

The N. Y. Weekly Tribune and Sullivan Republican for \$1.25 One Year \$1.25.

May, 1895.

The REPUBLICAN is the best, subscribe.

That was a genuine April shower Today.

Our fishermen are not meeting with extra good success.

Just at this season of the year farmers are busy and news is scarce.

Fourth of July is coming this way. The majority of our people will visit Williamsport on this date.

By grading his yard, Chas. Landon has improved the appearance of his new home very much.

Straw hats have made their appearance in cities. The country boy will follow suit in due time.

Mr. Jos. Pennington and daughter Alice of Nordmont, were among the church going people in town, Sunday.

The Republican Standing Committee will meet in Laporte on Saturday next. A full representation is requested.

Editor Streby and wife of Dushore made the county seat a call on Thursday last. They registered at the Mountain House.

The high grade of our school closed on Monday, Prof. Orr L. Davis, teacher. The primary department will close on Monday next.

Lewis Mahaffey of Laporte has purchased a new bicycle. Lew is an old stager and can make the "infernal machine" fairly hum.

The Ladies Aid Society of Laporte will meet at the residence of Mrs. J. V. Finkle, May 4th, 1895.

Mrs. J. H. SPENCER, Secy.

Mr. John Parsel of Laporte, was among those of our people who observed Arbor day and transplanted several handsome maple trees in the vicinity of his home, on Thorne St.

The sermon delivered by the Rev. Mr. Wirt of Hughesville to railroad employees on Sunday last, is very highly complimented by the employees at this end of the line.

The time for the reign of the bicycle has come, and for pedestrians to construct a new walk or take to the road as a resort for safe travel. The bicycle is supreme in Laporte.

Arbitrators were drawn in a case of ejectment on Tuesday, wherein J. W. Carroll is the plaintiff and Mrs. Miner the defendant. The arbitrators chosen were: D. E. Deffenbach, Martin Goughan, and Frank Meyer. The case will be heard in Dushore on May 15th.

The contest court will convene on Tuesday the 21st day of May. It is hoped and predicted that this will be the last of the contest case. From the evidence already given in the case the contestants ought to be pretty well satisfied that there is nothing in it for them.

F. W. Gallagher of Laporte caught the finest mess of trout of the season on Monday last. Seventeen of his string measured over twelve inches in length. He caught them in Loyal Sock and says he can beat any man in the county catching trout for money, chalk or marbles.

The net of circumstantial evidence is being woven closer around Durant who is accused of the murder of Miss Williams and Blanche Dehmont in the Emanuel Baptist church in San Francisco. He was seen waiting at the ferry for Miss Williams on the fatal afternoon and later was seen in her company. Witnesses also testify to have seen the two enter the church the evening the deed was committed.

T. J. Keeler, general merchant of Laporte, accompanied by his little daughter Miss Winnie, will leave for Philadelphia on Monday, where Mr. Keeler will invest in an assortment of new spring goods.

During a thunder shower on Friday last the barn of Chas. Hugo in Elkland twp., was struck by lightning and burned to the ground. Four fresh milch cows and several calves perished in the flames, besides a quantity of grain, hay, harnesses etc. The loss is estimated at about \$2,500. Small insurance in home company.

Constable Schanbacher of Forks, arrested a party of fishermen of Williamsport for angling on Sunday, one day last week. The fishing was done on Sunday, April 21st in Loyal Sock creek near Forksville, and the party were caught in the act by Mr. Schanbacher who took a stroll up the creek on said date. The party arrested gave bail in the sum of \$200, and will appear as interested spectators at our May term of court.

With the warm weather all the street games in which children delight have started and in many quarters of our town the youngsters may be seen, especially on a Saturday, running and screaming and jumping, while they play "hop scotch," "tag," and similar games. "Marble time" is already quite over and "hoop time" is at hand and tops will also soon be spinning. These things have their regular dates and seasons and seem to break out simultaneously all over the country.

The largest and finest line of neckwear ever exhibited in Hughesville. Jacob Per.

A bill has passed at least one branch of the Pennsylvania Legislature which allows twenty-five cents rebate on the road tax of any farmer who uses on the public highway a four-inch tire on his wagon carrying over a certain load. This is one of the steps taken toward good roads. There is no question that the use of tires of this kind would be a great benefit to the roads, the result of steady travel being to smooth down rather than out the roads into ruts. If this bill should become a law it would be a step in the right direction.

The Ladies Aid Society of Laporte, will give an entertainment in the New School House hall, May 10, 1895, when the following program will be rendered:

The woods are full of Democratic candidates for county offices, this fall. Among the list are: For Prothonotary, Register and Recorder—Frank Lusch, of Dushore; E. E. Mecum, Hills Grove; Morgan Gavitt, Laporte; and Edward Franke, Forks twp. For Sheriff—F. M. Crossley, Laporte; Ellis Swank, Muncy Valley, George Walker, Hills Grove and "Doc" McCarty, Eldredville. We have heard several Democrats express their opinion as to the strongest ticket. Some say that Lusch and McCarty are strictly in it, while others say that Gavitt and Walker will make a hard fight. Franke and Crossley are favorably mentioned by friends and so are Mecum and Swank. The Democratic convention will convene in Laporte on Tuesday August 6th, when the story will be told.

Three successive grand juries in Bradford county have reported that a new court house is a necessity. It is presumed that the county commissioners will act at once on the matter.

The wages of the working men of the Laporte tannery, were reduced 15 per cent, on Wednesday May 1st. The REPUBLICAN predicted this some time ago and of course it was official. The workmen in the employ of the Muncy Valley, Jamison City and Hills Grove tanneries met with the same fate. This will reduce the men's wages to about \$1.10 a day. This circumstance has caused the men to lock with suspicion upon the future and will cause a depression in business in Laporte this summer.

Men's suits from \$3 to \$19 at Jacob Per's, Hughesville, Pa.

The Standard Oil Company made between fifty and seventy-five millions out of the late upward spurt in the price of oil. This neat little sum, all from the consumers, will be quite sufficient to overcome any difficulty that might have been occasioned to the company by the payment of their income tax. The consumer in every instance will pay the monopolies' income tax charges. The REPUBLICAN announced this fact in a recent issue and as a matter of course it was official.

Large line of children's suits from \$1 to \$7 at Jacob Per's, Hughesville, Pa.

Judge Dunham has purchased a new bicycle and the talent of the small boy—of how to remain on it, is sought. The Judge, when he has learned, will make a graceful rider and the wind will "whistle" through his whiskers. Ed rides a Crawford wheel which is said to be a good one. Wouldn't Prof. Meyer appear charming astride of a "bik"? And there is Atty. F. H. Ingham, he would look a little old farmer like, but say, he would make the thing dizzy in a short time. Why don't you invest, boys.

LATER—Atty. Ingham purchased one on Monday noon, and during the afternoon of same date he got aboard. Well, it was fun for the boys, but death to Frank and the wheel. He made his debut along the Cold Spring road, and on several occasions he found himself going at the rate of a mile a minute, over rocks, stumps and logs, through the forest in the direction of Lake Mookoma, and when the shades of night had fallen, Frank was bleeding from head to foot and the wheel was sent to the blacksmith shop for repairs.

Miss Lottie Degan, daughter of Mr. and Mrs. Joseph Degan of Limestone, N. Y., formerly of Laporte, died of consumption, aged about 22 years, at Colorado Springs, where she went in search of health in August last. Miss Lottie died on the 16th day of April; mother, and sister and brother—Trina and George, were by her bed side at the end. Interment in Limestone cemetery on Saturday, April 20th.

Deceased was a model young lady and her death is mourned by her many school mates and friends in this vicinity. The REPUBLICAN and hosts of Sullivan county friend, extend to the bereaved father and mother, and brothers and sisters, their heart felt sympathy.

Boys' full suits from \$3 to \$16 at Jacob Per's, Hughesville, Pa.

Parties experienced in the lay of the land where oil is found, of Bradford City, made Laporte a visit some years ago and made a canvass of our territory to this end. In numerous sections they noticed many favorable indications of oil and were almost positive that there was a belt of petroleum along the plank-road, between this place and Thorndale. Parties engaged in the oil business are requested to make Laporte a visit. There are millions in it.

"Shut the Door" signs are disappearing. Men's suits from \$3 to \$19 at Jacob Per's, Hughesville, Pa.

After the Baldwins.

Mr. and Mrs. S. Baldwin, who mystified Wilkes Barre, Scranton, and Binghamton audiences some weeks ago, may be made to tell how they read minds. They appeared in Syracuse last week, and Mrs. Baldwin made a bad break. Somebody asked the question: "Who committed the burglary at Chas. F. Ayling's house?" She said it was Frank John Bennett. Now it happens that John Fitzgerald is held in the penitentiary in default of \$5,000 bail, for the action of the grand jury, upon that very charge. He has lawyers who will make a big fight to keep him from going to prison, and they have subpoenaed Mrs. Baldwin to appear before the Court of Sessions in June. Mrs. Baldwin will be made to tell something or admit that her mind reading is a "fake."

PROGRAM FOR MEMORIAL DAY.

As Arranged by the M. S. Simmons' Post No. 477. At the regular stated meeting of the S. S. Simmons' Post No. 477, which convened in their hall at Sonestown on Saturday April 27, the following program for Memorial Day was arranged, viz: Decoration at Sonestown—9 a. m. At Laporte 2 p. m. Following is the committee appointed on flowers:

SONESTOWN. Mrs. Phoebe Magargle, Miss Maud Miller, Mazie Simmons, Mary Buck and Mrs. W. J. Campbell.

LAPORTE. Mrs. Judge Ingham, Mrs. W. M. Cheney, Miss Fannie Cagle, Miss Ada Meylert and Mr. Joseph Barrows.

W. M. Stevens Esq. of Williamsport will deliver the address in Sonestown, and some prominent speaker will be secured for Laporte.

I. T. Low, Comander. See Marks' new ad elsewhere.

The county commissioners were in town, Wednesday.

Fresh bread always on hand at the store of Mrs. M. C. Lauer.

Young America was present on the arrival of the show. The little pony horses took their eye.

Sullivan county farmers ought to realize the need of good roads, as this county has some of the poorest in the state.

The Gold Dollar saloon, the finest in Buffalo and one of the handsomest in the United States, will be converted into a temperance saloon and owned by a joint stock company composed of clergymen and prominent business men of Buffalo.

An exchange truthfully remarks: What is said in the newspapers does less injury than the sly gossip talked in little groups and spread from mouth to ear. What the paper says shows for itself. There is nothing sneaking, secret or sly about it. You always know who is responsible for it. It is not so with gossip.

Will Run Through.

Commencing May 13, when a change of time will take effect, passenger trains Nos 22 and 323, which now leave Dushore at 5:30 a. m., will run from Towanda to Wilkes Barre and return. The regular Berne branch passenger train will start from Ricketts in the morning instead of Lopez, and return there in the evening. The "Wilkes Barre train" will probably run nearly on the time of the old W. & N. B. passenger, leaving Towanda about 6:30 a. m., reaching Towanda in the evening between seven and eight o'clock. This arrangement will doubtless be greatly appreciated by all who have business in either direction.

Chas. Lee's circus exhibited here on Wednesday, May 1st, as per announcement. The weather was fine and our people all turned out. The mammoth tents in the evening were comfortably filled. The performance was extremely good, every feature being one of merit. It was without doubt, the very best show ever in Laporte. This is the expression of all who witnessed it. The parade in the afternoon made a good impression upon our people and they could not resist "taking in" the show. The band was better than the average show music. Mr. Lee is to be congratulated upon his show this season. It is well worth the price of admission.

For clover and timothy seed onion sets and green fruits, go to B. & W. Sonestown Pa.

The Dushore Gazette contains several announcements of candidates for Prothonotary, Register and Recorder this week. They are—Morgan Gavitt, Laporte; Ed Franke, Forks twp. and Frank Lusch of Dushore.

Edward Davy, of Bernice while intoxicated, took a mail pouch from the waiting room at the upper depot at Towanda on Tuesday of last week. He was arrested and had a hearing on Monday before U. S. Commissioner Mix, at Towanda, and in default of \$1,000 bail was committed for trial at U. S. Court at Erie Pa., in July. Davy is a hard working young man and his reputation of the past is good. The overdose of whiskey drank, was no doubt the cause of his trouble.
