TEACHERS' INSTITUTE.

AN INTERESTING AND IN STRUCTIVE MEETING. CONTINUED FROM LAST WEEK.

(Reported by Ocr L. Davis Sec'y of Inst.) WEDNESDAY AFTERNOON

Institute opened by singing, Institute opened by singing. At parting to address you, "Merry Farmer Boy" and "Yankee He drops all foreign lingo Doedle." Prof. Cogswell then gave a short talk on music. Teachers Singing. need not be afraid of this branch. Anyone who can teach at all can tors during the next period. Salateach music. Music will help to control the school. It also helps in rectors have to deal. Good teachtreating other branches especially ers are not paid enough; poor teachreading.

Roll call; singing, "Gently Rest."

this year, also saying that he never Pennsylvania is lavishing the use of attended institute where they had a finer place to meet. He then gave an address on school management. All the knowledge that we have in our own mind cannot be transmitted to other minds; teachers can only help pupils by inspiring them to study for themselves. Older pupils have a helpful influence on younger ones, if a teacher has them on his side. We should endeavor to make attended institute where they had a money for public schools; it should side. We should endeavor to make in the school. We do not need exmen and women of all our pupils for pensive apparatus in the public that is the best thing we can do for school but there are some things we them. Teachers should endeavor to must have, however, such as good impress children favorably; they blackboards, globes etc. We need should have the school room arrang- longer school term. Other states ed properly because such things have longer school term than the a right tendency; take a few minutes grand old Keystone State. Let us to rest every little while, and go get into harmony with the spirit of among your pupils; do not attempt government in New York as relative to teach to much; break the monot- to school work. ony by variety; invite parents to visit you, and have something special for the parents. Adjournment.

THURSDAY MORNING. Singing, "Stand Up For Jesus' and "Now from Voices."

Dr. Albro-Geography. We must have sympathy existing between ourselves and pupils or we cannot teach effectively; neither can a child guiding self effort. The most skillbe taught who is afraid of us. Dr. Albro, by a series of questions brought out some valuable facts con-He showed how latitude and longitude are reckoned; the sun is the pupil work; to educate without lookonly thing that reckons correct time; man to see. Stimulate interest in long before they knew of the rotation of the earth. Singing, "Ever Be Happy and Gay."

Prof. Green--Literature. Get pupils to read authors themselves.

Have a separate class is literature if Have a separate class in literature if Have a separate class in literature if you can; if you cannot do this, teach it is insideathy with at her based on the cases to be a leader. Aim to secure it incidently with other branches.
Use your own books, if you have attend school, there are plenty of any; get the school board to buy books that can be had without much them for you. Use selections from the effort. reading books. He says, "there is no end to a good book therefore the word 'end' should not be found on the last page of a book." Use variety and do not read one kind of literature only. Novels should be studied lert. A committee on permanent for a while and then something of a certificates was then voted for; the sounder notion. Prose and poetry "Whistling Song."

Dr. Albro-Geography. He says, kind of instruction is of no account. and adopted. He illustrated what he meant by this, by using the globe and teaching the while at this just to make things

AFTERNOON SESSION.

front seats by the teachers.

addressed the teachers for the last Y. system; that is, a fixed amount, time, during this institute. He (\$100.) to each school, and the reoffered to help teachers to select maining surplus be divided accordbooks or help in any way he could to start the study of literature. He ing to the attendance. Fourth, that in the adoption of text books and says, the olject of an institute is to give information, inspiration, aspiration, and preparation. If a teacher does not get these he had better choose some other calling. The public school boards of funds for greatest grammar lesson is to learn public school libraries be repealed. how to live out this existence of Institute adjourns at 11 o'clock. ours; there is nothing new in this

THE REPUBLICAN. | seed. Teach a child to have respect | Have you read for himself. We try to crush out the personality of children of ten. Teachers should be kind to children so as to enable them to see the bright side of things. We have something to do with filling jails, reformatories and houses of refuge. The teacher is a good book for children to follow; the teacher, therefore, should make himself worthy. In closing his address the Prof. used the quotation: But when a crony takes your hand,

> And says, Good by, God bless you. Dr. Albro addressed the Direc

ries is the first thing with which Diers are paid too much. Get the very Boll call; singing, "Gently Rest."

Prof. Green—Literature. Quite a number of authors were discussed by Prof. Green. There is hardly an author who has not some good things for us to learn. He gave tue teachers a list of books that they should read. Singing, "Lets be Happy."

Dr. Albro of Mansfield was then introduced. Dr. Albro says, he likes to come to Sullivan county because he knows of no unpleasant-ness existing between himself and the teachers. He contrasted the dark gloomy hall of last year with the pleasant and handsome hall of this year, also saying that he never profession and provided in the property of the pleasant and handsome hall of this year, also saying that he never profession and provided in the provided in the provided in the provided pro best teacher for the money however,

FRIDAY MORNING.

At 9 o'clock institute opened by Samuel Cole, singing, "All Hail the Power of Jesus Name." Roll call.

Dr. Albro-Work. We cannot transfer knowledge that we have in our mind to any other, the art of teaching is the art of stimulating and ful teacher is one who dose not try to communicate knowledge; the work must be done by the pupil. patronage. on how much you can make the ing is the same as teaching a blind the good things around you. Without good order a teacher can not do good work; a school should be restful not tiresome. So arrange your program as to keep every one busy.

Manufacturers of Flour, Feed. Meal and Lumber. This Firm has one of the largest Grist Mills in the county and they make a specify of manufacturing good flour and feed. Give them your order. Prices way down to suit the times.

Oct.,94

Report of last year's auditing comresult showed the following were should have equal rights. Singing, didates: Julia Cronin, Emma Hoffman, F. H. McGuire, J. H. Thayer, we teach too many things of which Orr L. Davis. The report of comthe child has no conception of; this mittee on resolutions was then read

WHEREAS, we, the teachers of Sullivan county have spent another difference between a plain and level pleasant and profitable week in atsurface. Dr. says, it is his mission tendance at the county institute; while at this just to make thing.

Resolved : first, that we congratulate Supt. Meylert on the success of Singing, "Deeds of Kindness." the institute. Second, that we tender This being Directors' day, Supt.

Meylert announced the purpose and office the instructors who have labored so faithfully and object of having them here. All the effectively. Third, that the legisla-Directors who were here, were given front seats by the teachers. Prof, Green then took the floor and tion in a manner similar to the N.
