

The following bill passed the Senate and Legislature and is now a law.

This was accomplished through the efforts of Hon. B. W. Jennings and was the only bill that Worth made any promises to support, previous to his election.

While excavating for the sewerage pipe on North Muncy street and opposite Judge Ingham's residence, Wednesday a. m., a blast was set off doing some damage to the Judge's residence. A part of the railing enclosing the second story veranda was broken into kindling pieces by the falling of poles which had been placed and chained over the rock in which the blast was placed. The force of the charge broke the chain, hence the accident. It was very fortunate however, that no person was injured as the poles, 15 or 20 in number and large rocks were thrown in the air fifty feet or more.
