It is said that Mr. Cleveland's letter to Mr. Wilson was received in the Senate with many jeers and much laughter. Remember the respect due your President, gentlemen. Enright, visited him at Laporte on Monday and took a look at the site for the new Catholic Church. Poor Streby of Grandmother, has another fit. This time it was occasioned by our article showing him up in the matter of the corner stone for the new Reformed Church at Dushore. His ranting about the REPUBLICAN gives us no cocaine, but we think it was hardly decent for him to throw mud at his honorable competitor for the office of Representative and to accuse him of being a heeler and boodler. Such attacks will do you more harm than good, George, for every one knows that Mr. Farrell is an honest, intelligent and decent man.

Japan and China have had a fallen out and are going to war about it. The dispute is over the Corea Island, both countries claim possession of the island, which is about twice as large as the State of Pennsylvania. A war in Japan and China perhaps will make better times in Pennsylvania. Something dreadful must occur to make up for the deficiency of our Democratic administration.

An Office Goes Begging. Centralia, Columbia county, is a town without a tax collector. Both the Town Council and the School Board have combined their efforts to secure a collector, but no one wants the job. The lawful compensation is no inducement, and it is believed that 10 per cent. will have to be allowed before a collector can be obtained. In the mean time the borough treasury is depleted and the officials are in a quandary. This is quite different from the situation in Sullivan county. Our people resort to law for the collectorship.

The Germania excursion of Towanda passed through Laporte at about 10 a. m. Wednesday. There were about six hundred people aboard. The L. V. crew brought them as far as Satterfield where the W. & N. There were two sections, No. 5 took the lead, she had attached to her 9 coaches and they were filled to overflowing. No. 7 had ten coaches, but they were not all filled. The Y. M. C. A. ball team went through on the regular. It was a gala day for the excursionists, judging from the smiles that branched out on their faces as they passed through Laporte.

The case was brought by Smith and is relative to commission allowed him for moneys paid out as Co. Treasurer.

A destructive forest fire swept over Dutch Mountain in the vicinity of Ricketts last week, doing damage to hundreds of acres of standing timber and burning thousands of logs ready for the mill. The Dorsey lumber camp and another house and barn close by were consumed in the flames. Several buildings owned by Trexell & Terrell were also consumed. The loss of the standing timber will be felt to a great extent, by the lumbermen in the vicinity of Lopez.

The EaglesMere base ball team took the early morning train on Friday last en-route to Towanda. The object of their visit to the metropolis of Bradford, was, to knock out the Y. M. C. A. team. They were doomed to disappointment, however. The result of this union was: Y. M. C. A. 17 scores; EaglesMere 13. The 'Mere boys claim that three of their regulars were not in the match and that when they come together they will make it more than interesting for the Towanda boys.

Streby, of Grandmother—the Gazette, appears to think that all the Democratic leaders in the county are heelers and boodlers. This is pretty hard on Karns, Walsh, Smith, Flynn, Murray, Gallagher, Phillips, Yonkin, Farrell, Speaker, Wright, Caseman and a number of other gentlemen, who have always been considered by the people of the county to be good men and true. If Grandmother is to be relied upon the only good men in the Democratic party are, Streby, himself and the man who writes his editorials.

Mr. Chas. Stewart of Clearfield, who spent several weeks with his son, D. M. Stewart of the Laporte Hotel, this summer, has evidently given the boys down there a great big "stiff" regarding the wilds of Sullivan. The Clearfield Journal publishes his well gotten up story, wherein he relates a big kill—two bear and two catamounts in one day. Great Scott we do not believe there are a half dozen men in the county who can boast of killing two bear in one day. There are some bear here but they are not as plenty as all this. He speaks of catching suckers, this is true, we have them in abundance. The old gentleman, without doubt, "winked the other eye," when he cut lose from the reporter.

The Lawrence Bros. of Dushore, were awarded the contract of erecting the new Catholic church at this place, on Monday and broke ground for the same on Wednesday. The structure will be of wood and will be 40 by 65 feet. The height of the spire will be 75 feet. The location is on West Park street; one of the finest sites for a church or a dwelling in our town. The force of carpenters now at work on the Troy court house, under the supervision of the Lawrence Bros., will have said building completed, so far as the carpenter work is concerned, and ready for the plasterers by the middle of next week, when they will come to Laporte and assist to erect the church. It will be a neat and pretty edifice, one that all of us can feel proud of. Fr. Enright, who was the leading spirit in this enterprise, will spend a good part of his time at Laporte, in close consultation with the contractors, during its construction.

The Loyal Temperance Legion and Y's. of Forksville, will hold an entertainment, followed by a Millinery Social, Saturday evening, July 28, 1894, in the hall over the store of G. W. Snyder & Co.
