The total eclipse of the moon occurred on Sunday night and a large number of our people gave it their attention. It was a beautiful sight. The total occurred at about 10 o'clock when the bright rim of the moon disappeared and the night grew dark. It was visible all over the United States and was eagerly awaited by astronomers.

There was considerable fault finding by witnesses brought to Laporte last week, to testify in the contest case, because the money due them was not forthcoming. A number of them were penniless and insisted upon the amount due them. They were really mad all over. "Mike" of Lopez, was anxious to settle with Scouten one way or another.

It is believed by our people that after Judge Sittser has read the testimony of the voters in the contest case, he will withdraw the case from a further hearing, regardless of the doings of the judicial apportionment committee. In doing this Judge Sittser would receive the congratulations of his many old time friends.

The little folks of town gathered at the home of Master Harry Landon on Saturday evening last, in response to invitations extended by Mrs. Landon. The occasion was the 11th birthday of Master Harry. Upwards of fifty of his little associates were present and enjoyed a very pleasant evening. He was the recipient of many valuable and useful presents.

A large number of old residents of the county were brought to Laporte last week to testify whether or not they had paid a county or state tax within two years preceding the '94 election. Fire was discovered in the large tannery, at Jamison City, this county, on Sunday night, and before it could be controlled, had entirely destroyed the bark mill and leach house and damaged the main building to some extent. As the town has no water supply the fire was fought by a bucket brigade who worked hard and saved the large building. The loss is estimated at \$25,000.

To Abolish Spring Elections. Mr. Nickell of Philadelphia, offered an amendment, in the House, to the Constitution abolishing spring elections. It provides that on the Tuesday following the first Monday of November in even numbered years an election shall be held for members of the Legislature, Representatives to Congress, Judges of Court of Record and all officers to be voted for by the qualified voters of the State at large. On the Tuesday following the first Monday of Nov. in odd numbered years an election shall be held for county, borough or Township officers.

Chas. Bird, an old resident of Forks twp., while on his way to the county seat Friday, to testify in the contest case, saw a large deer in the road between this place and Ringdale. The animal seemed very tame and turned out of the road while Mr. Bird drove by and immediately returned to the public road and continued its journey in the direction of Ringdale and was seen by other parties on their way to the county seat. Mr. Bird was very close to the deer and observed that a piece of the right ear had been cut off either by dogs or bullets, and was healed over.

Constable Middendorf of Dushore arrested Bert Jones for forgery in Towanda on Monday last week. Jones forged a note against Frank Amps of Dushore, the amount of which was \$17. He negotiated the paper with Meeker for a watch valued at \$11 and the balance \$6 he received in cash. Jones was given a hearing before John Lawrence, J. P. of Dushore, and was bound over in the sum of \$1,000 to await a hearing of the grand jury. He failed to furnish the required bail and now resides in the county jail. Jones is formerly of Deposit and is 22 years of age and stands nearly 6 feet tall.

Normal Notes, from the Mansfield State Normal School. Mr. Frank Bodler, formerly of this school, has been appointed "Monitor" for the Freshman class at Lafayette college. This means that he had the highest grade of scholarship. We learn also from trustworthy authority that all the Mansfield boys at that college, 8 in number, have marks above the average. Mr. Bodler's closest competitor was another student from this school.

The five students that received the highest average grades for the first half of the winter term are Elizabeth J. Davis, Arthur Mann, Eugenia Burritt, Mrs. Edith Shaw Jones and Julia Goodspeed. The highest mark reached was 99 per cent. The lowest of the five above named was 98 per cent.

A Ripple in the Contest Case. A ripple was caused in the judicial contest case on Friday last. Atty. C. A. Little, of Tunkhannock representing the contestants, entered the court room at about 3 p. m. on this date and requested the court to grant a recess of the case for a few minutes. His request was complied with and Mr. Little beckoned and called all of the attorneys for both the contestants and respondents into the Traverse jury room, where a consultation was held. On returning to the court room Atty. DeWitt requested the court to adjourn the proceedings until some time in the distant future, he thought about the first of June would be a first rate date to convene to as at that time trout fishing would be in order and the country in this vicinity beautiful. Mr. DeWitt also said that there might something take place between now and the convening date that would remove the case from the calendar. The audience which was quite large, was at a loss to know what had taken place to cause this turn of the tide and during Mr. DeWitt's remarks a pin could have been heard to drop on the floor. The court granted the motion and on Friday noon adjourned court until Tuesday May 21st, 1895.

The cause assigned for this delay was that the judicial apportionment committee at Harrisburg proposed to attach Sullivan county to either Bradford, Columbia or Lycoming, and Wyoming county to Susquehanna; were this to take place, the 44th judicial district would be no more, and Judge Searle would preside over the Susquehanna and Wyoming district, but Judge Dunham owing to the population of our district comprised of either Sullivan and Bradford or Sullivan and Lycoming or Sullivan and Columbia; would serve as an additional law judge with salary the same—four thousand dollars annually.

Judging from this, the case is left entirely in the hands of the judicial apportionment committee.

Order of the Court. STATE OF PENNSYLVANIA, COUNTY OF SULLIVAN, vs. IN RE: Contested Election of E. M. Dunham, No. 83 Dec. term 1894.

Now March 8, '95, it is ordered that the bills of costs of witnesses thus far called duly verified, be filed and taxed as payment of the costs of the case, the same to be paid to the witness named therein in the first instance by the County of Sullivan, with right of reimbursement for the same from the party or parties or district finally adjudged to pay the costs.

CHARLES E. RICE, R. W. ARCHBOLD, D. W. SEARLE, Judges.

Up to date the costs made in the judicial contest case, have not been filed with the Prothonotary by the contestants, notwithstanding the fact that the court ordered Mr. Scouten to file the same on Thursday last. We are informed by good reliable authority, however, that the costs thus far made will foot up eight hundred dollars. The cause of a raise of our taxes, is apparent.
