for the great picnic which is to be held here on the 15th of August. The large pavilion which is being erected on the borders of Lake Mokoma was raised on Monday, and a number of workmen are engaged finishing it. The building when completed will be about seventy feet long, comprising a room for assembling, dancing etc. A ladies room, and a room for sale of refreshments. Tables and seats will be placed in the shady grove around the buildings. From the pavilion a winding path leads up to the Mokoma plateau, from which a fine view can be had of the whole lake. Another shaded path leads up to the town. Not far from the pavilion is a landing, where those who wish to enjoy a ride upon the lake can take the steambot. Those who have the arrangements in charge will spare no pains to accommodate the people who attend.

The farmers of Columbia and adjoining counties will hold their second annual picnic at Wynona Park, near Coles Creek, Pa., on Thursday, Aug. 2nd. This beautiful park lies along the B. & R. R., just above Coles Creek station, on which are the great Ludian springs whose pure sparkling waters the red men held sacred. This grand park, with its stately trees casting forth such inviting shade, with its grand springs of pure sparkling water, with its central location and close proximity to the railroad has been chosen by the farmers as the place for holding their annual picnics. Able speakers to discuss farm topics have been engaged and among the number is J. T. Ailman, of Thompsontown, Pa. Reduced rates have been secured over the B. & S. Railroad, special trains will run, and an ample number of comfortable coaches will be provided to convey all in attendance to and from the picnic. An abundance of refreshments of all kinds will be served on the grounds. A cordial invitation is extended to the farmers of Columbia and adjoining counties, and the public in general, to attend this grand annual picnic. Come one and all, and bring your wives, your sons and your daughters with you to enjoy a day of social intercourse, of pleasure and of profit in the cool inviting shades of the beautiful Wynona Park.

Governor Flower has appointed a committee, composed of Drs. J. M. Lee, Rochester; J. G. Spencer, Watertown, and Bloomer, Utica, to examine into the sanity of Mrs. Halliday.

ALBANY, N. Y., July 16.—The commission to investigate the case of Mrs. Halliday, the murderess now awaiting death at Clinton Prison, has found unanimously that she is insane.

Governor Flower commuted her sentence to imprisonment for life in the State Criminal Insane Asylum at Mattewan.

He filed the following memorandum: "The defense was insanity and the evidence to establish it was very strong. Dr. Selden H. Talcott, medical superintendent of the Middletown State Hospital, and Dr. Henry E. Allison, medical superintendent of the Mattewan State Hospital, both of them, men of great experience, testified that she had at different times some years before the homicide been under their charges as an insane patient, at which time she was unquestionably insane and they had no doubt that she was insane at the time of the homicide. Three commissioners, appointed since the trial, have after a careful examination filed their report, stating that in their opinion she is insane. Under these circumstances I do not think her a fit subject for the death penalty. It will be much safer to commute the sentence to life imprisonment."

A Sympathetic Strike.

"What's the matter that there is no dinner ready?" asked the labor leader. "The cook quit," replied his wife, leaning back in her chair and fanning gently. "Why didn't you get it ready yourself? You know how well enough." "Me I'm out on a sympathetic strike with the cook."
