

THE REPUBLICAN.

FRIDAY, OCTOBER 26, 1894.

The N. Y. Weekly Tribune and Sullivan Republican for \$1.25 One Year \$1.25.

They didn't enthuse.

Adversity is a powerful tonic.

Hypocrisy is the meanest of vices.

Election one week from next Tuesday.

Make arrangements to attend election.

The candidates can not complain of this weather.

If you want protection and good times, get aboard of Kulp's train.

G. B. Metzger Esq., of Williamsport, registered at the Laporte Hotel, Monday.

Sheriff Mahaffey and Frank Crossley, each loaded a barrel of sour kroun, on Monday.

Next Thursday will be the first day of November. Then rabbits will be in season.

What a gnashing of teeth there will be among the Democratic leaders, after the ball is over.

Mr. McFarlane contemplates placing a steam heater in his store building at the Laporte Tannery.

Mrs. Flora Ballard of Washington D. C., spent the early part of this week with friends in Laporte.

Mr. and Mrs. W. E. Porter and little daughter Emily, of Shunk, Sundayed with friends in Laporte.

Every Republican and Democrat should attend the election and cast their vote on the 6th of November.

Having hardened his hands by labor, "Farmer" Kulp, will be the last man to neglect the interests of labor.

A strict party man is no person to solicit votes. This was demonstrated in the court yard, one day last week.

Worth Jennings is a worthy young man and our people know it, and will not forget him on the day of election.

A number of our Democratic friends, of Laporte, attended the Buckalow mass meeting, held at Dushore, Saturday.

Sunday was a perfect day and those who were situated for the occasion, enjoyed a carriage ride. The editor watched them go by.

The American policy is to help those who help you. Do you think Farrell has helped the workingmen the farmer and all other people more than Jennings?

Conrad Kraus the butcher, has commenced the erection of an ice house on the rear of his Main street lot. A. J. Hackley is doing the work.

N. C. Maben the barber, will embark in the confectionary business. Nowt has the best stand in the town for this business and will no doubt make a success of his adventure.

The yards in front of the two dwellings, owned by the Building Association, on South Muncy street, have been graded and present a fine appearance.

Mrs. E. V. Ingham and Miss Vina Upman of Eagles Mere, who have been spending a week or ten days with friends in Wysox, returned to Laporte on Saturday, last.

A. C. Jenkins of Laporte twp. has suggested that the County Commissioners have placed in large letters the word "Justice" on the front of our new court house.

County Superintendent, F. W. Meylert, who is spending a good part of his time on the roads, visiting schools, appreciates the beautiful weather we are having.

The plasters and stone masons of Milton, engaged about our new court house, expect to complete their work by the 6th of November, when they will return to their homes and cast their ballots for Monroe H. Kulp for Congress.

Mrs. John T. Brewster and niece Mrs. Ballard, left for their homes in Washington, Wednesday. They were accompanied by John H. Green as far as Williamsport where he will spend a couple of weeks with his sister, Mrs. B. F. Hill.

The funeral of Mr. Kennedy on Tuesday was largely attended. There was a large delegation of people present from Cherry, Dushore, Jamison, Sonestown and Muncy Valley. Among the gathering was "Farmer" Kulp the Republican candidate for Congress.

Vote for C. E. Geyer for Senator.

Vote for Hon. E. M. Dunham for President Judge.

Ed. Dunham will make a fair and impartial Judge. No person can dispute this.

Vote for Z. T. Kilmer for Jury Commissioner.

"Farmer" Kulp, will have 200 majority in little Sullivan. The farmers are going to vote for him, almost to a man.

Vote for B. W. Jennings for Assembly.

Politics don't make a good bed "fellow" and the presumption is, a good many people will breath easier after election.

Vote for Monroe H. Kulp for Congress.

You might just as well vote for General Hastings, for Governor. He will have two hundred thousand majority, anyway.

Vote for Hon. E. M. Dunham for President Judge.

The rank and file of the Democratic party in little Sullivan, mean to down the ringsters of their party this fall.

Vote for B. W. Jennings for Assembly.

"Farmer" Kulp is a friend of the soldier—the soldier was the best friend this union ever had. Remember Kulp.

The Towanda Review published a biographical sketch of Geo. T. Ingham of Sugar Run, last week. A picture of Mr. Ingham accompanied the sketch.

A Democratic mass meeting will be held in Sonestown, on Thursday Oct. 25th. The meeting will be addressed by the Hon. W. W. Hart of Williamsport.

Vote for Monroe H. Kulp for Congress.

A Representative of Sullivan not only represents the party who elects him, but all the people irrespective of party. All the people will take pride in seeing a representative man at Harrisburg.

It is conceded on every hand that Monroe H. Kulp is making a gallant fight for Congress, which unless all signs fail will land him a winner.—Bloomsburg Republican.

Foxes are becoming quite plenty in this section. Two were killed in the borough limits one day last week. They were evidently looking about for a convenient hen-roost for night prowling.

Will Finkle is scaling logs over in Elkland township. He went over on Sunday and expects to be gone several weeks. He will come back and give Hastings a vote on election day, however.

Atty. R. J. Thomson of Dushore, is doing legal business in Texas state. Mr. Thomson is called away from home a good part of his time on business. This speaks a good word for Rush.

The court room in our new court house will be ready for occupancy by December term of court, according to contract. It will require several months to complete the building, however.

"Farmer" Kulp, stands for the protection of every interest of Sullivan county. The farm, the mine, the mill, labor and the three great industries must go hand in hand.

Our Democratic friends will hold a mass meeting in Jamison City on next Saturday evening. Hon. C. R. Buckalow, Hon. Grant Herring and others will address the gathering.

Which one of the two candidates, Mr. Jennings or Mr. Farrell do you consider is the most competent to represent us in Harrisburg? Think it over and answer our question at the polls.

The I. O. O. F. lodge of Laporte, have recently placed a new organ in their hall. It is said to be a very good toned instrument, and was purchased of "The Manville Co." of Towanda, Pa.

B. W. Jennings the people's candidate for Member pays out from eight to ten thousand dollars to employees, monthly. Our people will not overlook this when they go to the polls on the 6th of November.

The officials of the Lake Mokoma Land Company, are building a dry dock on the west shore of the lake, and opposite of the depot, in which will be stored the steamer, "Queen of Mokoma" during the winter.

Mr. Jennings has always been active in the promotion of the schools of his district. If further aid can be had from the state to assist the schools of Sullivan county and the state, he will use every honorable means to secure it.

Mrs. Watkins of Towanda, is visiting Mr. and Mrs. Judge Ingham and family, of Laporte.

T. F. Carskaden, the merchant tailor, of Williamsport will insert a new ad. in the REPUBLICAN next week. Look out for it.

Did the Hon. C. R. Buckalow say in his Dushore speech that he was unanimously nominated in the Democratic conference? If not, why not?

A man that votes, not only votes for the candidate, but for his own interests, a representative has influence for good or bad, who would represent the best interest of Sullivan county?

Which one of the several precincts of the county, will give "Farmer" Kulp the largest majority, this fall? We go two to one on Fox. Elkland will be pretty close behind her and the Estella boys say they mean to take the prize. To accomplish this they will have to get in line, as their close neighbors west of them are quite Foxy.

When other large lumbering interests in Sullivan county have been idle on account of depression in the trade, the mills of Jennings Bros. have continued to run theirs, giving employment when employment is most needed. B. W. Jennings candidate for member of Assembly is a member of said firm.

The overseers of the poor at Williamsport have posted notices in all the saloons and hotels of the city cautioning bartenders not to sell liquor to a number of persons whose families are constantly applying to the board for relief. The poor board intends to enforce the law in this matter.

The people of Sullivan county will vote for a Representative of our county on the 6th of November. Each and every voter has a pride of being represented by a representative man, the question is—who will represent the best interest of Sullivan county, Jennings or Farrell?

The Democratic Mass meeting held in Dushore on Saturday last, was attended by, so we are told, about 150 people. Of this number there was quite a sprinkling of Republicans in the hall. Hon. C. R. Buckalow and Fred Iker Esq., addressed the meeting. The day was pleasant and the meeting was well advertised, hence the attendance was not encouraging to our democratic friends.

Obituary.

Darby Kennedy of Laporte, died at his son's residence Wm. A. Kennedy, on Saturday night Oct. 20, 1894, of a complication of diseases. Deceased had recently suffered a stroke of paralysis from which time he continued in failing health.

Deceased was about 80 years of age and was some years ago a well to do tanner. He was a leather tanner by trade, and at one time owned a half interest in a large upper leather tannery in New York state. During the leather panic of the early 70's, he failed in his business, after which he sought employment as "boss tanner." He with his family moved to Thornedale and served as foreman in this tannery for a number of years. This enterprise was then owned by James McFarlane & Co. who has none but kind words for old Mr. Kennedy. On the closing down of the Thornedale tannery, Mr. Kennedy came to Laporte and held the position of foreman in the Laporte tannery for a number of years, in fact until his old age would not permit him to continue longer in the business. At this stage of his life he purchased the building known as the Kennedy Hotel, Laporte, and for four years continued in this business. Last September term of court he leased this stand and made his home with his son William, of the second ward, and who holds the position recently held by his father, that of foreman of the Laporte tannery.

Deceased was a kind old gentleman, always had a good word for everybody. "My Boy," was a favorite expression of his, and the inquiring of your welfare followed.

Deceased was a kind husband and father, a good neighbor and citizen. He leaves a wife and nine children to mourn his loss. They are as follows, viz:

Edward Kennedy, of Alexandria, Va.; Mrs. Dr. Foster, of Paradise, Kan.; William A. Kennedy, of Laporte; Mrs. Geo. Nortz, Belfort, N. Y.; Jere Kennedy, of Titusville, Pa.; Jno. P. Kennedy, of Jamison City; Mrs. Jno. E. Gallagher, of Laporte; Thos. E. Kennedy, of Jamison City and Miss Anna Kennedy, of Laporte.

The funeral services were held at the residence of Mr. Wm. Kennedy on Tuesday at 9 a. m. Rev. Father Enright officiating. Interment in the Laporte Catholic cemetery.

A New Way of Contracting.

The commissioners of Athens township will let to the highest and best bidder, on Thursday at one o'clock p. m., a contract to repair about half a mile of road near Richard Reagan's.—Athens News.

Why shouldn't our people vote for Ed. Dunham, for President Judge? He is an old citizen of the county, competent and justly deserves our support. It is Sullivan's turn to have the Judgeship and all of our people regardless of politics should turn in and give him their support.

The Williamsport and North Branch Railroad officials, have given E. A. Tripp of Laporte, the contract of erecting a very neat little dwelling at Satterfield. Mr. Tripp commenced the excavation for the cellar, on Tuesday. This building will be occupied by railroad employees.

We are told that the Dushore Review, last week, advertised the Buckalow speech to take place in Dushore on Sunday the 21st. A number of our boys say, guess that date must have been correct, as there was, apparently no doings at the metropolis on Saturday the 20th.

The Republicans of Williamsport will hold a grand rally at the Lycoming Opera House this Saturday evening, which will be the event of the campaign in that city. To which our Sullivan county people are cordially invited to take part. A special invitation is extended our Democratic friends. Congressman John Dalzell and the Hon. Charles Emory Smith, editor of the Phila. Press will be the orators of the evening.

John W. Dent of Bound Brook, N. J. and brother Frank R. Dent of Catawissa, Pa., were visiting friends in Davidson twp. the early part of this week. The boys are sons of Thomas Dent of Steelton, who formerly resided in Sonestown. On Tuesday they drove up to the old Davidson cemetery and looked upon their mother's grave. It was John's first visit to the old cemetery in thirty years.

The people of Troy dedicated their new court house on Monday evening. They gave a banquet to which the members of the Bradford county bar, were invited and took part, the old board of county commissioners were there, also the architects and builders—Messrs. William and Charley Lawrence, of Dushore. Charley returned to Laporte on Tuesday and reports a good time.

The railroad officials have made some very noticeable improvements about the Laporte depot, in the way of "slicking up" and grading the yard and road bed in the rear of the building. This was a suggestion of the REPUBLICAN and the officials of the railroad very kindly acted upon it. Now without depot enlarged for the use of freight, our people will be well provided for at the Laporte station.

The farmers of our county must know, from past experience, that if they elect Mr. Buckalow our Congressman, the price of wool will go down, instead of up. Elect Mr. Kulp and the price of wool will advance. Will you help the individual office seeker or your own dear self? A crazy man will cut his own throat, but we don't got those kind of people in this community.

The school directors of Laporte township have just completed a fine new school house at Nordmont. It is ample in size and pleasantly situated. Eight sq. feet of natural slate black-board has been provided. A. E. Botsford of Laporte twp. was the contractor and builder. The building reflects credit upon the school board and contractor alike.

When our Democratic friends are unable to enthuse a crowd in Dushore and Cherry—there is something wrong in Democracy. We guess it that free wool policy brought about by the last democratic Congress. The farmers in Cherry as well as in other parts of the county, will not vote with a party who seeks to destroy their business. Wool is selling for 12 and 17 cents per pound. Last year at this time it brought 28 and 32 cents.

LIBERMAN.

The Regular Visiting Optician, of Pen Yan, N. Y.

Will be at Hotel Carroll, Dushore, on November 14th to 17th inclusive. Hills-grove House, Hills-grove, Pa., on Nov. 30 and 31st. For the purpose of testing all defective vision of young and old, and fitting proper glasses. To all who may have peculiar or difficult eyes to fit with glasses, by giving me a call can receive the best satisfaction, without any cost for consultation.

The eye is a very delicately constructed organ, and is easily injured beyond repair. Thousands are injuring their eyes every year by the use of imperfect and improperly fitted spectacles, and I find but very few when using spectacles who are using the proper correction for their eyes. Glasses that are not properly fitted are apt to do irreparable damage. All persons who wear glasses should have their eyes examined at least once a year. I correct all errors of refraction, and fit glasses where glasses will correct.

It will pay you to deal with me, as I call on all patrons regularly, and any glasses bought of me may be changed at any time free of charge, if in good condition. Remember, your eyes are your best friends. J. L. LIBERMAN, Reg. Visiting Optician, Pen Yan, N. Y.

The state convention of the W. C. T. A. organization is in session at Huntington this week. Mrs. M. C. Lauer of Laporte, is delegate from this county and is in attendance at the meeting.
