

The N. Y. Weekly Tribune and Sullivan Republican for \$1.25 One Year \$12.50

Sunday was a smoky day. It will soon be fair season. Eagles here is still booming with summer guests.

This is a good year to cleanse the Democratic politics.

A good sign, there are no kickers in our party, this year.

The leaves are turning a crimson color—fall is approaching.

It will soon be time to lay in a supply of coal for winter use.

Who is going to donate the bell for the new Catholic church?

Hon. Russel Karns of Laporte, was quite sick last week. He is better now.

A number of people of Muncy Valley, attended Catholic services at Laporte, Sunday.

The Normal Institute now in session at Dushore, will close one week from to-day, Friday.

An excursion of several hundred people of Montgomery, visited Lake Mokoma, on Saturday.

Hon. Russel Karns is having his Lake Mokoma cottage erected. Four carpenters of Columbia Co., are doing the work.

The friends of the Democratic ticket propose making a still hunt. Our people will do their bidding in open daylight.

Station agent Ritter is the busiest man in town. Attending to busines and going without his dinner, is a frequent occurrence with him.

The several new buildings under construction in Laporte, shows off at a good advantage on the 'Mere road about a half mile from town.

Boyd C. Van Fleet of Binghamton N. Y., who has been visiting friends in Laporte for the past few weeks left for his home on Saturday evening.

Those Democrats who said they were anxious to vote for Dunham for President Judge, will have a chance to gratify their wishes, this fall.

The friends of our ticket, both Democrats and Republicans most effect an organization and get into working order. With this done, we are assured of success.

D. Kennedy proprietor of Hotel Kennedy, was taken dangerously ill with convulsions last week. At present he is on the improve and is able to be around.

Work on the court house and Catholic church under the supervision of the Lawrence Bros., is progressing very satisfactory to those immediately concerned.

The Lawrence Bros. have awarded the contract of plastering the new court house to James Gansel of Laporte township. Jim will commence the work next week and will do a first class job.

Democratic county convention next Monday. Candidates are not numerous. Bad behavior of the Senate at Washington has thrown a wet blanket over affairs Democratic.—Wayne Ind.

Mrs. R. F. Marmon, of Monett, Mo., on Monday gave birth to four children—three girls and one boy the combined weight of which is 16 pounds. The mother, who is a small woman, is doing well.

A brand new school house is being erected at Nordmont. It is said to be a fine building and will accommodate a large school of children. It is built with a view of the future as well as the present. Arthur Botsford is doing the work.

James Gansel of Laporte Twp., who has the contract of lathing and plastering the new court house, has sub-let the lathing of the same to Hought and Snyder of Milton. The sub contractors commenced work this morning, Thursday.

We will give a biographical sketch of our candidate for Congress next week.

Miss Nan Welles of Meshoppen, Wyoming county, is visiting Judge Ingham and family of Laporte.

The Republican Judiciary Conference met in Dushore, on Thursday of last week, and placed in nomination Hon. E. M. Dunham of Laporte for President Judge of this district.

The following people of Laporte left this, Thursday morning, on the Epworth League Excursion to Shawnee Lake:

Mrs. J. H. Spencer, Mrs. Wm. Grupp, Miss Laura Grupp, Mr. and Mrs. Gordon, Mrs. M. Seward, Mammie Ballard, Etta Chase, Mabel and Walter Spencer, Jessie and Agnes Wied, Howard, Chas. and Irene Ballard, Willie Heim, Holka Koschanky, Clara Kerr, Geo. Chase, Hubert Smith.

Mrs. S. F. Colt of Cheektowaga, N. Y., is spending a few weeks with friends in Laporte. Mrs. Colt comes for the good of her health. She has been troubled with hay fever for some time past and has every reason to believe that a sojourn of a few weeks on the mountain will restore her former good health.

A number of our citizens, are anxious to see the school audit. One or two tax payers came to our office recently thinking that it had been published with out their notice and asked to see the files with it in. On learning that it had not been published they were surprised and wondered the cause.

A number of Laporte people went to Niagara Falls on the excursion, Saturday evening. Among the list were: Mr. and Mrs. H. T. Downs, Mr. and Mrs. F. M. Crossley, Mr. and Mrs. Chas. Tinklepaugh, Wm. Vansteinburg, Geo. Laurensen, Thos. Coyle, Jno. Bennage and Albert Diefenderfer. They all report a good time.

The carriage and paint shop buildings erected by J. W. Ballard on West Main street, are excellent buildings for the purpose intended and will compare favorably with any like buildings in the county. It is asserted by those who ought to know, that Mr. Ballard turns out more new wagons than any one institution of this kind in the county.

Josh Lull of Bernice, is, so we understand slated by the bosses of the democratic party, for Prothonotary, to be elected one year from this fall. The bosses fixed up the present ticket. Is'nt it pretty near time to let the bosses down? They have run the machine for a number of years. The people should come to the front now.

Brother Ratter of the Hughesville Mail, received the nomination for Member at the hands of the Lycoming county Democracy, last week and he is a happy man. If Lycoming must be represented by a Democrat, in this office, why, Ratter is our choice. He is a first-rate fellow when you come to size him up, but he favors free wool however, and the farmers won't like that.

A play, titled "War and Peace," will be exhibited in Athletic Park, Williamsport, on this Friday. It will be presented by the famous Innes band of New York city. This band is one of the very best in the U. S. and the entertainment promises to be something extra good. The occasion is the 54th anniversary of the Repasz band of Williamsport. Those of our people who can, ought to take it in. It will be instructive and entertaining.

A. A. Oberholtzer of Bangor, Pa., has leased the Laporte Hotel of Stewart & May and will take possession of the same on or about the 10th of Sept. Mr. Oberholtzer is a brother-in-law of Hon. Russel Karns and has been in the hotel business for a number of years. He contemplates repairing the interior of the building quite extensively. A clerk now in his employ in the Bangor Hotel will take charge of the Laporte stand.

Dist. Atty. A. L. Grim of Laporte, was not favorably impressed with the likeness we inserted in our columns last week of Mr. Jennings. He said it made him look like a bruiser. We admit it was'nt a clear picture of our candidate for Member but when you have tried as often as we have to secure good photos for publication, you will be content with most anything. It seems to be impossible to get a first class cut made. The subject don't seem to have anything to do with it. We have a strong notion that a cut of Logan would be no exception to the rule.

M. W. Botsford, merchant of Nordmont, sold his store to M. W. Stephens & Co. of Williamsport, one day last week. The new firm will take possession of the same the 1st of September. Mr. Botsford contemplates giving all of his time to his cigar manufacturing establishment.

The excursion to Laporte on Saturday August 25th, was the smallest of the season. A number of the party took dinner at the Laporte Hotel. They were as follows:

Wm. Hain, Ed. Swan, Geo. Fehr, Isaac Decker, W. Harman, L. Harman, James Thomas, J. Felix, H. Miller, E. Harman, Miss Sadie Dietrick, W. Campbell, Miss Grace Smith all of Montgomery, Archie and Willis Kelley of Mabel Hill.

A very pretty little gathering of about 60 young people were entertained at Mr. Geo. W. Smith's, Eagles Mere, on Saturday evening Aug. 18th. Miss Lizzie Smith our young hostess, did her part in the entertaining of her guests. Music and dancing until 11:30, when Ice Cream and Cake were served, after which all went home. The house was prettily dressed with evergreens, and lanterns lighted the porch for out door dancing. Our New York friends, Miss VanBoskerek and Lillian E. Wilson, who are summering at Mr. Smith's enjoyed the evening.

Two gold watches were stolen from workingmen engaged on the court house Saturday afternoon. The men when they go to work, hang their coats and vests in the old wood shed which they also use as a tool room, never thinking of removing their valuables therein. When they quit work for the day, Saturday, James Arey a carpenter, and Mr. E. Stasel a slater, discovered that their watches had been stolen. Warrants were issued, but as yet no clue to the stolen property has been found. A reward of \$20. is offered for the return of the goods and conviction of the guilty party or parties.

A horse owned by Chas. Lauer of Laporte broke loose from a hitching post in front of E. S. Chase's residence at the 'Mere on Saturday afternoon and ran in the direction of Laporte at a breakneck speed. At Shaversburg field the buggy upset and threw the horse where it was caught by C. F. Cheney and others, who went in pursuit. The wagon was wrecked more or less and the horse received several gashes about the legs, not serious however. Mrs. Dr. Murrelle and Mrs. J. L. Smyth and son Victor had driven the horse to the 'Mere and were calling on Mrs. Chase at the time of the accident. Mr. Lauer went over after Mrs. Murrelle, Mrs. Smyth and Victor and the wreck on Sunday.

We have been officially informed that the picnic, held at Laporte on Aug. 15th for the benefit of the Catholic church, was a great financial success. The net proceeds are about \$1,670; and this amount will be applied towards the erection of the churches at Laporte and Bernice.

The contests for the cane and watch were closed on Thursday last and netted \$1,075.75. The cane was won by Mr. Frank Gallagher of our city; the watch was secured by Miss Nellie Gilligan of Lopez.

It must, indeed, be gratifying to Father Enright to meet with such eloquent indorsement of his efforts, and we hope that he may long be spared amongst us to perform the great work that has been assigned him.

The church, which is now under course of construction, is being pushed on rapidly by the Lawrence Bros. and will be ready for the ceremony of dedication by Nov. 1st. It is a handsome structure and is admirably located. It will be an ornament to our city.

On the occasion of the Sunday excursion to Lake Mokoma, I noticed that the sidewalks of Sullivan county's capital were open and doing a rousing business, regardless of the law which forbids the sale of liquor on Sunday. I have looked carefully through the Sullivan county papers to see if they have any fault to find with such proceedings, but all appear to be blind to the fact that the law has been transgressed. It is a dark blot on the fair name of Laporte.—Towanda Review.

The above is written by a correspondent of the Towanda Review, who styles himself, "That Man About Town." So far as our knowledge reaches, his remarks are untrue in every particular. He speaks of saloons. We have but one. Our Hotels, however, did a large trade on the Sunday mentioned. The Laporte Hotel, we understand, entertained four hundred people for dinner, and the other Hotels did a corresponding business. It is our opinion that this Towanda correspondent witnessed these people enter the several hotels and imagined that they were drinking. Imaginary news is dangerous, and we feel confident that the only "dark blot on the fair name of Laporte," received by this excursion, was the pen of the Towanda Review correspondent.

The Dushore Park & Fair association hold their third annual races on September 6, 7 and 8.

The W. and Y. W. C. T. Unions of Laporte will hold a Parlor Meeting and Pennant Social at the home of Mrs. C. E. Grimm Friday evening August 31st. An offering for the benefit of the Societies will be gratefully received at this time. A cordial invitation extended to all.

It is rumored at Laporte that work on the new road down Loyalsock has come to a halt. This is really to bad. Our people had every reason to expect that this thoroughfare would be in readiness for travel at the date fixed for the Forksville Fair. We are told that there is no certainty of its being completed this year. This being the case legal proceedings should again be revised against the officials to blame for the delay. The history of the making of this road, in a nut shell, is like this. A year ago the court ordered the road made. Laporte Borough, Laporte Twp., Shrewsbury Twp. and Forksville Borough went to work at once and completed their part at a cost of several thousand dollars. The officials of Forks Twp., have squirmed and grunted and did everything possible to delay the matter and to-day there is yet to build at least two miles in that Township, hence the officials in the districts above mentioned, who went on and did their work at the above mentioned cost, have laid out of their money and the use of the road for nearly a year. This is unfair and just and there is'nt a particle of right in it, and the parties delaying the matter should be made to explain the cause.

Another Murder in Wyoming County.

George Kelley was murdered by Adelbert Harford at Golden Hill, Braintown township, Wyoming county, on Thursday night Aug. 16th just before dark. There had been a cutting bee in the fallow of Frank J. Millheim, and the parties named, with others, participated therein and went to Millheim's for supper about seven o'clock.

At the supper table George Kelly and Adelbert Harford had words over an old board bill owed by Harford to Kelley, in which Harford took Kelley by the neck, only releasing his hold when compelled to by Mr. Millheim.

After supper the two men started for home, a half mile away, taking up their axes as they went out of the door yard. They were watched down the road about thirty rods to the forks of the road, three miles from Laceyville, eight miles from Sugar Run, and seven miles from Mehoopany. Here they were seen to stop, Harford taking Kelley by the neck with his left hand, and swinging his axe with his right, struck Kelley on the head with the pole of the axe.

Kelley dropped to the ground as Harford loosed his hold upon him. The victim was found to be bleeding from the mouth and nose and was helped to the house in a dazed condition and went into a stupor, being unable to give any account of the affair before death came at 6:35 on Friday morning. Harford was arrested and is confined in the Tank-hannock jail.

KILLED BY THE TRAIN.

Within Earshot of Home Theo. Hess Meets a Tragic Death.

On Saturday evening Theodore Hess, who with his family, resides on a farm near Montgomery, met with an accident that resulted in his death. While returning in a wagon from Montgomery he sought to cross the Reading railroad tracks in front of an advancing locomotive. The engine which regularly runs on the Williamsport and North Branch railroad and which was running backward struck the wagon, smashing it to bits, and Mr. Hess was hurled forty feet away, and was picked up unconscious and with his skull crushed. The horses escaped unhurt. The scene of the accident was less than half a mile from Hess' home and Mrs. Hess and her daughter, who were awaiting his return heard the crash. They hurried towards the place and the injured man was removed to a house close by, where he soon expired.

Two brakemen with lighted lanterns sat on the front part of the engine when it struck the wagon. The engine was returning from Montgomery after having hauled an excursion to Lake Mokoma and back. No inquest was held. Mr. Hess was 36 years of age and leaves a wife and three adult daughters. He was one of the most prominent Democrats in that section and as a citizen was highly respected. At one period in his life he was Justice of the Peace of Clinton township for many years.—Gazette and Bulletin.
