

THE REPUBLICAN.

FRIDAY, NOVEMBER 2, 1894.

The N. Y. Weekly Tribune and Sullivan Republican for \$1.25 One Year \$1.25.

Election next Tuesday. Sunday was a perfect day.

Vote for C. E. Geyer for Senator. None but kind words are spoken of Mr. Jennings.

Vote for Hon. E. M. Dunham for President Judge. Mrs. R. M. Stormont of Laporte, is visiting friends in Philadelphia.

Candidates—Jennings, Farrell and Mullen, were in Laporte, Saturday. The ringsters are getting weak in the knees. They have about given up the fight.

What delightful weather the candidates have had, the past weeks, for doing missionary work.

Messrs. B. F. Crossley and Victor Hugo, both of Dushore, were calling on Laporte friends, Sunday.

Vote for Monroe H. Kulp for Congress. Judge Sittser, while a good man and Judge, has received a pull of nearly, if not quite, fifty thousand dollars from this district. Wouldn't that amount satisfy you? Why not give another of our citizens a chance? It isn't characteristic of our people to be miserly for themselves and we are quite sure they will not do it for others.

Vote for B. W. Jennings for Assembly. Mr. Buckalew's free wool speech in Bloomsburg, will not assist him to get the farmer vote in Sullivan county.

Vote for Z. T. Kilmer for Jury Commissioner. The W. C. T. A., will meet at the residence of Mrs. Wm. A. Mason, on Thursday the 1st of November, at 3 o'clock p. m.

There is no good reason why the Sullivan county voter should not cast his ballot for Ed. Dunham and we believe he will.

We publish the Election Proclamation on a supplement sheet this week. Study the ballot and make no mistake at the polls.

Mrs. J. H. Spencer and daughter, Miss Mabel, and Mrs. E. A. Tripp and daughter, Miss Ella, were shopping in Williamsport, Tuesday.

R. L. Marks, the Dushore clothier, has a new ad. in the REPUBLICAN this week. Marks is doing a big trade, and solicits a call from you.

Ed Dunham is competent to fill the office of President Judge. Judge Sittser quotes him very highly as an attorney. Why shouldn't he receive your vote and mine?

C. S. Horton Esq., general superintendent of the Union Tanning Co. accompanied by his little son, Gifford of Williamsport, spent Thursday afternoon and evening with Mr. and Mrs. J. W. Flynn of this place.

Worth Jennings pays out eight thousand dollars, monthly, to employees. Shouldn't we give this a thought before casting our ballot? We may ask him for a favor one of these days. Why not do him a favor now?

Hon. Russel Karns has his new Lake Mokoma dwelling about completed. The painter, John Lemons is doing the finishing touch. It is a very neat little home. We understand that Rus. contemplates leasing it to station agent, Ritter.

B. W. Jennings the people's candidate for Member is a friend of the working people and they should remember him at the polls as they would have Mr. Jennings remember them in time of need. Worth is a worthy young man and merits your support.

We should like to hear from our several correspondents next week. Address your letters early in the week, so that we may have it in type before the rush of political news arrives. Our table of the votes will require much of our time the last of the week.

Notice. The REPUBLICAN will not make any display of roosters and the like, should our county ticket be successful on the 6th of November. We will thank the Democrats and Prohibitions for their good judgment and kind assistance.

Vote for B. W. Jennings for Assembly. People who sell their votes are considered nobody and especially by those who purchase them. After the election is over boasts will be made that that fellow was a ten dollar man. He was an expensive rooster, but we got him just the same.

How does that sound, voter? Will you allow yourself to be classed with this sort of citizens? Shame on the man that will sell his vote. Vote for the candidate you consider the best qualified for the office and you will have no reason to regret it in the future.

Divine services in the Methodist Episcopal church on Sunday Nov. 4, in the morning at 11 o'clock and in the evening at 7:45. All are welcome. E. S. LATSHAW, Pastor.

Vote for Monroe H. Kulp for Congress. Mr. Dunham, our candidate for President Judge, was reared in Sullivan county and every one of us know him to be an honest and upright man. Why shouldn't he receive our support on election day?

The bootlers are being watched. Mr. Dunham has sincere friends in both parties who have their eyes opened and they will not accept of the excuse that it is going in for the other fellow, either. We feel pretty certain that arrests will follow this election.

"Farmer" Kulp, candidate for congress, is a self made man, having begun at the foot of the ladder and ascended to the top by his own exertions. He is a man who represents the interests of labor and by assisting labor you build up the great interests of this country. A vote for Kulp is in the right direction.

Vote for Hon. E. M. Dunham for President Judge. Judge Sittser, while a good man and Judge, has received a pull of nearly, if not quite, fifty thousand dollars from this district. Hollow'en night passed off unobserved by the "boys." Morning dawned with everything in its respective place. Thanks.

We shall not go to press next week until we have received the election returns from both our Congressional District as well as our Judiciary District, hence, when you have received the REPUBLICAN it will give you all the political news. This we believe will be satisfactory to all of our readers. We shall arrange to get the news as quickly as possible and hope to be able to go to press by Friday afternoon.

This has been a campaign free of mud slinging, and we are glad to announce it. While the REPUBLICAN has announced the names of our candidates quite frequently, we have slung no mud at the other fellow. We have received several letters from parties in the county, tinctured with personal abuse of one or more of our opponent candidates, but we positively refused to give them space in our columns. So you see, Cheney isn't as bad as he might be. Don't abuse us right and left, politically but give us credit where credit is due us.

Williamsport and North Branch Combination Car Burns on Wednesday evening. A jug of asphalt paint supposed to have contained glycerine bursted in the combination car, No. 4, of the W. & N. B. R. R. on train No. 5 last evening and while baggage master Edkin was cleaning it up, it struck fire and burned the car and all of its contents to ashes. There were several valuable packages in the express department and three of them were addressed to Laporte. The mail pouches were also consumed. The wearing apparel of all the train men amounting to \$100, or more was burned. Baggage Master, Edkin barely escaped with his life. The fire was rapid in its work and when the side door of the car was opened it was impossible to enter. The accident happened along the road between Muncy Valley and Sonestown at about 6:30 p. m. Loss can not be estimated at this date. More particulars next week.

William Tunstall, of Bernice, the People's candidate for Member, addressed the people of Laporte, on Saturday evening. The house was well filled with interested spectators and Mr. Tunstall gave them a rousing speech. John E. Gallagher was made chairman of the meeting and introduced the speaker in a becoming manner. The friends of John are at a loss to know on which side of the fence he will jump, this election. They think, however, that the People's party will have an increase of one vote at the county seat this fall.

W. D. Stuart's Big Claim. WILKES BARRE, Oct. 22.—William D. Stuart, a lineal descendant of William Penn, arrived in town this afternoon from Philadelphia, and with Mrs. Stuart is stopping at the Wyoming Valley Hotel. Mr. Stuart's mission here is to look up various titles to the estate of his great ancestor, William Penn.

The great Quaker sold some of the land during his life, but bequeathed the remainder of the grant (almost the entire State) to his eldest son, the estate to divert in a direct line from the eldest succeeding son of each generation, and if the line of sons became broken, the estate was to revert back to the eldest son of the eldest daughter of William Penn, and down that line of eldest sons as before.

The line of sons was broken recently, as the old Quaker had feared and Mr. Stuart being the direct descendant of the line of heirs, all the land of the grant of Penn still owned by the estate reverts to him. The land in this vicinity is a remnant of the Penn estate in Sunbury Manor, a tract of land in Plymouth township; a tract of land of 1000 acres along Harvey Creek, in Jackson township and a large tract of wild woodland in Salem township, back of Shick-shony.

Mr. Stuart came to this country recently from England, where he resided at Tempsford Hall, Bedfordshire.

The editor is the recipient of his share of abuse when it comes about election time. It don't seem to matter whether he is warm for the ticket, or luke warm, abuse follows. There is brother Strobey, he is considered luke warm. He is knocked about by his party and abused to beat the ears. There is Cheney, he is hot for the ticket, and abuse is showered upon him like flakes of snow in the air on a January day. It don't seem to matter which road you choose. The editor is abused. That is one certainty of a campaign. When he comes up for office, he is knocked down by this same lot of croakers, and condemned right and left while the croakers are more or less fed on public "pap," assisted by these same editors. Now, as far as this editor is concerned, if we live, we propose finding a way out of this abuse circle next fall. To this end we think Strobey's line of march is preferable to the course pursued by the REPUBLICAN. Mention the names of the candidates about four times during the campaign and fill up the remainder of the paper with a statistical account of the chestnut crop in California. There are but few thanks and but little pay extended the editor after the campaign is over. Friends who a few months ago met him with the best of good feelings are now luke warm and things about the neighborhood have changed. I tell you it don't pay for what there is in it.

A Word in Conclusion to the Voters of Sullivan County.

There is no doubt that Farmer Kulp our candidate for Congress can be elected in this district if his friends will come out to election. To Democratic farmers let us say, that if they are opposed to free wool and free lumber, the two great industries of Sullivan county, now is the time to record their dissatisfaction. If Kulp is elected we can not promise a tariff which will have some care for the interest of farmers at once, but we can promise it shall be no worse, and that as soon as we have a Republican President there will be a tariff passed which will protect farmers as well as Southern Sugar men. No matter what Democratic newspapers may say the Democratic party stands for protection to great trusts and ruin for farmers and laborers. It was not always so, for Andrew Jackson was a stout protectionist, but as it is now a vote for Buckalew is a vote to help on the Sugar Trust and to ruin honest farmers, while a vote for Farmer Kulp is a vote in favor of American farmers and laborers and also for American sheep. Vote for Kulp and ask your neighbors to do so. Let us give "The Farmer" five hundred majority in Sullivan county and let people know that Sullivan county Democrats are opposed to 20c a pound for wool, and 50c a bushel for wheat which these good old Democratic times have given us. A vote for Buckalew is a vote for the wool farmers of Australia, a vote for Kulp is a vote for the wool farmers of the United States.

On Tuesday next the voters of this district must elect a Judge for ten years. Judge Sittser has been Judge for ten years, during which time he has drawn from the Treasury at least \$50,000. A big sum of money and enough to keep him, even if he were not a wealthy man. We do not say anything against him as a man or a Judge, but ten years is long enough for a good substantial pull at the public crib. We have just as good a man, just as good a lawyer, who will make as good or better Judge than Judge Sittser. This man, Ed. Dunham is known to every one in this county where he has spent all his life. He is perfectly honest of the highest personal character, a splendid lawyer and he would make a splendid Judge. Why not vote for him? To be sure he is not rich, to be sure he has had a hard row to hoe and fortune never smiled on him, but he is a good true honorable man, one whom we all know and love. When we want a man to administer the law for rich and poor, weak and strong, corporation and individual, we first want to know that the man is thoroughly honest and that he will not be afraid to decide questions fairly, then we want to know that he is able, that he has legal learning and is a man of intelligence. Do you know of any one in this district who is more honest than Edward M. Dunham, or a better lawyer, or a fairer man, or a more true hearted kind gentleman? To be sure he is not rich, but make him Judge and in ten years he will be better off. Democrats, Republicans, Populist and Prohibitionists if you elect Dunham for Judge he will administer the law fairly for you all without fear or favor. Vote for him.

We believe that B. W. Jennings will be the next Member for this county. He has made many new friends and has a host of old ones. Worth Jennings is about the style of man we should send to the Legislature. He is a man of excellent education and gentlemanly training and he has an honest, breezy, straight forward way of talking which makes you know that you have met a thoroughly true man. You can depend upon what he says, his word is like his bond and he is always true to his idea of what is right. No "sawdower" about Worth.

Again, voters must feel that he is a safe man to trust to make laws for working people. He has been a day laborer himself and in later years he has employed a great many men. He knows their needs and what they don't need. It has been many years since he came to this county, but who has heard any laboring man complain of Jennings Bros. That speaks a volume. A man who has dealt in bark, logs and lumber for ten years, employing 100 to 300 men and has never been accused of wronging labor, must be a correct sort of man and a safe one to trust at Harrisburg. Jennings has a clean honorable record, give him your vote.

Notice. The REPUBLICAN will not make any display of roosters and the like should our county ticket be successful on the 6th of November. We will thank the Democrats and Prohibitions for their good judgment and kind assistance.

No wonder the women are taking an interest in politics. They want to see those people turned out of office who have turned their husbands out of their jobs. The women know that protection means food and clothing, while free trade means hunger and nakedness. The women will see to it that their husbands vote for protection on Tuesday.
